Easum, Robert Brydia, 2006 The essential tool for gauging your congregation's health and potential for growth Bill Easum's The Complete Ministry Audit has long enabled congregations to understand what their particular character is diagnose their problems and opportunities and plot strategies to remedy problems and extend their mission into the community Essentially a condensed version of the instrument Easum himself employs in a consultation it uses congregational surveys and questionnaires to give church leaders the best tools they can get for plotting their congregation's course This revised edition makes The Complete Ministry Audit even more user friendly with updated questionnaires new guides to interpreting the data and more comprehensive electronic tools on the enclosed CD ROM The survey section contains the surveys that you will use to prepare the audit The surveys are as follows Worship Survey Staff Survey Staff Readiness Survey Staff Permission Giving Survey Official Body Survey Official Body Readiness Survey and the Official Body Permission Giving Survey **If It Could Happen Here** Jeffrey H. Patton, 2010-10-01 Are small membership churches as the conventional wisdom says simply places where pastors bide their time while they wait for something better to come along Are they places where long standing family relationships are maintained but little else Are they places where attendance is dropping the building is out of date the programs are boring and people don't want to change If you believe this conventional wisdom then this book is not for you But if you see small membership churches especially those in rural areas as opportunities for the radical message of Jesus to transform lives and communities then this is a book you want to read Jeff Patton knows from firsthand experience as pastor of a small membership congregation whose life turned around under his leadership that small rural churches can become explosive centers of witness and mission In this informative book he describes 6 levers for transforming a small membership church prayer discerning a clear vision indigenous worship growth groups membership recruitment and lay pastoring Includes a foreword by Bill Easum Sacred Cows Make Gourmet Burgers Bill Easum, 2011-07-01 This book shows how an atmosphere of permission giving which signals the end of leaders as enablers can help church leaders transcend bureaucracy and enhance spiritual gifts rather than assign them The sacred cows of control and regulation can be devoured as leaders and people are converted to a new style of ministry **An Annotated Bibliography of Church Music** Jason M. Runnels, 2003 The purpose and scope of this bibliography is to survey the literature concerning church music primarily in publications from 1980 to the present while including materials that have been published and serve as primary resources earlier than that The emphasis is on Protestant church music largely those published in the English language The selected lists include over 700 titles and contain citations with annotations of reference works and bibliographies The annotations

offer an indication of the scope content and special features of each work This study will fill the research and reference needs of music students scholars and church musicians as well as providing research and college libraries with a reference for building their church music collections *Preaching for Church Transformation* William M. Easum,Bill Easum,2010 Shows preachers how to use their time behind the pulpit to reshape their congregations for mission and growth Preaching for Church Transformation Bill Easum,2011-12-01 Before he was one of the best known church consultants in the country Bill Easum served a lengthy pastorate in San Antonio Texas When he arrived at the church it was in serious decline with the possibility of having to close its doors beginning to loom over it By the time he left it was the most vibrant fastest growing congregation in its city and region Shortly after he arrived Easum preached a series of sermons on the book of Acts that challenged the congregation to become an authentic New Testament church He called on parishioners to step out of their comfort zones stop expecting their pastor to be a personal chaplain and join together to reach their city with the message of Jesus Preaching for Church Transformation provides updated versions of the sermons Easum preached as he issued this challenge to the congregation shortly after his arrival Interspersed with the sermons is commentary telling the reader how to adapt them for her or his own situation Anyone wanting to lead a congregation from the status quo to growth and faithful witness will find Preaching for Church Transformation an indispensable resource *The Book of Church Growth* Thom S. Rainer,1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't Growing Spiritual Redwoods William M. Easum,Thomas G. Bandy,1997 Growing Spiritual Redwoods is an effort to help church leaders answer the kinds of questions that confront congregations and Christians in this era of rapid and uncertain change William M Easum and Thomas Bandy argue that the congregations to whom the term spiritual redwoods can be applied are grown slowly becoming vigorous centers of witness and mission **American Book Publishing Record** ,2003
