

A dramatic landscape photograph featuring a narrow, sandy path that leads from the foreground, through a dark, rocky archway, towards a bright sunset over the ocean. The sky is filled with soft, orange and yellow clouds, and the sun is visible as a glowing orb on the horizon. The surrounding cliffs are dark and rugged, creating a sense of enclosure and mystery. The overall mood is contemplative and serene.

Life is made of ever so many
partings welded together...
Divisions among such must come,
and must be met as they come.
