The Contemporary American Family A Dialectical Perspective On Communication And Relationships:

The Contemporary American Family Teresa Chandler Sabourin, 2003-04-07 I find the book extremely attractive The dialectical perspective provides a consistent avenue from which to address the diversity structural cultural developmental and functional in Contemporary American Families Whereas this perspective does not claim to solve the tensions in families it offers marvelous insights into the nature and changing diversities in families I believe this text is particularly well suited for reasonable discussion of serious issues and provides valuable insights into the nature of families and their functioning Vince Bloom California State University Fresno Teresa Chandler Sabourin invites students to appreciate the mystery complexity and diversity of the contemporary American family Resisting simplistic descriptions and normative descriptions Sabourin challenges us to open our minds and hearts to the rich humane variety of family connections as we search for ways to accommodate the competing demands and conflicting pressures experienced in our most cherished relationships Starting from the source of her own experience Sabourin addresses both the darker abusive side of family relationships as well as the lighter spiritual side of intimacy and love The Contemporary American Family successfully addresses the need for an accessible and teachable treatment of the dialectical perspective on close relationships This is a book that will encourage students of family communication to respect diversity question taken for granted assumptions and share the pain and joy and of their own family experiences Art Bochner University of South Florida Increasingly diverse in structure and culture contemporary families defy explanation by many traditional linear methods In order to understand the enormous impact that diversity has on the behaviors and relationships within the family scholars and students need a means to embrace rather than solve relational contradictions The Contemporary American Family A Dialectical Perspective on Communication and Relationships recognizes that families are both close and distant stable and changing amenable and uncontrollable Teresa Chandler Sabourin employs a dialectical approach acknowledging that a family s contradictions and relational tensions may be the determining factor in its interaction Writing in a direct and simple style Sabourin uses this innovative theoretical position to address four types of family diversity structural cultural developmental and functional Sure to stimulate discussion and further research this provocative volume examines The dialectic process in the context of family communication and relationships The redefined more inclusive American family Contemporary family structures Cultural diversity in the family Issues such as alcoholism domestic violence and divorce Spirituality within the family Designed as a supplemental text for upper level undergraduate and graduate courses in Family Communication The Contemporary American Family is also an invaluable resource for students in Family Studies and Women s Studies courses

Communication Research Measures II ,2009 Expanding and building on the measures included in the original 1994 volume Communication Research Measures II A Sourcebook provides new measures in mass interpersonal instructional and group organizational communication areas and highlights work in newer subdisciplines in communication including intercultural family and health It also includes measures from outside the communication discipline that have been employed in communication research The measures profiled here are the best of the best from the early 1990s through today They are models for future scale development as well The Dark Side of Family Communication Loreen N. Olson,Elizabeth A. Baiocchi-Wagner,Jessica M. Wilson-Kratzer,Sarah E. Symonds,2014-01-22 This text provides for the first time in book form an

exploration of the communicative aspects of the darker side of family life ranging from for example severe acts of violence to more subtle forms of conflict In addition to offering a working definition of the concept of the dark side in the family context the authors propose the Darkness Model of Family Communication that integrates relevant literature in new and significant ways Researchers teachers and advanced students alike will benefit from the holistic and theoretical approach to the topic advanced through this volume Readers are also encouraged to process the material by reviewing discussion questions and the case study of the Moore family at the end of each chapter Chapter topics include an overview of the dark side of family communication individual influences on the darkness of family communication the dark side of dyadic family life familial interaction structure and the dark side dark family communication in a context of darkness socio cultural influences on family life concluding reflections on the study of dark family communication The Dark Side of Family Communication offers an integrative understanding of the dark side of family communication and a theoretical mechanism for understanding related scholarship It will be essential reading for all students and scholars of family communication

Mediating Cultures Alberto González,Tina M. Harris,2013 This book explores the communication challenges faced by parents as they raise children who are bi cultural multi cultural or are adopted from a heritage other than the parents Each contributor views the family as a site of intercultural dialogue and mediation and uses compelling studies throughout to examine the parents who creatively balance cultural influences within their families Using television depictions of parents on Modern Family and All American Muslim to the everyday activities of mixed ethnicity and international families Mediating Cultures reports the communication strategies employed by the parents as they strive to create affirming relationships between children and their heritages This collection brings together two largely separate literatures of family communication and intercultural communication studies with accessible yet context driven studies to explain how families integrate multiple cultural heritages and perspectives

Transformative Change Laura E. Reimer,Cathryne L. Schmitz,Emily M. Janke,Ali Askerov,, Barbara T. Strahl,Thomas G. Matyók,2015-08-21 This foundational Peace and Conflict Studies text is formatted to fit inside a 14 week college university term The chapters are designed to provide a succinct overview of research theory and practice that can be supplemented with material chosen by the professor The book introduces students to the core concepts of the field and provides an up to date alternative to the Peace and Conflict readers It will move from historical development of the field to the way forward into the future Each chapter will reflect current trends and research and contain up to date examples questions for discussion or for potential student research topics suggested reading and engaged teaching activities
