The Congressmans Daughter:

Rocky and the Senator's Daughter Dixie Browning, 2025-02-11 Any woman who can make a man laugh and want to jump her bones at the same time is more valuable than rubies and pearls Rocky Waters ex hotshot journalist and unlikely hero Rocky Waters first met Sarah Jones when she was a shy teenager Now scandal had followed the senator's daughter to North Carolina and Rocky had to warn her Sarah fiercely guarded her privacy and the child she secretly supported But Rocky was just as determined to win over this sensual spirited widow who aroused his protective instincts and a whole lot more

The Congressman's Daughter Patricia Maloney Markun, 1994-03 *The Congressman's Daughter* Craig Nova, 1989-04 Alexandra the attractive and stubborn only child of a Vermont congressman is manipulated as a child and young woman by her domineering father and then forced to marry his loathsome and malicious assistant when the congressman dies Her story is one of subservience and longing until the final fatal day of her inevitable rebellion **The Congressman's Daughter**

Craig Nova, 1986 Alexandra Pearson daughter of a shrewd recently deceased politician marries the treacherous Bryce MacPherson and experiences the poisonous effects of her father's lasting power until she discovers the promise of forbidden love *Almost Famous: Thomas Lyon Hamer, the Congressman Who Made Ulysses Simpson Grant* Lonnie Brett Griffith, 2018-05-30 The name Thomas Lyon Hamer only brings puzzled looks when spoken today Even in Georgetown Ohio Hamers home and place of burial only a handful of local historians have any knowledge of the man whom U S Grant believed would have been president of the United States had he not died prematurely and unexpectedly I have said before that Hamer was one of the ablest men Ohio ever produced I have always believed that had his life been spared he would have been president of the United States during the term filled by President Pierce his partiality for me was such there is but little doubt I should have been appointed to one of the staff corps of the army the Pay Department probably and would therefore now be preparing to retire Neither of these speculations are unreasonable and they are mentioned to show how little men control their own destiny Grant 53 Yet if the man had lived even another year or two he would not only be in all United States history textbooks that history would likely be quite different The national events in the decade leading up to the American Civil War and possibly the outcome of the war itself would have been significantly altered Fate is a fickle mistress Hamer was very well known in his day and it is perplexing to try to understand how someone so influential while alive was virtually forgotten even locally by the turn of the twentieth century Perhaps it is because he was eclipsed by another very important individual from Georgetown Ohio who did become president Perhaps it is because Hamers sons died young and childless leaving no direct heirs to carry his name and fame into the future Hamers Mexican War flag a gift to him from the people of Brown County Ohio photo courtesy of Ron Bulow **Congressional Record** United States. Congress, 1977 *My Song: Memoir of an ER Physician* Craig Dean, MD, 2014-05-12 Thirty years in the making one hundred thousand patients later the hundred numinous patients I will forever treasure It has been said that memoirs are the narratives of our life and as such

become the manner and method of how we make sense out of our life's journey. Indeed, I could not imagine my life without my career in the ER since without it, I would truly feel like a naked, wizened skeleton devoid of skin, flesh, or viscera. The ER experience was the alchemist's stone that touched my ordinary life and in so many ways made it exquisitely gilded. Many were the patients that stirred the invisible fabric of my soul and made the ordinary universe seem so much more expansive and unequalled. The magnificence of the ER flows from the commanding variety of patients, not unlike the arresting diversity of flora in the plant kingdom, renders a regal awe upon the eyes and souls of the beholder. *The Long Ride* Bonnie

Bryant, 2014-08-19 School's out and three horse-crazy best friends promise to have the best summer ever. Before Lisa Atwood, Stevie Lake, and Carole Hanson become high school juniors in the fall, the girls have a busy summer ahead. Lisa is spending every waking minute with her boyfriend Alex, who's also Stevie's twin brother, until she leaves to visit her dad and his new family in California. Stevie just got her driver's license and when she isn't delivering pizza, she's hanging out with her boyfriend Phil Marsten. And Carole is working long hours at Pine Hollow Stables for the horses and for Ben Marlow, the mysterious stable hand who's just as horse-crazy as she is. But everything changes when the new girl arrives in town with a champion horse in tow. Will Lisa, Stevie, and Carole's friendship ever be the same again? **Five Hundred Years without**

Love Alex Lacson, 2021-04-30 This is about a man, his lost love, the imperfect world he lives in, and how he finds his true love after he discovers his true self and life's purpose when he realized that much of the world's imperfections are caused by lack of love for others, fueled by greed and selfishness, which cause social cancer. Anton Hinirang was unhappy for the last twenty-four years after losing his first and only love when Marian's parents forced her to marry someone with money and stature. Decades later, not even success could make Anton happy. When his unhappiness was complicated by tragic events that happened to his father and two siblings, caused by his country's social ills, it woke and changed Anton forever. It led to his self-discovery of his life's purpose, which in turn led him to find his true love. In its core, the story is about love, how its absence can render a person's life unhappy and miserable, and how lack of love in people's hearts, especially among leaders, can cause poverty and misery among many in society and the world. Alex Lacson is a bestselling author in the Philippines. He is known as a builder of hope in his country, especially among the youth. Alex believes that love is the answer to most of the problems confronting humanity today: love as expressed in kindness, compassion, generosity, fairness, and justice. Though a lawyer by profession, Alex's first passion is writing. He served as a newspaper columnist for seven years. He also worked as editor in chief of a lawyers' magazine for a few years before he wrote in 2005 his first book, which became an instant national bestseller in the Philippines. Alex is a graduate of the College of Law, University of the Philippines. In 2002, he took a short summer program at Harvard Law School, Harvard University, Cambridge, Massachusetts, US. He also took a leadership training at Haggai Institute, Singapore, in 2007. **Panic Room** Patti Larsen, 2020-08-16 Welcome to Silver City, where friendship can

be murder. The death of a popular congressman turns into a disaster when Gerri becomes trapped with a handful of others in

the politician's panic room forcing her to leave the majority of the murder investigation to her friends Can Kinsey and Ray figure out who killed the congressman without any evidence or will Gerri's close quarters caging lead to the murderer
