**Wild Child** Wallace J. Nichols, Wallace Grayce Nichols, 2022-08-09 From authors Wallace J Nichols and Wallace Grayce Nichols and illustrator Drew Beckmeyer *Dear Wild Child* is a picture book inspired by a letter from a father to his daughter about wildfire loss and learning that we carry our homes inside us wherever we go In the shade of ancient redwood trees by a creek not far from the ocean a father builds a house for his newborn daughter where she grows up wild and strong in their coastal canyon home When a wildfire takes back their beloved house he writes his now grown daughter a letter telling her it's gone Inspired by the real letter the author wrote his daughter this poignant story written together by father and daughter joyfully declares that a home is more than just wood and stone it is made of love and can never be taken away You carry home with you wherever you go The art echoes the text's emphasis on beauty rather than loss In the event's aftermath the affecting story's tone remains openhearted concluding with sentiments that encourage resilience and reflect on the nature of home Publishers Weekly Includes a note from the authors on climate change **Going Places** Robert Burgin, 2013-01-08
