So I Have Been:

So I've Been Thinking Judy Marano, 2024-09-19 Are you the kind of person who notices the small and not so small events that occur around you as you make your way through life Or do you put your blinders on and try to go through your day checking off the to do list What if instead of just moving through your day you found a moment to stop notice and ask yourself What can I learn from this So I've Been Thinking is a series of stories about everyday life experiences Although we are individuals at the core of our being we share the same pride in our families traditions passed from generation to generation and the ups and downs of life There is an unseen web that connects each of us together While reading you might find the corners of your mouth begin to rise perhaps a laugh will slip through or a tear will slide down your cheek Although the details may be different the daily lessons we can gather from even the smallest interactions can be very similar Each of the tales in this book is taken from the experiences of the writer with the permission of her friends and family Of course everybody recognizes themselves Yet every reader that picks up this book will find the story or stories that were written just for them This is not a self help book However it is a book about life yours mine and ours While reading this book the writer hopes that you will discover new ways to cherish your life and find moments filled with joy So You've Been Publicly Shamed Jon Ronson, 2015-12-31 Celebrating Fifty Years of Picador Books Jon Ronson's captivating and brilliant exploration of one of our world's most underappreciated forces shame It's about the terror isn't it The terror of what I said The terror of being found out The rise of social media has seen a great renaissance in public shaming Justice has been democratized The silent majority are getting a voice But what are we doing with that voice We are mercilessly finding people's faults and defining the boundaries of normality by ruining the lives of those outside it We are using shame as a form of social control Simultaneously powerful and hilarious in the way only Jon Ronson can be So You've Been Publicly Shamed is a deeply honest book about modern life full of eye opening truths about the escalating war on human flaws and the very scary part we all play in it This edition features a new chapter and interview with perhaps the most famous public shaming victim of all Monica Lewinsky Part of the Picador Collection a series showcasing the best of modern literature So You've Been Called a Narcissist. Now What? Dr. David B. Hawkins, Dr. John Hudson, 2024-09-09 Everywhere you look you are being told that there is no hope for narcissism that narcissists are capable of neither empathy nor change Well two therapists from the Marriage Recovery Center are saying something different And they have the success stories to back it up Drs Hawkins and Hudson who have both worked extensively with hundreds of narcissistically and emotionally abusive men offer a radical paradigm shift in how we think about narcissism and whether it can in fact be treated Using real life examples from their clinical practice they share how their groundbreaking treatment program for narcissism has helped men take significant steps in the arduous path towards ownership remorse empathy and genuine long term change If you or someone you love is ready to embark on the life changing journey of healing from narcissistic and emotional abuse this book will show you the way
