shine through in this meticulously researched work making it a must have for anyone passionate about equine studies Set in the late 19th century this book provides insight into the historical practices and attitudes towards horse care during that period With practical tips and timeless advice The Handy Horse book remains relevant and useful even in modern times Maurice Hartland Mahon s background as a skilled horseman and experienced writer is evident in the depth and clarity of this book His passion for horses and dedication to their well being is palpable on every page making him a trusted authority in the field I highly recommend The Handy Horse book to anyone looking to expand their knowledge of horses and improve their horsemanship skills Crazy Horse Mike Sajna,2001-07-11 A treat Insightful Refreshing A must have Not only is Sajna s work a valuable historical resource it makesfor a compelling read as well American History There has to be someone left to tell the tale Little did the legendary war chief Crazy Horse know when he spokethese words in battle that it was his tale that people would betelling long after his death Now author Mike Sajna brings therenowned warrior back to life in this book about his epic struggle to save his culture and homeland amid the westward movement ofwhite settlers Sajna follows Crazy Horse from his days as a youngboy chasing down wild horses to his later years as one of thebravest of the brave and includes new views on his role in theBattle of Little Big Horn and his eventual surrender and murder Using an extensive collection of historic records Crazy Horse isone of the most accurate accounts of the great Oglala chief separating the facts from the many myths that have been passed downby other writers Unpublishable Works Erwin J. Warkentin,1997 A third point illuminated by Warkentin is the number of references Borchert makes to Shakespeare s Hamlet and Goethe s Faust Warkentin contends that it was not Holderlin Rilke Trakl and the Expressionists who served as Borchert s literary mentors as received opinion would suggest but rather that it was Goethe Shakespeare Schiller and the British Romantics who had the greatest impact on Borchert s art Equestrian Studies Myron J.
