Transnational Entrepreneurship Mathew J. Manimala,Kishinchand Poornima Wasdani,Abhishek Vijaygopal,2019-06-26 This edited volume develops an understanding of the strategies processes issues and concerns involved when small and medium sized enterprises SMEs go international with their local products services and vice versa It is a compendium of eighteen selected chapters on the subject supported by an introductory chapter The contributions are organized in four parts based on the sub themes they deal with The first part containing the introductory chapter provides different perspectives on transnational entrepreneurship returnee entrepreneurship and their linkages with the internationalization process The subsequent parts have chapters dealing with three sub themes of the subject the internal factors individual and firm level resources the external factors entrepreneurial ecosystem and the process of organizational transformation and change respectively in the context of SME internationalization Special issues and challenges being faced by SME entrepreneurs in emerging economies have been highlighted in this book discussing key contemporary issues with regard to internationalization in the three dimensions outlined above Further the book explains how an entrepreneur can engineer the transformation of his her organization into an international SME This book is a very useful resource for entrepreneurs and policy makers in general and for academics and researchers in particular as it provides an overview of the contemporary research in the critical areas of SME internationalization and transnational entrepreneurship by highlighting the linkages between them with special reference to emerging economies **The Entrepreneurial Society** Jean

Bonnet,Domingo García Pérez De Lema,Howard E. Van Auken,2010-01-01 This timely book analyses the emergence of new firms in a broad context where economics management and sociological approaches may be joined for a new perspective The Entrepreneurial Society reveals that the market benefits of an entrepreneurial economy are evident in the new technology that has been made available to consumers over the past ten to 20 years It illustrates that entrepreneurial firms provide the market with innovations that create new products and in turn generate new employment and tax revenue thus playing a critical role in surviving the economic crisis The expert contributors explore the diverse conditions that explain permit and support entrepreneurship allowing thinking outside the box and enhancing breakthrough innovations At a time when new challenges relating to the ecological footprint are appearing this work will prove crucial The eclectic approaches to entrepreneurship within this book gathered from different countries and fields of research will prove to be hotly sought after by researchers and postgraduate students of entrepreneurship and social policy **Entrepreneurial Financial**

Management Jeffrey R. Cornwall, David O. Vang, Jean M. Hartman, 2019-08-13 This fifth edition of a classic and comprehensive resource presents an applied realistic view of entrepreneurial finance for today's entrepreneurs completely updated to address the latest trends and technologies. The book provides an integrated set of concepts and applications drawing from entrepreneurship finance and accounting that will prepare aspiring entrepreneurs for the world they will most likely face as they start their new businesses. The contents are designed to follow the life cycle of a new business venture. Topics are presented in logical order as entrepreneurs will likely face them as they begin the process of business start up and move into growing the business. Both undergraduate and graduate students will appreciate the clear presentation of complex issues and this book is an essential resource for budding entrepreneurs as well. A comprehensive spreadsheet financial template is included with the book and an all new case study provides questions that will help students learn the template as they proceed through the book. This tool allows for the application of many of the concepts to actual businesses and can be a valuable supplement to the process of developing a full business plan. The spreadsheet financial template is available for unlimited free downloads at Professor Cornwall's blog site www.drjeffcornwall.com. Advances in Business, Management and Entrepreneurship Ratih Hurriyati, Benny Tjahjono, Ikuro Yamamoto, Agus Rahayu, 2020-01-06 The GCBME Book Series aims to promote the quality and methodical reach of the Global Conference on Business Management Entrepreneurship which is intended as a high quality scientific contribution to the science of business management and entrepreneurship. The Contributions are the main reference articles on the topic of each book and have been subject to a strict peer review process conducted by experts in the fields. The conference provided opportunities for the delegates to exchange new ideas and implementation of experiences to establish business or research connections and to find Global Partners for future collaboration. The conference and resulting volume in the book series is expected to be held and appear annually. The year 2019 theme of book and conference is Creating Innovative and Sustainable Value added Businesses in the Disruption Era. The ultimate goal of GCBME is to provide a medium forum for educators, researchers, scholars, managers, graduate students and professional business persons from the diverse cultural backgrounds to present and discuss their researches, knowledge and innovation within the fields of business management and entrepreneurship. The GCBME conferences cover major thematic groups yet opens to other relevant topics: Organizational Behavior, Innovation, Marketing, Management, Financial Management and Accounting, Strategic Management, Entrepreneurship and Green Business.
