**The Night Guard at the Wilberforce Hotel** Daniel Anderson, 2014-04-21 In his third collection of poems Daniel Anderson ponders and celebrates the images sounds and tastes of contemporary life The poems in The Night Guard at the Wilberforce Hotel navigate the evanescent boundaries between the public and the private self Daniel Anderson's settings are often social but never fail to turn inward drowning out the chatter of conversation to quietly observe the truths that we simultaneously share and withhold from one another even as we visit friends celebrate a young couple's union or eavesdrop on the conversations of others These twenty poems include meditations on teaching hungover undergraduates wine tasting among snobs and engaging the war on terror from the comfort of the suburbs They are alternately driven by ornamental language that seeks to clarify and crystallize the beauties of our common world and the poet's faith that fellowship ultimately trumps partisanship Even as they weigh and measure the darkness of the heart and the sometimes rash and stingy movements of the mind the poems refrain from pronouncing judgment on their characters As much as they ponder they also celebrate in exact careful and loving terms the haunting and bracing stimuli from which they originate

**The View We're Granted** Peter Filkins, 2012-08-15 These poems consider large events such as 9/11 and the Holocaust as well as everyday concerns like quilting ice skating or the beauty of a stand of sugar maples in winter Co Winner of the Sheila Motton Book Award of the New England Poetry Club In the pivotal poem Marking Time which appears almost exactly halfway through Peter Filkins's fourth collection of poetry the speaker reflects on the death of a sibling and how time is marked by our memories These memories these moments whether spent contemplating a painting by Vermeer or the simple toss of a bean bag ultimately shape who we are Yet you are with me here with me here again where neither that moon nor you exist but live tethered to this memory composed of words These are poems unafraid to be graceful and engaging They attain an assurance and stability rare in contemporary poetry while

their careful balance of sadness and joy reminds the reader of the difficult negotiations we make in life **Deep Gossip**  
 Sidney Wade, 2020-04-07 A great and frequently subversive book by a lyric poet at the height of her craft Throughout her  
 seven critically acclaimed collections Sidney Wade has established herself as a poet with a serious but light touch capable of  
 the clarity and inventiveness it takes to work a problem to both pleasure and resolution Playing with and challenging form in  
 all directions the 27 new and 96 selected poems in *Deep Gossip* bristle with a sly wit that trips and delights the reader  
 Inspired by landscape language music and living things as well as the occasional bout of political outrage *Deep Gossip* is a  
 smart collection Praise for *Other Books* by Sidney Wade The quick closely observed poems in Sidney Wade's beguiling *Bird*  
*Book* move from page to page like their subjects in flight on air a murmur sweeping across the horizon William Souder  
 Sidney Wade's linguistic and philosophical turns in *Bird Book* confirm that she is both the supreme heir to Wallace Stevens  
 and one of the most original poets in the language Randall Mann This is a beautiful wise and timely collection Daniel  
 Anderson As impressive and thrillingly exact as these poems are concerning matters ornithological it is the exquisite music  
 earth sprung bright and resonant of Wade's radically short line that so enchants me the free play of interlinear rhyme  
 phonemic harmonies and small bursts of metrical rhythms that yield more vitality and delight than any gathering of poems I  
 have encountered in a very long time B H Fairchild Her poems are a particular and splendid instance of what Hopkins meant  
 by poetry proper the language of inspiration Richard Howard *Pure Products of America, Inc.* John Bricuth, 2015-11-15  
 The poetic life and times of Big Bubba equal parts charismatic trickster and tent revival preacher This propulsive narrative  
 poem tells the extended story of the popular born again televangelist Ray Bob Elray better known to all his fans as Big Bubba  
 his twin sons Nick and Jesse and his niece and adopted daughter Donna The comic tragedy of Big Bubba's family begins to  
 unfold when he is interviewed by an old friend country radio disc jockey Charlie Printwhistle Bubba has come to Waco Texas  
 to preach a revival but soon reveals to Charlie much about his complicated relationship with his family his ambitions for the  
 ministry his faith healing and his most recent venture with Pure Products of America Inc which produces and endorses  
 anything pure from Bibles to jelly preserves for a whopper of a fee of course Structured as a verse play of two acts composed  
 of three scenes each Pure Products of America Inc follows the unwinding of Bubba's legacy as his heirs fall out and his  
 already slippery relationship with religion is tested by genuine grief Along the way master poet John Bricuth treats readers to  
 a sly sarcastic and sometimes deeply moving look at storytelling old time religion and the American way **Imago** Brian  
 Swann, 2023-03-28 An exuberant collection of poems celebrating art nature and humanity This various and vital poetry  
 collection in rich language and sharp detail spans the rural and urban country and town and foreign and domestic Tracing  
 the vagaries of the self these poems record and transmute biography from an English youth to the trials and challenges of  
 aging in America Memorable for its exuberant voice and exacting eye Brian Swann's *Imago* is awake to the natural world as  
 well as the world within From the half page title poem to the multi section Elegiac this volume is striking in its largeness its

tone evolving from self indicting to ecstatic and self transcendent This collection the author s fourteenth is moving both as art and as testament Imago unfolds much like a piece of music It is a continuum by which Swann sees nature and art interwoven in the ways they emerge and change In Grief and Magritte Swann muses upon all of us snagged in a net whose skeins tangle in night sky where one star dreams another The title poem focuses on an insect on its way through the changes the patterns of what led up to it the catches and releases saying now and now till splitting down the back such changes release what was always there Brian Swann s poems moving in their candor read as though they have always been there too

**In Late Light** Brian Swann,2013-05-15 From a stone to fireflies from childhood to growing old Brian Swann s poems contemplate the moments and individual objects that create a whole life and our relationship to them There is a clearing by a certain stone where images flow and are worth stopping for I have stayed there almost all day in silence until night remembered what belonged to it and its shadows started to take back its own I ve found it hard to walk away as starlight infused daisies and the stone itself began to feel like a star so although what I have done with my life may not be much for a while it seemed to be in line The poems of In Late Light situate objects and experiences both large and small concrete and abstract within Brian Swann s perspective of the natural world Sixty two poems presented in four sections explore his life from early days to the present evoking friends and family on two continents His sharp bright imagery affirms the unique beauty of our world and explores its invisible mysteries

**The Run of the House** Wyatt Prunty,1993-05-01 The word of Wyatt Prunty has been acclaimed by critics and poets alike In this latest book of poems Prunty finds beauty and violence mystery and humor in a variety of private and public worlds
