George Cruikshank's Omnibus (Illustrations) George Cruikshank, 2015-01-05 Example in this ebook We have been entreated by a great many juvenile friends to tell em all about our Engraved Preface in No I and entreaties from tender juveniles we never could resist So for their sakes we enter into a little explanation concerning the great matters crowded into our Preface All children of a larger growth are therefore warned to skip this page if they please it is not for them who are of course familiar with the ways of the world but only for the little dears who require a Guide to the great Globe they are just beginning to inhabit Showman Now then my little masters and missis run home to your mammas and cry till they give you all a shilling apiece and then bring it to me and I ll show you all the pretty pictures So now my little masters and misses have you each got your No 1 ready Always take care of that Now then please to look at the top of the circular picture which represents the world and there you behold Her Majesty Queen Victoria on her throne holding a court with Prince Albert in his field marshal's uniform by her side and surrounded by ladies nobles and officers of state A little to the right are the heads of the Universities about to present an address Above the throne you behold the noble dome of St Paul's on each side of which may be seen the tall masts of the British navy Cast your eyes my pretty dears below the throne and there you behold Mr and Mrs John Bull and three little Bulls with their little bull dog one little master is riding his papa's walking stick while his elder brother is flying his kite a pastime to which a great many Bulls are much attached Miss Bull is content to be a little lady with a leetle parasol like her mamma To the right of the kite you behold an armed man on horseback one of those curious figures which composed of goldbeater's skin used to be sent up some years ago to astonish the natives only they frightened em into fits and are not now sent up in consequence of being put down And now you see the world goes round Turn your eyes a little to the right to the baloon and parachute and then look down under the smoke of a steamer and you behold a little sweep flourishing his brush on the chimney top and wishing perhaps that he was down below there with Jack

in the green Now then a little more to the right where you see a merry dancing group of our light heeled and light hearted neighbours the leader of the party playing the fiddle and dancing on stilts while one of his countrymen is flying his favourite national kite viz the soldier In the same vicinity are groups of German gentlemen some waltzing and some smoking meerschaums near these are foot soldiers and lancers supporting the kite flyer Now near the horse my little dears you will see the mule together with the Spanish muleteers who if not too tired would like to take part in that fandango performed to the music of the light guitar Look a little to the left and you behold a quadrille party where a gentleman in black is pastorale ing all the chalk off the floor and now turn your eyes just above these and you behold a joyful party of convivialists with bottles in the ice pail and bumpers raised most likely to the health of our gracious Queen or in honour of the Great Captain of the Age And now my little dears turn your eyes in a straight line to the right and you will perceive St Peter s at Rome beneath which are two young cardinals playing at leap frog not at all frightened at the grand eruption of Mount Vesuvius which is going on in the distance From this you must take a leap on to the camel s back from which you will obtain a view of the party sitting just below which consists of the grand Sultan smoking desperately against Ali Pacha To be continue in this ebook

The Omnibus Homo Sacer Giorgio Agamben, 2017-08-15

Giorgio Agamben's *Homo Sacer* is one of the seminal works of political philosophy in recent decades. A twenty-year undertaking, this project is a series of interconnected investigations of staggering ambition and scope, investigating the deepest foundations of every major Western institution and discourse. This single book brings together for the first time all nine volumes that make up this groundbreaking project. Each volume takes a seemingly obscure and outdated issue as its starting point: an enigmatic figure in Roman law or medieval debates about God's management of creation or theories about the origin of the oath, but is always guided by questions with urgent contemporary relevance. *The Omnibus Homo Sacer* includes:

- 1 *Homo Sacer: Sovereign Power and Bare Life*
- 2 *1 State of Exception*
- 2 *2 Stasis: Civil War as a Political Paradigm*
- 2 *3 The Sacrament of Language: An Archeology of the Oath*
- 2 *4 The Kingdom and the Glory: For a Theological Genealogy of Economy and Glory*
- 2 *5 Opus Dei: An Archeology of Duty*
- 3 *Remnants of Auschwitz: The Witness and the Archive*
- 4 *1 The Highest Poverty: Monastic Rules and Form of Life*
- 4 *2 The Use of Bodies*
