You'll also discover how to build your franchise manual and onboarding materials, tools to manage training, communication, and franchisee dashboards, systems for territory planning and brand protection, legal frameworks, and how to avoid common pitfalls. Revenue strategies beyond royalties: packaged services, upsells, referrals, and more. The difference between franchising, licensing, and microfranchising, and when to use each. Ways to support your franchisees while protecting your time. What real entrepreneurs did to build lasting success from simple businesses.
