The Hanging At Bahia Mar:

The Hanging at Bahia Mar Hal M. Caudle, 1975-09-01 **Murder in the Tropics** Stuart B McIver, 2015-10-17 Here is the first statewide collection of true Florida murders and as the saying goes truth is stranger than fiction The Sunshine State has played host to a memorable and varied array of crimes of passion greed and revenge In stories spanning from the 1860s to the 1990s you will meet such varied characters as Lena Clarke a killer with both her feet planted in a dozen bewildering worlds Terry Jo the Sea Waif Chief Tigertail the outlaw Ed Watson Blue the Enforcer President Franklin Roosevelt the Duke of Windsor novelist Zora Neale Hurston Lobster Boy the Gulf Stream Pirate Brother Gillette a gentle Shaker who killed out of compassion and Pensacola's Black Widow a Spider Woman who killed without mercy Next in series See all of the books in this series **The Book Lover's Guide to Florida** Kevin M. McCarthy, 1992 Here is the book lover's literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher **Twenty Florida Pirates** Kevin M McCarthy, 2015-10-17 Blackbeard Jose Gaspar Jean Lafitte the names conjure up a romantic swashbuckling figure with a black patch over one eye a cutlass in his teeth and a brace of pistols tucked into his waistband Actors such as Errol Flynn did much to create that devil may care attitude glamorized on the silver screen but in fact real pirates were not so admirable for the most part they were cruel greedy dastardly brigands many of whom were slave traders or smugglers in addition to being pirates Still we continue to be fascinated by their lives and exploits perhaps because they led such adventurous lives full of bravery recklessness and daring It is certainly more enjoyable and safer to read about pirates than to encounter one This book chronicles the lives and times of 20 notable Florida pirates from the English privateers of the 1500s to present day drug smugglers and yachtjackers Pirates have always found easy prey in the seas around Florida not only did the treasure laden ships on their way back to Europe have to sail close to Florida's shores to catch the currents east but the treacherous Florida Reef foundered many a ship making easy pickings Most of what we know about pirates comes from Navy records newspaper accounts or eyewitness statements from those whom the pirates spared This book distills the most interesting facts from many sources into a book that will be enjoyed by anyone interested in a different perspective on Florida's history **The Mammoth Book of Gangs** James Morton, 2012-04-19 A fresh new look at gangs in every part of the world which deliberately avoids the stories that have been done to death about Capone Dillinger Bonnie and Clyde and focuses on less well known gangs such as Ma Barker's Boys the Smaldones of Denver Scotland Yard's 1960s Flying Squad the so called Firm within a Firm Dr Death the Melbourne drug dealer and Andre Stander the former South African police

officer who led a gang of bank robbers before being shot dead in Fort Lauderdale having fled a 17 year sentence Pirates of Southwest Florida James F. Kaserman, 2007 Presents the history of piracy and smuggling along the hundreds of miles of Southwest Florida's coast from the early 17th century to the present day and the pirates that gave their names to various locales along the coast River Currents ,1972 Seychelle Collection Christine Kling, 2012-10-08 The Seychelle Collection Boxed Set Books 1-4 brings readers the opportunity to buy the entire Seychelle Sullivan series at one low price Seychelle Sullivan inherited the Sullivan Towing and Salvage Company from her father and to survive on the waterfront she's had to become a kick ass captain and one tough woman When boats break down wreck or call for help Seychelle and her tug Gorda are on the scene Accidents do happen but in South Florida when somebody dies at sea all too often it is murder Book 1 SURFACE TENSION On a steamy Florida morning Seychelle is answering a Mayday call launched from the five million dollar Broward yacht called Top Ten Seychelle has a personal stake in this rescue her former lover Neal Garrett is the yacht's hired skipper But being the first to reach Top Ten leads to a bloody payday A beautiful woman has been stabbed to death onboard And Garrett is nowhere to be found To find out what really happened to Neal Garrett Seychelle must retrace his last steps through two murders and a horrific crime wave to a final confrontation with someone who may want to kill her or be her salvation Book 2 CROSS CURRENT For Seychelle Sullivan life is all about making a living making love and keeping her eye on the beauty that still remains in her beloved Florida Then her life takes a turn when her tug intercepts with a swamped fishing boat in the Gulf Stream Inside the boat are a murdered woman and a little girl in a white dress Seychelle returns to shore with a traumatized Haitian girl named Solange Determined to protect Solange and somehow keep her from being sent back to Haiti Seychelle becomes obsessed with the forces that nearly killed the girl To get the answers she needs Seychelle must return to where it all started in the waters of the Gulf Stream where people died for their dreams of freedom and a man with a machete did the work of the devil himself Book 3 BITTER END The third book in the Seychelle Collection is loosely based on the real South Florida murder of Greek immigrant tycoon Gus Boolis once the owner of South Florida's Sun Cruz Casino Gambling boats Seychelle didn't see the sniper who picked Nick Pontus off at the helm of his yacht but she knows that there are plenty of people in South Florida who wanted to see the gambling boat tycoon dead the Russian mobsters looking for a piece of his casino action the Indian gamers who resent his competition and the ecological activists fighting his plans to develop Fort Lauderdale's waterfront But it's Molly Seychelle's former childhood best friend and Nick's ex wife whom the cops zero in on And despite her bitter feelings and against her better judgment when her back from the blue friend asks for help Seychelle can't just weigh anchor and cruise She's got to dive in Book 4 WRECKERS KEY In the 1800s Key West was built by wrecking skippers who in feats of derring-do raced to shipping disasters to save valuable cargoes from the ocean depths Today as too many boats chase too few wrecks salvage has turned into a cutthroat corporate enterprise And when a friend is killed Seychelle begins to suspect a chilling scenario that modern day wreckers are causing yachts to crash onto the

reefs and killing off whoever gets in the way Nestor Frias was piloting a billionaire's luxury power yacht on its maiden voyage when it ran aground A few days later Frias was dead His eight months pregnant widow is distraught and a host of questions surround both Frias's death and the ship's accident When another man dies while asking questions Seychelle navigates the dangerous shoals and channels of the case and her life unaware that a greater danger is looming a murderous human storm designed perfectly for her

Yachting, 1992-11

Popovers and Candlelight Marcia Biederman, 2018-09-10 Recounts the true story of an entrepreneurial woman who succeeded in a male dominated industry in the twentieth century What would you do with your last sixty dollars If you were Patricia Murphy you'd turn it into a fortune by buying a rundown Brooklyn diner On the cusp of the Great Depression the diner became an overnight sensation the first of nine popular Patricia Murphy's Candlelight Restaurants that opened over the course of four decades in New York and Florida Popovers and Candlelight recounts how Murphy bucked Mad Men era sexism in a male dominated field and created remarkable dining experiences with solid American fare a talented staff and eye popping decor Dripping in diamonds she transcended ethnic prejudices to become a socialite and built a brand that sold fragrance as well as food Mutinous siblings a desperate manager and a typhoid outbreak brought it all to an operatic end but Marcia Biederman restores Murphy and her contributions to their proper place in women's and culinary history This book will delight readers with its rags to riches story and fascinating view of class gender ethnicity and food culture during much of the twentieth century An impressive accomplishment on many counts Biederman describes an important but forgotten chapter in mid century restaurant history portrays an outsize Mildred Pierce like personality and gives a memorable sense of postwar populuxe suburbia Paul Freedman author of Ten Restaurants That Changed America
