The H L Mencken Baby:

The H.L. Mencken Baby Book Henry Louis Mencken, Howard Markel, Frank A. Oski, 1990 Includes an account of the circumstances in which Mencken's book was written and how it launched his lifelong friendship and collaboration with its editor Theodore Dreiser The authors also offer contemporary perspectives to highlight what has and has not changed in the care of infants

H.L. Mencken S. T. Joshi, 2009-07-01 Baltimore native Henry Louis Mencken 1880-1956 was an essayist literary critic magazine editor novelist and journalist Starting as a reporter for the Baltimore Morning Herald at the turn of the century Mencken eventually became associated with the Baltimore Sun and his work for the newspaper spanned five decades In H L Mencken An Annotated Bibliography S T Joshi provides the most exhaustive and comprehensive bibliography of the writings of H L Mencken ever assembled It presents detailed information on his book publications from 1903 to the present with a full list of editions and reprints Most significantly it presents for the first time a comprehensive annotated listing of his magazine and newspaper work including more than 1 500 anonymous editorials for the Baltimore Sun Baltimore Evening Sun and other papers which have never been listed in any previous bibliographies a thorough index to his book reviews and a full list of interviews Mencken gave during his lifetime Word counts of nearly every item in the bibliography have been supplied and the book has been thoroughly indexed by name title and periodical Because every item has been annotated scholars and students can for the first time gain an idea of the subject matter of all Mencken's writings especially his magazine and newspaper work The indexes will allow users to locate any given item with ease The chronological arrangement of each section allows users to understand the growth and development of Mencken's work making this volume an invaluable resource

The Modernization of Fatherhood Ralph LaRossa, 1997 The period between World War I and World War II was an important time in the history of gender relations and of American fatherhood Revealing the surprising extent to which some of yesterday's fathers were involved with their children The Modernization of Fatherhood recounts how fatherhood was

reshaped during the Machine Age into the configuration we know today LaRossa explains that during the interwar period the image of the father as economic provider pal and male role model all in one became institutionalized Using personal letters and popular magazine and newspaper sources he explores how the social and economic conditions of the Roaring Twenties and the Great Depression a period of technical innovation as well as economic hardship fused these expectations into a cultural ideal With chapters on the U S Children s Bureau the fathercraft movement the magazine industry and the development of Parent s Magazine and the creation of Father s Day this book is a major addition to the growing literature on masculinity and fatherhood

Formative Years Alexandra Minna Stern,Howard Markel,2009-12-18 Sheds light on the development of the fields of pediatrics and child health during the last century

The Bottle, The Breast, and the State Maureen Rand Oakley,2015-07-01 The Bottle the Breast and the State The Politics of Infant Feeding in the United States explores the ways in which breastfeeding is both promoted and made difficult in the United States It also examines how the use of formula is often shamed yet encouraged by many standard medical and government practices Using both qualitative and quantitative methods it explores the politics policies and individual experiences surrounding infant feeding Oakley shows that a failure to separate the issue of breastfeeding rights and support from problematic approaches to breastfeeding advocacy in both academic scholarship and public discourse has led to a deadlock that prevents groups from working together in support of breastfeeding without shaming Drawing on a feminist ethic of care Oakley develops a caring infant feeding advocacy This approach values the caring work done by parents and recognizes the benefits of this work for society It promotes policies supportive of parenting in general and breastfeeding in particular in order to remove barriers that present a challenge to some women who wish to breastfeed Caring infant feeding advocacy also works to promote the development of better alternatives for those who do not breastfeed

The Kelloggs Howard Markel,2018-07-10 2017 National Book Critics Circle Award Finalist for Nonfiction What s more American than Corn Flakes Bing Crosby From the much admired medical historian Markel shows just how compelling the medical history can be Andrea Barrett and author of *An Anatomy of Addiction* Absorbing vivid Sherwin Nuland The New York Times Book Review front page the story of America s empire builders John and Will Kellogg John Harvey Kellogg was one of America s most beloved physicians a best selling author lecturer and health magazine publisher founder of the Battle Creek Sanitarium and patron saint of the pursuit of wellness His youngest brother Will was the founder of the Battle Creek Toasted Corn Flake Company which revolutionized the mass production of food and what we eat for breakfast In *The Kelloggs* Howard Markel tells the sweeping saga of these two extraordinary men whose lifelong competition and enmity toward one another changed America s notion of health and wellness from the mid nineteenth to the mid twentieth centuries and who helped change the course of American medicine nutrition wellness and diet The Kelloggs were of Puritan stock a family that came to the shores of New England in the mid seventeenth century that became one of the biggest in the county and then renounced it all for the religious calling of Ellen

Harmon White a self proclaimed prophetess and James White whose new Seventh day Adventist theology was based on Christian principles and sound body mind and hygiene rules Ellen called it health reform The Whites groomed the young John Kellogg for a central role in the Seventh day Adventist Church and sent him to America s finest Medical College Kellogg s main medical focus and America s number one malady indigestion Walt Whitman described it as the great American evil Markel gives us the life and times of the Kellogg brothers of Battle Creek Dr John Harvey Kellogg and his world famous Battle Creek Sanitarium medical center spa and grand hotel attracted thousands actively pursuing health and well being Among the guests Mary Todd Lincoln Amelia Earhart Booker T Washington Johnny Weissmuller Dale Carnegie Sojourner Truth Henry Ford John D Rockefeller Jr and George Bernard Shaw And the presidents he advised Taft Harding Hoover and Roosevelt with first lady Eleanor The brothers Kellogg experimented on malt wheat and corn meal and tinkering with special ovens and toasting devices came up with a ready to eat easily digested cereal they called Corn Flakes As Markel chronicles the Kelloggs fascinating Magnificent Ambersons like ascent into the pantheon of American industrialists we see the vast changes in American social mores that took shape in diet health medicine philanthropy and food manufacturing during seven decades changing the lives of millions and helping to shape our industrial age **A Devil and a Good Woman, Too** Susan Millar Williams,2008-10-01 The first full scale biography of the South Carolina writer and winner of the Pulitzer Prize follows her pioneering work as a chronicler of the collapse of Southern plantation life and its effect on African Americans UP

Origin Story Howard Markel,2024-06-11 An Economist Best Book of 2024 A lively account of how Darwin s work on natural selection transformed science and society and an investigation into the mysterious illness that plagued its author By early morning of June 30 1860 a large crowd began to congregate in front of Oxford University s brand new Museum of Natural History The occasion was the annual meeting of the British Association for the Advancement of Science and the subject of discussion was Charles Darwin s new treatise fact or fiction Darwin a simultaneously reclusive and intellectually audacious squire from Kent claimed to have solved that mystery of mysteries introducing a logical explanation of the origin of species how they adapted even transmogrified through natural selection At stake on that summer s day of spirited debate was the very foundation of modern biology not to mention the future of the church Without fear of exaggeration Darwin s thesis would forever change our understanding of the life sciences and the natural world And yet the author himself was nowhere to be found in the debate hall instead he was miles away seeking respite from a spate of illnesses that had plagued him for much of his adult life In Origin Story medical historian Howard Markel recounts the two year period 1858 to 1860 of Darwin s writing of On the Origin of Species through its spectacular success and controversy Simultaneously Markel delves into the mysterious health symptoms Darwin developed combing the literature to emerge with a cogent diagnosis of a case that has long fascinated medical historians The result is a colorful portrait of the man his friends and enemies and his seminal work which resonates to this day *Literatim* Howard Markel,2020 In 1959 shortly before his death and while

reflecting over his roller coaster career as a Hollywood film director Preston Sturges who I write about more fully later in this book remarked the only amazing thing about my career is that I ever had one at all 1 The same might be said about my career as a physician and historian of medicine As a young boy some of my best companions were the characters I met on the pages of novels stories theatrical scripts and screenplays Fascinated by human stories contradictions both moral and physical and worlds so vastly different from my middle class suburban Detroit upbringing I was inspired to try my hand at writing some of my own tales In my teens I was an active participant in my high school's theatre program thankfully in an era when taxpayers still supported the arts as a critical part of the public school curriculum and wrote a series of incredibly bad plays Soon enough I was confronted by the decidedly difficult time I had in coming up with believable plots a serious handicap for any budding fabulist

La Leche League Jule DeJager Ward, 2000 In 1956 when La Leche League was founded if a new mother chose to breastfeed rather than bottlefeed her child she could by no means expect universal support for her decision Though physicians of the era admitted that breastfeeding was the best method

Children's Health Issues in Historical Perspective Cheryl Krasnick Warsh, Veronica Strong-Boag, 2006-01-01 From sentimental stories about polio to the latest cherub in hospital commercials sick children tug at the public's heartstrings However sick children have not always had adequate medical care or protection The essays in *Children's Issues in Historical Perspective* investigate the identification prevention and treatment of childhood diseases from the 1800s onwards in areas ranging from French colonial Vietnam to nineteenth century northern British Columbia from New Zealand fresh air camps to American health fairs Themes include the role of government and or the private sector in initiating and underwriting child public health programs the growth of the profession of pediatrics and its views on proper mothering techniques the role of nationalism as well as ethnic and racial dimensions in child saving movements normative behaviour social control and the treatment of deviant children and adolescents poverty wealth and child health measures and the development of the modern children's hospital This liberally illustrated collection reflects the growing academic interest in all aspects of childhood especially child health and originates from health care professionals and scholars across the disciplines An introduction by the editors places the historical themes in context and offers an overview of the contemporary study of children's health

The Secret of Life Howard

Markel, 2021-09-21 An NPR Best Book of the Year An authoritative history of the race to unravel DNA's structure by one of our most prominent medical historians James Watson and Francis Crick's 1953 discovery of the double helix structure of DNA is the foundation of virtually every advance in our modern understanding of genetics and molecular biology But how did Watson and Crick do it and why were they the ones who succeeded In truth the discovery of DNA's structure is the story of five towering minds in pursuit of the advancement of science and for almost all of them the prospect of fame and immortality Watson Crick Rosalind Franklin Maurice Wilkins and Linus Pauling Each was fascinating and brilliant with strong personalities that often clashed Howard Markel skillfully re-creates the intense intellectual journey and fraught personal

relationships that ultimately led to a spectacular breakthrough But it is Rosalind Franklin fiercely determined relentless and an outsider at Cambridge and the University of London in the 1950s as the lone Jewish woman among young male scientists who becomes a focal point for Markel The Secret of Life is a story of genius and perseverance but also a saga of cronyism misogyny anti-Semitism and misconduct Drawing on voluminous archival research including interviews with James Watson and with Franklin's sister Jennifer Glynn Markel provides a fascinating look at how science is done how reputations are undone and how history is written and revised A vibrant evocation of Cambridge in the 1950s Markel also provides colorful depictions of Watson and Crick their competitiveness idiosyncrasies and youthful immaturity and compelling portraits of Wilkins Pauling and most cogently Rosalind Franklin The Secret of Life is a lively and sweeping narrative of this landmark discovery one that finally gives the woman at the center of this drama her due

An Anatomy of Addiction Howard Markel, 2012-07-03 Acclaimed medical historian Howard Markel traces the careers of two brilliant young doctors Sigmund Freud neurologist and William Halsted surgeon showing how their powerful addictions to cocaine shaped their enormous contributions to psychology and medicine When Freud and Halsted began their experiments with cocaine in the 1880s neither they nor their colleagues had any idea of the drug's potential to dominate and endanger their lives An Anatomy of Addiction tells the tragic and heroic story of each man accidentally struck down in his prime by an insidious malady tragic because of the time relationships and health cocaine forced each to squander heroic in the intense battle each man waged to overcome his affliction Markel writes of the physical and emotional damage caused by the then heralded wonder drug and how each man ultimately changed the world in spite of it or because of it One became the father of psychoanalysis the other of modern surgery Here is the full story long overlooked told in its rich historical context

Child Abuse and Day Care United States. Congress. House. Committee on Ways and Means. Subcommittee on Oversight, 1985

The

Over-Scheduled Child Alvin Rosenfeld, Nicole Wise, 2025-06-25 Do you find yourself asking Whose life is it anyway Parenting today has come to resemble a relentless to-do list Even parents with the best intentions strive to micro-manage every detail of their kids' lives and live in constant fear that their child will underperform in any area academic social athletic Lists and schedules meetings and appointments invade our every moment and the need to be the best dominates and undermines our own sense of self as well as our children's In their groundbreaking new book The Over-Scheduled Child renowned child psychiatrist Alvin Rosenfeld M.D. and longtime family issues journalist Nicole Wise combine personal and professional experience to take action against what they see as our overeager pursuit of perfection The clear comforting steps they prescribe to attack this rampant phenomenon will promote healthier and happier children and revitalize the parenting experience

Menckens Marion Elizabeth Rodgers, 2007 Here is the definitive biography of Menckens the most illuminating book ever published about this giant of American letters We see the prominent role he played in the Scopes Monkey Trial his long crusade against Prohibition his fierce battles against press censorship and his constant exposure of

pious frauds and empty uplift The champion of our tongue in The American Language Mencken also played a pivotal role in defining the shape of American letters through The Smart Set and The American Mercury magazines that introduced such writers as James Joyce F Scott Fitzgerald and Langston Hughes Telling It Like It Is Paul Bowden,2011-05-13 Telling It Like It Is is a collection of quotations that either give good advice or are useful truths Of course there will be quotations that you disagree with or don t identify with but with about 700 pages how could it be otherwise Taken as a whole though the book tries to present a coherent view of life that has honesty and integrity and is true Ultimately however you must decide for yourself whether each quote strikes a chord with you and whether all the quotes taken together present a picture of human affairs and behavior that you recognize and agree with Whatever your final opinion you will find this collection of quotations both fascinating and provocative **Joe Gans** Colleen Aycock,Mark Scott,2014-11-21 Joe Gans captured the world lightweight title in 1902 becoming the first black American world title holder in any sport Gans was a master strategist and tactician and one of the earliest practitioners of scientific boxing As a black champion reigning during the Jim Crow era he endured physical assaults a stolen title bankruptcy and numerous attempts to destroy his reputation Four short years after successfully defending his title in the 42 round Greatest Fight of the Century Joe Gans was dead of tuberculosis This biography features original round by round ringside telegraph reports of his most famous and controversial fights a complete fight history photographs and early newspaper drawings and cartoons *The Cumulative Book Index* ,1990 A world list of books in the English language
