

A dolphin is captured mid-leap, emerging from the ocean's surface. The dolphin's body is arched, with its head pointing towards the upper left and its tail still submerged, creating a large splash of water that falls back into the sea. The background is a dramatic sunset or sunrise scene, with a bright sun low on the horizon, casting a warm, golden glow across the sky and water. The sky is filled with soft, wispy clouds, and the water's surface is textured with small waves and the reflection of the sun. The overall mood is serene and majestic.
