Spartacus evokes the postwar Jewish American experience through the story of a compassionate but conflicted rabbi After witnessing the inhumanity and devastating suffering of Dachau chaplain David Hartman returns to post World War II America seeking meaning and purpose As a young rabbi he accepts a post in the sleepy WASPy Connecticut suburb of Leighton Ridge where a handful of Jewish families want to build a religious community Accompanied by his lively wife Lucy a self proclaimed Jewish atheist and aided by a kindred spirit in the local Congregational minister David meets skepticism with sincerity and poverty with humility and humor and faces anti Semitism with quiet courage Over the next quarter century David and his family and congregation weather the social upheavals of McCarthyism the establishment of Israel s statehood the trial and execution of the atom spies civil rights marches and Vietnam War protests David finds both his faith and his marriage tested as he continues to struggle with feeling marginalized as a rabbi and a Jew in American society haunted by the Holocaust and challenged to respond to the prejudice inequality and warmongering he sees locally and nationally Capturing a tumultuous time when humanity was rapidly figuring out how to destroy itself and eager to declare God if not dead then irrelevant Howard Fast s sweeping historical novel offers an intimately personal portrayal of a rabbi s life and fearlessly probes questions of personal morality spiritual identity and social responsibility that continue to resonate in the twenty first century This ebook features an illustrated biography of Howard Fast including rare photos from the author s estate

The Complete Idiot's Guide to Handwriting Analysis Sheila R. Lowe, 1999 Explains how to use handwriting analysis to understand character personal values love issues and career ambitions Computation and Asymptotics Rudrapatna V. Ramnath, 2012-01-11 This book addresses the task of computation from the standpoint of asymptotic analysis and multiple scales that may be inherent in the system dynamics being studied This is in contrast to the usual methods of numerical analysis and computation The technical literature is replete with numerical methods such as Runge Kutta approach and its variations finite element methods and so on However not much attention has been given to asymptotic

methods for computation although such approaches have been widely applied with great success in the analysis of dynamic systems The presence of different scales in a dynamic phenomenon enable us to make judicious use of them in developing computational approaches which are highly efficient Many such applications have been developed in such areas as astrodynamics fluid mechanics and so on This book presents a novel approach to make use of the different time constants inherent in the system to develop rapid computational methods First the fundamental notions of asymptotic analysis are presented with classical examples Next the novel systematic and rigorous approaches of system decomposition and reduced order models are presented Next the technique of multiple scales is discussed Finally application to rapid computation of several aerospace systems is discussed demonstrating the high efficiency of such methods *Journal of the American Chemical Society* American Chemical Society,1923 Proceedings of the Society are included in v 1 59 1879 1937 Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **The Mysterious Parchment** Joel Wakeman,2025-08-28 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Portrait of Betsy* Betsy Howard,Leland William Howard,2011-04-28 She wasnt a dog anyone wanted Bald from the nape of her neck to the tip of her tail she was a scrawny little black dog with little to recommend herself to anyone other than the little tricks she used to perform to amuse people A loser dog But then I wasnt a person anyone wanted either A loser in the eyes of the world A neer do well named Jamie Fairchild who at the age of forty one had tried his luck in many places and invariably had failed For twenty years I had become a stranger even to the members of my own immediate family I didnt want a dog I wasnt even looking for one But God has a way of intervening regardless of our hopes dreams and personal wills not necessarily giving one what one wants but what one needs Th ey tole me you needed me Betsy told me Who told you My superior offi cers she smiled elevating her chin toward heaven Th ings hasnt been goin so well with ya these past twenty years I hear tell ya had big dreams once but you went bust was homeless jes like me fer awhile I also hear tell them folks of yourn aint much of a family But then mine twerent neither I hears ya likes adventure aint afeerd of takin risks I aint either I also hear tell ya likes to perform I does too But ya lost your confi dence

along the way Well Im here to give it back to ya Before long Betsy was putting me through my paces Ah ten tion shed bark at me Th ats what our C O always barked at the fellas I worked with in New Guinea Saunders was his name Man he was a doll but he could also be one mean sonofabitch let me tell ya When Saunders barked them orders them guys all shot up straight as ramrods Shoulders up ass in chest out Now lissen up Pop Ah ten tion Git that chin up What goods it doin hangin down thataways on your collarbone Well no one would be able to cuff me under it if its hanging down Lissen Pop she would say No ones gonna cuff you under the chin And if they does Ill take care of em so good they wont need to wear no shoes No one messes with a Marine Not if they know whats good for em Now lissen up Chin up Shoulders back Ass in Awkward as these unaccustomed positions felt to me I complied with her commands Yeah her muzzle widened into a grin Th ats more like it Daddy If Betsy had set me onto the road of physical exercise she also corrected my posture If it hadnt been for the disciplines that she imposed upon me Id now be a walking question mark Why are ya walkin with your shoulders down on your chest shed bark You wanna be a hunchback one day No I said Th en stand straight and stop hangin your head she said How are ya ever goin to see where youre a goin lookin down at the ground all the time You look at the ground when you sniff Id say Yeah but thats only to get the smell of direction Its in the dog world what you call a map in the human one But ya caint go nowheres by always lookin at the map Time comes when youve gotta keep your eye on the road Th is was the army now and I had become Private Jamie to Sergeant Betsy When I would slump down into that easy chair one of whose armrests she had completely disemboweled and had sunk into those pointless ruminations about what I should or should not have done so many years before Betsy would approach my feet and deposit at them the tug o war rope fall back on her rear haunches her big brown eyes shining with excited anticipation her muzzle dropped open in an eager smile Come on Dad lets play Oh please not now Betsy Id say Oh yes now she insisted Come on What goods settin there goin over things you caint do nuthin bout When you does stuff like this youre like me when a fl ea gets on my tail and I keep tryin to bite it off of it but the more I turns around that tail jes keep gittin further away from me Memories is like fl eas Dad You chew on em too long they gets your tail sore Ya gotta keep your eye on your star Th eres one up yonder thats yourn and yourn alone Keep your eye on it and it wont be forgettin ya You jes take a hold on my tail Pop and Ill take ya to your highest dreams
