Smokescreens And Searchlights:

Smokescreens and Searchlights Bill Guy, 2003 A mining company exploiting a gold deposit in Central Australia cuts corners on its environmental protection procedures and as a result a poisonous seepage contaminates a nearby water hole Two boys are poisoned by swimming in the water hole and one of them dies The Blocking of Zeebrugge Stephen Prince, 2012-02-20 On the night of 22 23 April 1918 the Royal Navy carried out a raid on the German held ports of Zeebrugge and Ostend Operation Z O Under the cover of clouds and smoke over 70 ships and an assault force of 1 800 Royal Marines embarked on a daring mission which involved a vicious battle of incredible intensity However despite the gallant and courageous efforts of the attackers 11 of whom were later awarded the Victoria Cross the raid was only partly successful Discover the successes and failures of this dramatic raid in this in depth account complete with specially commissioned battlescene artwork The author reveals how despite failure the raid demonstrated to Germany that Britain was still capable of offensive action even as its armies were being forced back Chemical Warfare Bulletin , Enemy Tactics in Chemical Warfare United States. War Department. Military Intelligence Division, 1944 The purpose of this study is to state and explain what is known about enemy theories of the use of chemical agents in battle and the methods of applying them so that we may understand his actions and anticipate his movements The tactical principles discussed and the technical processes described should not be mistaken for those of the United States Army although many close similarities are apparent It is not intended in the least to suggest methods of employing our own chemical warfare troops except so far as knowledge of the enemy may contribute to effective counteraction *Rising Sun, Falling Skies* Jeffrey Cox, 2014-03-20 Following the attack on Pearl Harbor the Japanese offensive in the Far East seemed unstoppable Allied forces engaged in a futile attempt to halt their rapid advance culminating in the massed fleet of American British Dutch and Australian forces ABDA clashing with the Japanese at the battle of the Java Sea the first major sea battle of World War II in the Pacific But in a campaign crippled by poor leadership and disastrous decisions the Allied response was catastrophic losing their largest warships and their tenuous toe hold in the south Pacific within the first 72 hours of the battle This defeat left ground troops cut off from reinforcement and supply with obsolete equipment no defense against endless Japanese air attacks and with no chance of retreat However although command decisions were to condemn the Allies to defeat the Allied goal was never an outright victory simply a delaying action Facing a relentless and thoroughly vicious enemy the combined forces responded not by running or surrendering but by defiantly holding on in a struggle that was as much a test of character bravery and determination as it was a test of arms ultimately costing the Allies ten vessels and the lives of 2 100 brave sailors In *Rising Sun Falling Skies* Jeffrey Cox examines the events and evidence surrounding the Java Sea Campaign reconstructing battles that in hindsight were all but hopeless and revealing where fatal mistakes and missed opportunities condemned the Allied forces in an insightful and compelling study of the largely overlooked clash in the Java Sea *Special Series* United States.
