The Circus World Of Willie Sells:

The Circus World of Willie Sells: with Accounts of Circus Performances in Topeka, 1958-1908 Orin C. King, 1983

The Circus World of Willie Sells Orin C. King, John W. Ripley, Robert W. Richmond, 1983 **Lost Circuses of Ohio**

Conrade C. Hinds, 2019-03-18 The nineteenth century was the golden age of the circus in Ohio Before the Ringling brothers became synonymous with the American circus Cincinnati's John Robinson and the Sells brothers of Columbus wowed audiences with stunning equestrian feats and aerial exploits For good measure the Sells brothers threw in a sharpshooting show with a young Ohio woman by the name of Annie Oakley The Walter L Main Circus of Geneva and a number of smaller shows presented their own unique spectacles with exotic animals and daring acrobats But for all the fun and games Ohio's circus industry was serious business As competition intensified advertising wars erupted and acquisitions began Eventually Ringling Brothers swallowed many of these circuses one by one and they dropped out of memory Author Conrade C Hinds brings this fascinating piece of Ohio show business back into the spotlight [The Princess and the Prophet](#) Jacob

Dorman, 2020-03-03 The just discovered story of how two enigmatic circus performers and the cultural ferment of the Gilded Age sparked the Black Muslim movement in America Delving into new archives and uncovering fascinating biographical narratives secret rituals and hidden identities historian Jacob Dorman explains why thousands of Americans were enthralled by the Islamic Orient and why some came to see Islam as a global antiracist movement uniquely suited to people of African descent in an era of European imperialism Jim Crow segregation and officially sanctioned racism The Princess and the Prophet tells the story of the Black Broadway performer who among the world of Arabian acrobats and equestrians Muslim fakirs and Wild West shows discovered in Islam a greater measure of freedom and dignity and a rebuttal to the racism and parochialism of white America Overturning the received wisdom that the prophet was born on the East Coast Dorman has discovered that Noble Drew Ali was born Walter Brister in Kentucky With the help of his wife a former lion tamer and Hindoo magician herself Brister renamed himself Prophet Noble Drew Ali and founded the predecessor of the Nation of Islam the Moorish Science Temple of America in the 1920s With an array of profitable businesses the Moors built a nationwide following of thousands of dues paying members swung Chicago elections and embedded themselves in Chicago's dominant Republican political machine at the height of Prohibition racketeering only to see their sect descend into infighting in 1929 that likely claimed the prophet's life This fascinating untold story reveals that cultures grow as much from imagination as inheritance and that breaking down the artificial silos around various racial and religious cultures helps to understand not only America's hidden past but also its polycultural present **Olympians of the Sawdust Circle** William Lawrence

Slout, 1998-01-01 The culmination of more than thirty years of research Olympians of the Sawdust Circle is an attempt to identify every major and minor player in the American circus world of the nineteenth century This A Z guide lists surname given name dates of birth and death if known type of entertainment and function with which the individual was associated

and the companies and dates by whom the person was employed Every researcher and library interested in American circus history will need this seminal guide An absolutely astonishing piece of scholarship **Fred Stone** Armond Fields,2002-02-05

Fred Stone was one of America's most versatile and talented of Broadway's colorful entertainers Audiences quickly discovered he could do anything and everything from tightrope walking and acrobatics to song and dance musical comedies and straight drama This work chronicles his extraordinary life and career He was born in a log cabin August 19 1873 in Valmont Colorado to a family that was part of the covered wagon migration into the virtually unknown West He joined a traveling circus at age 11 and two years later joined a different one as a self taught tightrope walker During his teens Stone performed on the variety stage and at age 22 met Dave Montgomery with whom he performed for over twenty years including Broadway musicals notably as the scarecrow in The Wizard of Oz After Montgomery's tragic death in 1917 Stone continued to perform and shared his continued success with his closest friend Will Rogers and Annie Oakley Broadway producer Charles Dillingham Western artists Charles Russell and Ed Borein and author Rex Beach Stone appeared in some 18 movies from 1918 to 1940 including such western classics as The Westerner and Trail of the Lonesome Pine In 1950 he retired from show business and during the last years of his life suffered from increasing blindness and heart trouble He died at his Los Angeles home in 1959 **Agnes Lake Hickok** Carolyn M. Bowers,Linda A. Fisher,2012-11-19 The first woman in

America to own and operate a circus Agnes Lake spent thirty years under the Big Top before becoming the wife of Wild Bill Hickok a mere five months before he was killed Although books abound on the famous lawman Agnes's life has remained obscured by circus myth and legend Linda A Fisher and Carrie Bowers have written the first biography of this colorful but little known circus performer Agnes originally found fame as a slack wire walker and horseback rider and later as an animal trainer Her circus career spanned more than four decades Following the murder of her first husband Bill Lake she was the sole manager of the Hippo Olympiad and Mammoth Circus While taking her show to Abilene she met town marshal Hickok and five years later she married him After Hickok's death Agnes traveled with P T Barnum and Buffalo Bill Cody and managed her daughter Emma Lake's successful equestrian career This account of a remarkable life cuts through fictions about Agnes's life including her own embellishments to uncover her true story Numerous illustrations including rare photographs and circus memorabilia bring Agnes's world to life Jacobs' Orchestra Monthly ,1928 **Victorian West**

Clarence Robert Haywood,1991 In this fascinating social history Haywood unravels the web of values ideas and philosophies that tied East to West Journal of American History **Jacobs' Band Monthly** ,1928
