EDITED BY BERNARD LAFOURCADE

The Complete Wild Body

Peter Nicholls

The Complete Wild Body:

The Agon of Modernism Anne Quém, 1999 Lewis's political writings present ambiguities his stated belief in the autonomy of art from life is contradicted by other statements he made and by his critical analyses of writers and his political writings blur any a priori generic distinction between art and non art Given this blurring between art and life artistic genre and non artistic genre Quém claims that Lewis's political texts present characteristics usually attributed to avant gardism However this radicalism has to be balanced against Lewis's conservatism Thus his political writings can be read as allegories with two pragmatic aims to organize the life of the polis from an artistic standpoint and to persuade the reader to adhere to authoritarian politics **BOOK JACKET**

The Grotesque Modernist Body David Cruickshank, 2024-04-26 The Grotesque Modernist Body explores how and why modernist authors drew on the traditions of the grotesque body in order to represent modern reality accurately The author employs the concept of the grotesque body as a theoretical framework with which to examine rigorously a range of modernist novels poems and visual media by Conrad Lewis Eliot and Barnes alongside their historical contexts and theories of humour and horror This monograph challenges the prevailing narrative of modernism's abstract psychological and impersonal inward turn by tracing its mechanical animal hybrid bodies back to the medieval carnival satire of Rabelais the gothic horror of the long nineteenth century from Hoffmann Shelley and Poe to H G Wells and Henry James and the uncanny dreamlike art of Goya and Rousseau [The Cinema and the Origins of Literary Modernism](#)

Andrew Shail, 2012 This book examines early British film and film culture as a substantial context for the emergence of modernism in literature The study considers Conrad Joyce Woolf Yeats and Eliot and treats literary modernism as a consequence of cinema's new accounts of language time collectivity and the self **Novel Sensations** Jon Day, 2020-08-18 Concentrating on the work of four major modernist authors Virginia Woolf James Joyce Wyndham Lewis and Samuel Beckett this book examines the close links between modernist literature and the philosophy of mind **Wild Chickens and Petty Tyrants** Arnold Kozak, Arnie Kozak, PhD, 2010-10-08 This engaging and accessible little book is filled with both humor and profound teaching It presents 108 metaphors for mindfulness meditation practice the nature of the self change deep acceptance and other related concepts that Dr Kozak has cultivated over twenty five years of meditating practicing yoga and working as a clinical psychologist Metaphors are indispensable to understanding mindfulness and to help deeply internalize it and make it a part of everyday life These mentally catchy images can motivate us to practice show us how and where to bring mindfulness to life in our personal experience and help us employ powerful methods for transformation **Theorizing Modernisms** Steve Giles, 2002-09-11 Provides a much needed corrective to the misleading accounts of modernism that have dominated recent debate shedding new light at the same time on the current controversies surrounding postmodernism

Modernisms Peter Nicholls, 2017-10-07 Peter Nicholls provides original analytic accounts of the main Modernist movements Close readings of key texts monitor the histories of Futurism Expressionism Cubism Dadaism and Surrealism This

new edition includes discussion of the recent research trends examination of developments in the US and a new chapter on African American Modernisms **In Visible Touch** Terry Smith, 1997 This collection of essays explores the representation of heterosexual masculinity embodied in modernist art It examines such major modernists as Cezanne Caillebotte Matisse Wyndham Lewis and Boccioni to offer a history of how artists sought to shape their sexuality in their work *Wyndham Lewis and the Cultures of Modernity* Andrzej Gasiorek, Alice Reeve-Tucker, Nathan Waddell, 2011 Making a strong case for a revaluation of Wyndham Lewis this collection argues that significant aspects of Lewis's writing painting and thinking have not yet received the attention they deserve Lewis's contributions to the production and circulation of modernism and the links between Lewis's writing and painting are explored in the context of other key figures of the twentieth century

Decadence in the Age of Modernism Kate Hext, Alex Murray, 2019-07-16 The first holistic reappraisal of the significance of the decadent movement from the 1900s through the 1930s Decadence in the Age of Modernism begins where the history of the decadent movement all too often ends in 1895 It argues that the decadent principles and aesthetics of Oscar Wilde Walter Pater Algernon Swinburne and others continued to exert a compelling legacy on the next generation of writers from high modernists and late decadents to writers of the Harlem Renaissance Writers associated with this decadent counterculture were consciously celebrated but more often blushing denied even as they exerted a compelling influence on the early twentieth century Offering a multifaceted critical revision of how modernism evolved out of and coexisted with the decadent movement the essays in this collection reveal how decadent principles infused twentieth century prose poetry drama and newspapers In particular this book demonstrates the potent impact of decadence on the evolution of queer identity and self fashioning in the early twentieth century In close readings of an eclectic range of works by Virginia Woolf James Joyce and D H Lawrence to Ronald Firbank Bruce Nugent and Carl Van Vechten these essays grapple with a range of related issues including individualism the end of Empire the politics of camp experimentalism and the critique of modernity Contributors Howard J Booth Joseph Bristow Ellen Crowell Nick Freeman Ellis Hanson Kate Hext Kirsten MacLeod Kristin Mahoney Douglas Mao Michèle Mendelssohn Alex Murray Sarah Parker Vincent Sherry
