The Collected Poems Of Emyr Humphreys:

Emyr Humphreys M. Wynn Thomas,2018-09-01 The book is the first overview of the long distinguished career of Wales leading Welsh language novelist in its entirety A study of Emyr Humphreys who has had a remarkable career spanning over seventy years as a writer he has published more than two dozen novels many of them prize winning as well as several collection of short stories These essays were supplemented by the interviews the author conducted with Emyr Humphreys

Emyr Humphreys Diane Green,2009-07-01 This book is an examination of the novels of Emyr Humphreys in the light of his ideas on Wales Welsh history Welsh culture and the importance of a separate Welsh identity It explores Humphreys practice in the light both of his own theories of culture and fiction and of a variety of models derived from postcolonial theory Its main conclusions are that there are two particular techniques the use of Welsh history and of Celtic myth that have proved particularly central to Humphreys purposes throughout his career These have consistently been the principal ways in which he foregrounds for the reader both what it means to be Welsh and the importance for the nation of maintaining an understanding of its heritage And both these key strategies of his fiction should it is argued be read as typical postcolonial devices

The Fiction of Emyr Humphreys Linden Peach,2011-01-15 For over half a century Emyr Humphreys s work as a novelist short story writer poet dramatist and television producer has been extraordinarily impressive This pioneering and stimulating book considers Humphreys s fiction from a range of contemporary critical perspectives and stresses its relevance to the 21st century Drawing on the work of leading modern cultural and literary theorists such as Jacques Derrida and Homi Bhabha psychoanalytic critics such as Melanie Klein and Jacqueline Rose and gender theorists such as Judith Butler Linden Peach brings fresh perspectives to the content structure and developing nature of Humphreys s work employing for example historicist post historicist new geography psychoanalytic and feminist and postfeminist frameworks Through detailed readings which highlight subjects such as gender identity contested masculinities war pacifism strangeness and otherness problematic father and daughter relationships and cultural discourse in complex linguistic environments Peach suggests that Humphreys s work is best understood as dramatic dissident and or dilemma fiction rather than by the term Protestant novelist which Humphreys used to describe himself at the outset of his career Stressing how Humphreys came to see himself as more of a protesting novelist Peach examines how the dilemmas around which his fiction is based originally linked to Humphreys s definition of himself as a protestant writer increasingly become sites in which controversial and often dark themes are explored This approach to Humphreys s work is pursued through exciting readings of some of Humphreys best and lesser known works including A Man s Estate A Toy Epic Outside the House of Baal the Best of Friends salt of the Earth Unconditional Surrender The Gift of a Daughter Natives Ghosts and Strangers Old people are a Problem The shop and The Woman at the Window

In the Shadow of the Pulpit M. Wynn Thomas,2009-10-15 Ranging from the nineteenth century to the present this book explores several central aspects of the ways in which the English language poetry and fiction of

Wales has responded to what was for a crucial period of a century or so the dominant culture of Wales the culture of Welsh Nonconformity In the introduction the author reflects on why no sustained attempt has hitherto been made to investigate one of the formative cultural influences on modern Anglo Welsh literature the Nonconformist inheritance The importance of addressing this strange and significant cultural deficit is then explained and a preliminary attempt made to capture something of the spirit of Welsh Nonconformity The succeeding chapters address and seek to answer such questions as What exactly did the Welsh chapels believe and do Why have the English language writers of Wales from Caradoc Evans and Dylan Thomas to R S Thomas and the authors of today been so fascinated by them How accurate are the impressions we've been given of chapel life and chapel people in the English language poetry and fiction of Wales The answers offered may alter our views both of the Welsh Nonconformist past and of Welsh writing in English One of the ideas advanced is that many of Wales most important writers went to war with the preachers in their texts and that their work is therefore the site of cultural struggle There was a war in words waged to determine who would have the last word on modern Welsh experience

A Guide to Welsh Literature M. Wynn Thomas, 2003 **The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry

Postcolonialism Revisited Kirsti Bohata, 2009-06-15 Postcolonialism Revisited is a ground breaking book the first to explore and analyse Anglophone Welsh writing both literary and otherwise in the context of contemporary thinking about colonial and post colonial cultures Kirsti Bohata considers how far the paradigms of postcolonial theory may be usefully adopted and adapted to provide an illuminating exploration of Welsh writing in English while simultaneously considering the challenges that such writing might offer to the field of postcolonial theory

The Cambridge History of Welsh Literature Geraint Evans, Helen Fulton, 2019-04-18 This book is a comprehensive single volume history of literature in the two major languages of Wales from post Roman to post devolution Britain
