

Dissolving Salt in Water

CHEMICAL CHANGE OR PHYSICAL CHANGE?

VALID ARGUMENT FOR BOTH SIDES

Chemical Change

Dissolving salt may be written as a chemical equation. New products are formed, so a chemical reaction occurs.

Physical Change

Salt doesn't react with the solvent (water), so no chemical reaction occurs. If you remove the solvent, the original compound remains.

In Search of Joshua King Jason Kalaus, 2014-06-09 Joshua King spends his nights sitting on different stools in different bars listening to music that reminds him of the days and more importantly the people he has lost. He only has one person left in his life. Liam, his best friend, has been with him from day one and he may be the last reason for Joshua to hold onto the bar. He's sitting in front of it. He's stuck in a cycle of always searching the past for answers to his present state and looking for the one thing that will help him stop looking back and help him break free from his cycle of bars and lonely nights. Joshua is the only one who can see himself. No one around is let in to see what he really looks like. *In Search of Joshua King* examines the cracks that occur in a person when divorce becomes his earliest childhood memory. Songs play throughout as a soundtrack to Joshua's life and as a navigation tool that reveals how the divorce of his parents affected both him and the relationships that he so desperately clings to. His primary escape is to find a bartender who is willing to fill his glass for him and let him forget about everything he has lost in life, including his two loves.

Gender Un/Bound Susanne Gannon, Ampersand Press, Jayne Osgood, 2024-12-11 This collection is focused on the possibilities for unbinding people from gendered expectations in and around educational spaces and accounts for the ways gender is reconstituted in and through education. This book presents a broad interpretation of gender of what education might mean and where educational experiences manifest. It explores more conventional schooling spaces to communally generated inclusive spaces, families and marginalised sites where gender is realised and contested. Alongside more familiar framings the book incorporates decolonial and Indigenous contestations, theoretical innovations and methodological experiments that pry open the ways that gender binds and limits individuals. The chapters are organised in smaller conceptual clusters offering multiple and overlapping reading paths according to the interests of the reader. A mapping of clusters and potential reading paths is included at the opening of the book designed for instructors to expand course content. Written to enrich reading for preservice teacher education students and to challenge researchers, postgraduate and doctoral candidates, this book provides essential new perspectives on gender education and the various ways in which they are unbound together and apart.
