The Smell of Matches John Stone, 1972 Chicorel Index to Poetry in Anthologies and Collections in Print Marietta Chicorel, 1974 *Recognitions* Carol C. Donley, Martin Kohn, 2002 Carol Donley and Martin Kohn believe that physicians stand at a unique vantage point as observers of the human condition In this text contributors attempt to prove this assertion through their prose on topics as diverse as the clashes between forces of creation and destruction institutional economic survival conflicts between genders and generations balancing of primary care with specialization issues of race and class cultural displacement and the influence of William Carlos Williams on doctors and writing The stories and essays in the collection provide a deeper understanding of the complex emotions and feelings of the men and women who every day hold life in their hands Yellow Shoe Poets George Garrett, 1999-10-01 Since 1964 when Louisiana State University Press published its inaugural book of verse Miller Williams's *A Circle of Stone* its poetry list has grown exponentially 191 books by 93 poets into a program that inspires understandable pride in those associated with it Two collections have won the Pulitzer Prize *The Flying Change* 1986 by Henry Taylor and *Alive Together* 1996 by Lisel Mueller Another book by Mueller *The Need to Hold Still* 1980 won the National Book Award while several other LSU titles have been finalists for that distinction most recently *The Fields of Praise* 1997 by Marilyn Nelson and *The Vigil* 1993 by Margaret Gibson Dozens more have been recognized for their excellence through a host of various honors The Press publishes the winner of the annual Walt Whitman Award given by The Academy of American Poets for a first collection and in 1996 it launched the *Southern Messenger* series in collaboration with Dave Smith bringing two shining works into the fold each year The appearance of *The Collected Poems* of Robert Penn Warren in 1998 meant for the Press the realization of a long dearly held dream To mark this thirty five year old tradition as the century and millennium turn and to offer a sampling of its richness *The Yellow Shoe Poets* a retrospective anthology was compiled under the editorship of George Garrett a longtime colleague of the Press and the author of eight poetry volumes Say the LSU poets real fast with a southern drawl and you get the ridiculously wonderful moniker that poet Elizabeth Seydel Morgan's young friend innocently mistook for this noble band It's an image Brendan Galvin has appropriated to a perfect fit in his poem *Yellow Shoe Poet* written on behalf of his fellow yellow shoes across the years All 173 poems are taken from LSU Press books and were selected by the poets themselves if living Arranged alphabetically by author they consist of at least one poem from every poet published by the Press Goethe's admonition that one ought every day at least to read a good poem can find no better starting point than in *The Yellow Shoe Poets* *Where Water Begins: New Poems and Prose* John Stone, 1998 **Poetry** Harriet Monroe, 1988 *Visiting Dr. Williams* Sheila Coghill, Thom Tammara, 2011-06 Loved for his decidedly American voice for his painterly rendering of modern urban settings and for his ability to re imagine a living language shaped by the philosophy of no ideas but in things William Carlos Williams 1883 1963 left an indelible mark on modern poetry As each successive generation of poets discovers the new that lives within his work
