**on Napoleon (Complete)** John Ashton,2020-09-28 Curiously enough it has never been practically settled whence the ancestors of Napoleon Bonaparte came He himself cared little for the pride of birth and when during his Consulate they manufactured for him a genealogy descending from a line of kings he laughed at it and said that his patent of nobility dated from the battle of Montenotte But still one would think he ought to know for family tradition is strong and if it can be trusted this is his own account One day Napoleon questioned Canova about Alfieri and Canova found an opportunity to render an important service to Florence c Sire said he authorise the President of the Academy of Florence to take care of the frescoes and pictures I heartily wish it That will reflect great honour on your Majesty who I am assured is of a noble Florentine family At these words the Empress Maria Louisa turned towards her husband and said What are you not Corsican Yes replied Napoleon but of Florentine origin Canova then said The President of the Academy of Florence the Senator Allessandria is of one of the most illustrious houses in the country which has had one of its ladies married to a Bonaparte thus you are Italian and we boast of it I am certainly added Napoleon Prince Napoleon Louis Bonaparte brother to the Emperor published in 1830 at Florence a French translation of an old book about the sack of Rome 1527 which gives an account of the family of the writer But Majorca also puts in a claim to the older Bonapartes and in 1852 Don Antonio Furio a learned man Member of the Royal Academies of Belles Lettres of Barcelona and Majorca and quotes from a book kept in the archives of Palma in which are preserved the armorial escutcheons of the noble families of the Island the arms of Bonapart which were Dexter on a field Azure six stars Or placed two by two Sinister on a field gules a lion rampant Or and the Chief Or bears a scared eagle sable He says the family came from Genoa to Majorca in which island its members were considered noblemen and they filled several distinguished offices In a register of burials relating to knights and gentlemen written in 1559 the antiquity and nobility of the Bonaparts are clearly authenticated and it would seem from Don Furio s account for all of which he gives chapter and verse that the learned jurisconsult Don Hugo Bonapart left Majorca and went to Corsica where in 1411 he was made Regent of the Chancery of that place and as he settled there his name was inscribed in the Golden Book of France

*Wrestliana* Toby Litt,2018-05-03 Toby Litt s father wanted him to find about their ancestor William Litt a champion Cumberland Wrestler William was one of the greatest ever kings of the green a man who reigned undefeated in one of the nineteenth century s most popular sports taking home over 200 prize belts William had other talents as well He was almost certainly a smuggler and definitely published poet and novelist But Toby knew that coming to terms with him would be hard A huge and fascinating man William was also troubling He ended his life in poverty and exile And as well as having to measure himself up against this apparent paragon of masculinity Toby would have to uncover uncomfortable memories and hard truths Would Toby like what he found out about himself along the way As a novelist as a son and as a father in turn Would he have to get in the wrestling ring Would he even want to Using the nineteenth century as a guide *Wrestliana* asks vital questions about modern day masculinity competition and success It is a beautiful portrait of two men and their different worlds full of surprises and sympathy and a wonderful evocation of a lost place and time
