Novel Violence Garrett Stewart, 2009-08-01 Victorian novels Garrett Stewart argues hurtle forward in prose as violent as the brutal human existence they chronicle In *Novel Violence* he explains how such language assaults the norms of written expression and how in doing so it counteracts the narratives it simultaneously propels Immersing himself in the troubling plots of Charles Dickens Anne Bront George Eliot and Thomas Hardy Stewart uses his brilliant new method of narratography to trace the microplots of language as they unfold syllable by syllable By pinpointing where these linguistic narratives collide with the stories that give them context he makes a powerful case for the centrality of verbal conflict to the experience of reading Victorian novels He also maps his finely wrought argument on the spectrum of influential theories of the novel including those of Georg Lukács and Ian Watt and tests it against Edgar Allan Poe's antinovelistic techniques In the process Stewart shifts critical focus toward the grain of narrative and away from more abstract analyses of structure or cultural context revealing how novels achieve their semantic and psychic effects and unearthing in prose something akin to poetry

The Conductor of Illusions Metin Arditi, 2014-04-21 Alexis Kandilis is an international conductor at the height of his profession He receives standing ovations at every concert and wildly enthusiastic reviews from the media Yet on a personal level he is deeply unfulfilled Mahler's haunting *Song on the Death of Children* plays over and over in his mind bringing back ugly childhood memories he can't erase A strange collection of not quite true friends and not really beloved family surrounds him his mother Clio who forced him to abandon his dreams of composing for a more prestigious career as a conductor his wife Charlotte whom he despises and frequently betrays his bisexual friends Pavlina and Tatiana Sacha a young and talented Russian flutist and Ted his agent who has booked or overbooked him for the next three seasons They all provide some measure of reassurance but it is easy to predict that Kandilis's glorious world will soon shatter The media takes advantage of an altercation between Kandilis and a percussionist during a rehearsal to attack him condemning not only his action but also his unorthodox methods After a panic attack before a concert he makes an unforgivable mistake during a performance and as a result he is denied the direction of the most prestigious performance of the decade In his private life things are also falling apart Sacha introduces him to an exclusive poker club made up of multimillionaires but his new rich friends begin to distance themselves from him as he becomes increasingly difficult until even his manager recommends that he take some time off Used to being a winner Kandilis starts gambling and losing heavily His disintegration accelerates and at last he enters a psychiatric hospital He still has some friends he can count on but even the most loyal among them can't protect him against himself On his descent into hell he discovers but cannot avoid the darkness that is in all hearts including his own
