The Heart of the Social Drinker Oswald B. Tofler, 1985-01-01 *Nicotine, Caffeine and Social Drinking: Behaviour and Brain Function* Monique Lorist, Jan Snel, 2013-12-19 Often people use nicotine caffeine and some level of alcohol in varying combinations at different times of the day in order to optimize their functioning and feelings of well being whether at work in leisure time or in a social context However until now studies on the effects of this everyday practice have been diverse widespread and insufficiently summarized Recently developed methods to study the effects in more detail have received little attention especially among a nonscientific readership Nicotine Caffeine and Social Drinking focuses readers attention on the effects of normal socially accepted psychoactive substances on cognitive performance and on the brain Divided into three sections this book studies each substance individually before examining the effects of their combined usage **The heart of**

Heart John Claypool, 1999-01-25 In three meditations John Claypool speaks eloquently of the wounds all of us carry through life the wounds of grievance guilt and grief and how they can be healed The wound of grievance comes from our suffering at the hands of others we are pierced by guilt when we inflict pain in return and we suffer grief when we are hurt by loss By anecdote and personal example Claypool helps us see that all these wounds can eventually be healed through the gifts of insight forgiveness and gratitude With the help of scripture and Claypool s own pastoral wisdom Mending the Heart is a powerful tool for reflection Each meditation begins with verses from the psalms and ends with a prayer This book is a wise resource for pastors and caregivers especially in times of crisis and bereavement but its simplicity and insight also make it a good guide to prayer and discernment as well as a fine gift book Mending the Heart is the fourth in our series of Cloister Books smaller format gift edition books designed for meditative and devotional reading Alcohol and the Heart in
