

KEY WORD IN CONTEXT ANALYSIS: DIGITALLY EXPLORING CLASH OF CULTURES

With the aid of *AntConc*, we identify some key words(e.g. Christians, goddess, Okonkwo, whiteman) that suggest clash of cultures and digitally explore how they play out in the novel. The concordancing process yielded some results:

- From slides 28-31, it is interesting to discover the connection between the highlighted key word in context(KWIC) and the surrounding lexical items which amplifies the discussion of the clash of cultures.
- In 28, an Igbo woman in Mbaino who had fled to join the Christians because her twins had been consistently thrown into the evil forest was considered 'a good riddance'. Two grounds of conflicts can be deduced in this incidence: Christianity vs Igbo culture, western civilisations vs African traditional belief.

The Clash Between Christianity And Cultures

The Clash Between Christianity And Cultures:

The Clash Between Christianity and Cultures Donald Anderson McGavran, 1979 *Culture, Communication, and Christianity* Charles H. Kraft, 2001 Charles Kraft is a well known author educator linguist anthropologist and missiologist This book consists of his selected writings compiled over more than three decades Subjects including anthropology communication worldview ethnolinguistics hermeneutics and contextualization are dealt with as they relate to Christianity and Kraft s unique perspective Kraft s personal story and an exhaustive bibliography of his personal writings from 1961 2000 are included This book is of extraordinary value to those who desire to study Christianity culture and communication and the interplay between all three **Clash Between Christianity and Cultures** Donald McGavran, 1985-06-01 **Resolving**

the Prevailing Conflicts Between Christianity and African (Igbo) Traditional Religion Through Inculturation Edwin Anaegboka Udoe, 2011 For not integrating initially some of the good elements in Igbo culture many Igbo Christians have double personality Christian personality and traditional personality They are Christians on Sundays but traditionalists on weekdays To combat such an anomalous situation in imitation of Christ s effort at completing what was lacking in the Jewish religion author Edwin Udoe proposes radical inculturation His book equally contains many serious theological reflections such that it recommends itself to both theologians and the scholars researching on the religions of the world Udoe has therefore made a very significant contribution worthy of commendation to both theological and religious studies

The Routledge Handbook of Christianity and Culture Yaakov Ariel, Gregor Thuswaldner, Jens Zimmermann, 2024-11-15 The centrality and importance of the intersection of Christianity and culture when it comes to English speaking countries and particularly American culture history and politics is beyond doubt The Routledge Handbook of Christianity and Culture is an outstanding reference source to the key topics problems and debates in this exciting subject Comprising over 35 chapters by a team of international contributors the handbook is divided into five parts Practicing Christianity Christianity and the Word Social and Political Aspects of Christianity and Culture Christianity and Culture in a Global Context Christianity and the Arts Within these parts central issues debates and problems are examined including liturgy material Christianity education missions religion and science hermeneutics Bible translations Christian wars human rights law social action the secular ecumenicalism inter religious relations visual arts literature music theatre and film The Routledge Handbook of Christianity and Culture is essential reading for students and researchers of religious studies and Christian studies The handbook will also be very useful for those in related fields such as cultural studies area studies visual studies literature and material religion *Crossroad Discourses between Christianity and Culture* , 2010-01-01 Christianity exists in relation to and interacts with its cultural environment in a number of ways In this volume authors from a wide variety of backgrounds explore various facets of the relationship and interaction of Christianity with its cultural environment politics society esthetics religion and spirituality and with itself Divided into three main sections Crossroad Discourses

between Christianity and Culture looks at the interaction of Christianity with culture in the first section with other religions and spiritualities in the second and finally with itself in the third The contributions engage in a critical examination of not only the culture in which Christianity finds itself but also in a critical examination of Christianity itself and its interaction with that culture The editors hope that teachers students and readers in general will profit greatly from the critical articles contained in this book

The Clash of Cultures on the Medieval Baltic Frontier Alan V. Murray, 2009 The conversion of the lands on the southern and eastern shores of the Baltic Sea by Germans Danes and Swedes in the period from 1150 to 1400 represented the last great struggle between Christianity and paganism on the European continent but for the indigenous peoples of Finland Livonia Prussia Lithuania and Pomerania it was also a period of wider cultural conflict and transformation This collection explores the theme of clash of cultures from a variety of perspectives discussing the nature and ideology of crusading in the medieval Baltic region the struggle between Catholicism and Orthodoxy and the cultural confrontation that accompanied the process of conversion

The Word Leaps the Gap J. Ross Wagner, C. Kevin Rowe, A. Katherine Grieb, 2008-11-05 This is a collection of essays to celebrate Richard Hays 60th birthday It is written by colleagues and friends whose scholarly imaginations have been sparked in numerous ways by his insights

Toward the Final Solution George L. Mosse, 2020-09-08 Originally published in 1978 *Toward the Final Solution* was one of the first in depth studies of the evolution of racism in Europe from the Age of Enlightenment through the Holocaust and Hitler's Final Solution George L. Mosse details how antisemitism and dangerous prejudices have long existed in the European cultural tradition revealing an appalling and complex history With the global renewal of extreme right wing nationalism this instrumental work remains as important as ever for understanding how bigotry impacts political cultural and intellectual life This edition of Mosse's classic book includes a new critical introduction by Christopher R. Browning author of *Ordinary Men* *Reserve Police Battalion 101* and *The Final Solution in Poland*

Contemporary Christian-Cultural Values Cecilia Nahnfeldt, Kaia S. Rønsdal, 2021-05-30 This book reconstructs the connection between religion and migration drawing on post colonial perspectives to shed light on what religion can contribute to migrant encounters Examining the resources and motives for hospitality as lived in Christian contexts in the Nordic region it addresses the content of talk about religion in public discourse the concept having become something of an empty signifier in debates surrounding migration Multidisciplinary in approach this volume demonstrates that religion is not in fact an empty signifier but gains substance through practice and interpretation Considering the undeveloped potentiality of religion and the manner in which the unseen religious perspective in secularity becomes manifest in practice this volume will appeal to social scientists and scholars of religion with interests in migration refugee studies theology and Christian practice
