The Complete Narrative Prose of Conrad Ferdinand Meyer Conrad Ferdinand Meyer, 1976-03 Translation of the eleven novellas of Conrad Ferdinand Meyer from the German into English is the first attempt to make the entire body of his narrative prose available to the English reader in complete and unified form **The Complete Narrative Prose of Conrad Ferdinand Meyer** ,1976 Conrad Ferdinand Meyer and Freud Alexander Grinstein, 1992 **Encyclopedia of German Literature** Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings *States of Unconsciousness in Three Tales by C.F. Meyer* Dennis McCort, 1988 Making a case for C F Meyer s predominantly deterministic world view this study treats the theme of unconsciousness in three tales by exploring the governing principle of each tale s world the metaphysical in *Das Amulett* the religiomythic in *Das Leiden eines Knaben* and the psychological in *Gustav Adolfs Page* *Literature and the Image of Man* Leo Lowenthal, 2017-07-05 This volume s predominant theme is bourgeois mentality and its historical development The works of Lope de Vega Calderon Cervantes and Shakespeare among others are analysed within the historical framework of the decline of feudalism and the rise of the absolute regimes Those of Moliere and Goethe are set against the background of an evolving and consolidating bourgeois society in Western Europe Fiction in French - Fiction in Soviet British Library, 2013-02-07 No detailed description available for Fiction in French Fiction in Soviet *Fundamental World of Quantum Chemistry* Erkki J. Brändas, Eugene S. Kryachko, 2004-11-30 Per Olov Löwdin s stature has been a symbol of the world of quantum theory during the past five decades through his basic contributions to the development of the conceptual framework of Quantum Chemistry and introduction of the fundamental concepts through a staggering number of regular summer schools winter institutes innumerable lectures at Uppsala Gainesville and elsewhere and Sanibel Symposia by founding the International Journal of Quantum Chemistry and Advances in Quantum Chemistry and through his vision of the possible and his optimism for the future which has inspired generations of physicists chemists mathematicians and biologists to devote their lives to molecular electronic theory and dynamics solid state and quantum biology *Fundamental World of Quantum Chemistry* Volumes I II and III form a collection of papers dedicated to the memory of Per Olov Löwdin These volumes are of interest to a broad audience of quantum theoretical physical biological and computational chemists atomic molecular and condensed matter physicists

biophysicists mathematicians working in many body theory and historians and philosophers of natural science The volumes will be accessible to all levels from students PhD students and postdocs to their supervisors *Jewish Philosophy and the Crisis of Modernity* Leo Strauss,2012-02-01 This is the first book to bring together the major essays and lectures of Leo Strauss in the field of modern Jewish thought It contains some of his most famous published writings as well as significant writings which were previously unpublished Spanning almost 30 years of continuously deepening reflection the book presents the full range of Strauss s contributions as a modern Jewish thinker These essays and lectures also offer Strauss s mature considerations of some of the great figures in modern Jewish thought such as Baruch Spinoza Hermann Cohen Franz Rosenzweig Martin Buber Theodor Herzl and Sigmund Freud They also encompass his incisive analyses and original explorations of modern Judaism which he viewed as caught in the grip of the theological political crisis from German Jewry anti Semitism and the Holocaust to Zionism and the State of Israel from the question of assimilation to the meaning and value of Jewish history In addition Strauss s two sustained interpretations of the Hebrew Bible are also reprinted These essays and lectures cumulatively point toward the postcritical reconstruction of Judaism which Strauss envisioned suggesting it rebuild along Maimonidean lines Thus the book lends credence to the view that Strauss was able to uncover and probe the crisis at the heart of modern Jewish thought and history perhaps with greater profundity than any other contemporary Jewish thinker **Anxious Times** Amelia Bonea,Melissa Dickson,Sally Shuttleworth,Jennifer Wallis,2019-07-02 Much like the Information Age of the twenty first century the Industrial Age was a period of great social changes brought about by rapid industrialization and urbanization speed of travel and global communications The literature medicine science and popular journalism of the nineteenth century attempted to diagnose problems of the mind and body that such drastic transformations were thought to generate a range of conditions or diseases of modernity resulting from specific changes in the social and physical environment The alarmist rhetoric of newspapers and popular periodicals advertising various neurotic remedies in turn inspired a new class of physicians and quack medical practices devoted to the treatment and perpetuation of such conditions Anxious Times examines perceptions of the pressures of modern life and their impact on bodily and mental health in nineteenth century Britain The authors explore anxieties stemming from the potentially harmful impact of new technologies changing work and leisure practices and evolving cultural pressures and expectations within rapidly changing external environments Their work reveals how an earlier age confronted the challenges of seemingly unprecedented change and diagnosed transformations in both the culture of the era and the life of the mind
