Isaac Watts Graham Beynon, 2016-10-20 Isaac Watts was an important but relatively unexamined figure and this volume offers a description of his theology specifically identifying his position on reason and passion as foundational The book shows how Watts modified a Puritan inherence on both topics in the light of the thought of his day In particular there is an examination of how he both took on board and reacted against aspects of Enlightenment and sentimentalist thought Watts position on these foundational issued of reason and passion are then shown to lie behind his more practical works to revive the church Graham Beynon examines the motivation for Watts work in writing hymns and the way in which he wrote them and discusses his preaching and prayer In each of these practical topics Watts's position is compared to earlier Puritans to show the difference his thinking on reason and passion makes in practice Isaac Watts is shown to have a coherent position on the foundational issues of reason and passion which drove his view of revival of religion The Hymn ,1998 Selected Poems Isaac Watts, 1999 Presents a selection of Watt's poetic compositions aiming to show that he was an artist as well as an enthusiast scholar and populariser His work spells out a religion free of sourness and without affectation His rhetoric is bold natural and full of joy Forthcoming Books Rose Arny, 1997 **Spades & Pruning Hooks** Joe Allison, Joseph D. The fifth edition corrected Isaac Watts,1730 A Guide to Prayer Isaac Watts,2014-01-06 Prayer is so great and necessary a part of religion that

every degree of assistance in it will be always acceptable to pious minds The inward and spiritual performance of this worship is taught us in many excellent discourses but a regular scheme of prayer as a Christian exercise or a piece of holy skill has been much neglected. The form method and expression together with other aspects of it such as voice and gesture have been so little treated that few Christians have any clear or distinct knowledge of them Yet all these have all too powerful an influence upon the soul in its most spiritual exercises and both nature and Scripture provide various directions about them Now while institutes of logic and rhetoric abound that teach us to reason aright and to speak well among men why should the rules of speaking to God be so little taught Gospel Herald ,1915 The Congregationalist, 1925 **Presbyterian Social Psalmodist** Presbyterian Church in the U.S.A.
