waging wars unnecessarily to make nationalized resources like oil available and cheaper in the process killing thousands of women and children How can they preach about global peace as the reasons for waging wars and claim to act for global peace s sake when they kill innocent women and children I ask you a question What peace Whose peace What about the peace of the women and children who died and are still dying because of wars sanctions and poverty For TWO global peace start with these The women and children dying needlessly as your leaders wage wars impose evil sanctions and ignore poverty warnings Therefore our system is there to increase national and global wealth to levels never witnessed before through printing money as the only effective and only means of guaranteeing new fresh money and a guaranteed boost of the economy the only way it is intended We have an effective way to tackle hyperinflation Our system is the only answer and the only way to solve global problems Imagine a world without Wars as we are going to put laws that effectively ban global wars forever Weapons we are going to ban weapons manufacturing trading and possession globally Fossil fuels we believe the past wars were waged for oil resources as there were global affordability issues Innocent women and children have died needlessly due to oil resources and we are going to put an end to that and ban oil and make it mandatory and encourage other alternate clean cheaper and affordable energy sources like electricity All vehicles and machinery using fossils to be banned by a certain date and phased out Needlessly killing of women and children banned through new laws Brand new laws to ban and make it illegal and a crime to kill the innocent and defenseless New laws to protect soldiers and the military personnel as well Laws banning sanctions globally Sanctions and terrorists acts are one and the same thing you can t ban one and allow the other as the methods and aims are the same So sanctions are banned globally with immediate effect The only way to deal with global issues is to put a Five Year Continuous Money Printing Plan that will see increases in global wealth Printing new fresh money is the only solution to all global issues and we have a system that works that will deal with all issues of hyperinflation etc This is the only method that works but it s not just a matter of printing new money we have a comprehensive system that will tackle all other issue regarding the printing of new fresh money corruption mismanagement hyperinflation etc Only our system provides concrete solutions We mean business Imagine a world where every nation has enough money to buy any resources at market prices A World Without Weapons A World Without Wars A World Without Sanctions A World Without Deaths of Women and Children Through Wars Sanctions and Poverty A World Where We Are Networking and Cooperating A World Where There Are No Boundaries A World That Is Very Competitive and Productive A World Without Polluting Fossil Fuels or High Noise Vehicles A Clean World A New World Order A Completely New System One That Works and Solves Issues Like Global and National Debt A New Beginning A New World A New Challenge I am Ready Are You Ready JOIN US TODAY BUY AND READ TODAY Change Is Imminent and Inevitable TOMORROW S WORLD ORDER Your Future Your Say A Huge Investment For You Too Buy Our Currency A Global Currency A Great Investment
