Summer Doorways W. S. Merwin, 2015-12-01 America today is a mobile society Many of us travel abroad and few of us live in the towns or cities where we were born It wasn't always so Travel from America to Europe became a commonplace an ordinary commodity some time ago but when I first went such departure was still surrounded with an atmosphere of adventure and improvisation and my youth and inexperience and my all but complete lack of money heightened that vertiginous sensation writes W S Merwin Twenty one married and graduated from Princeton the poet embarked on his first visit to Europe in 1948 when life and traditions on the continent were still adjusting to the postwar landscape *Summer Doorways* captures Merwin at a similarly pivotal time before he won the Yale Younger Poets Award in 1952 for his first book *A Mask for Janus* the moment was as the author writes an entire age just before it was gone like a summer **Unframed Originals** W. S. Merwin, 2019-04-20 In this haunting elegantly written memoir W S Merwin recalls in utterly unsentimental prose his youth growing up in a repressed Presbyterian household in the small river towns of New Jersey and Pennsylvania The complex portrait that emerges of a family without language or history transforms the story of their isolated lives into the development of a writer's conscience and a warning about the fate of a middle class eager to obliterate origins This book is superbly written offering deep glimpses into the complexities and mysteries of family bonds with just that distancing from people and events necessary for artistic control Edmund Fuller Wall Street Journal
