Recovery Training and Self-help,1993 **Recovery Training and Self-help** Fred Zackon,1993 Passages Through Recovery Terence T Gorski,2009-07-30 Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Abstinence from alcohol and other drugs is only the beginning of sobriety It s the ticket to get into the theater not the movie we are going to see Passages through Recovery One of the most important things we learn in recovery is that there really is a way out of all the misery if we know which way to go But abstinence from alcohol and other drugs is just the beginning of our journey not our destination And that journey can be a rough one if we don t know what lies ahead Based on the experiences of thousands of recovering men and women Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Gorski s pioneering work describes six stages of recovery from chemical dependency and offers sound advice for working through the challenges of each stage challenges that can create frustration and lead to relapse Passages through Recovery clearly demonstrates that sobriety is more than just healing the damage It s a way of thinking acting and relating to others Gorski writes that promotes continued physical psychological social and spiritual health The skills necessary for long term sobriety are all directed at finding meaning and purpose in life Use this book as a compass in your recovery to help you stay on course **Trusting Recovery and Desistance** Lauren Hall,2023-11-30 The social processes which underpin and shape our lives have the power to significantly transform the trajectories of people experiencing recovery from addiction and desistance from crime Recovery from addiction and desistance from crime are

processes which are often experienced and supported in the same physical spaces and are also frequently experienced by the same people This book therefore synthesises and presents research on the social influences of recovery and desistance This book presents the social component model of recovery from addiction and desistance from crime a strength based approach presenting case studies to better understand the social factors of both recovery from addiction and desistance from crime and therefore a step towards enhancing evidence based policy and practice The social components that have emerged and will be discussed within this book include relationships and social bonds social identity group membership and social networks and social capital Compiled based on observations interviews and social identity mapping methods this work combines and presents theory and research to enhance and strengthen the evidence available for people who are already teaching about supporting and experiencing both desistance from crime and recovery from addiction in practice

Substance Use Disorders Antoine Douaihy, Dennis C. Daley, 2013-12 Written by experienced clinicians and researchers this book provides a comprehensive overview of substance use disorders It integrates evidenced based practices with clinical wisdom of practitioners from several disciplines Most importantly this book provides practical strategies to help patients with substance use disorders in a range of treatment settings *Getting Beyond Sobriety* Michael C. Clemmens, 2014-05-22 In this ground breaking book Michael Clemmens offers a new model of treatment for long term recovery which goes beyond the traditional disease paradigm Working from the belief that a fuller life for the recovering addict is grounded on a foundation of abstinence the author explores a self modulation approach which leads to a change in the behavior from within the individual while developing and expanding connection with others **Medicine Wheel of My Recovery** Mickey M., 2012-12-14 This book is not only for Native American Indians its for all races but in the Native American way Nor is this book directed to any one particular recovering group The disease of addiction is not a prejudice disease neither is recovery Everything we do in recovery should be for self because everything we do effects our opinion of ourselves The results of sobriety should be used to help others in recovery The secret of success is consistency Thats why in recovery they keep saying Keep coming back To sacrifice is to gain in giving up the past for the future Wisdom is not what you put yourself through but what life puts you through Accepting recovery is accepting responsibility for ones actions This is why we must know where the ripples will go before we cast the stone into the pond To do so one must take a journey within the four directions in order to find the balance of their spiritual inner and outer self The results should be given away to help others in recovery so that we may keep what we have learned and earned so that we will be able to have a deeper yes and a much stronger no and realize that the message is in silence the deepest answer is in patience and a clear mind will precipitate patience Three River Ah ho Parents in Recovery Sarah Allen Benton, 2024-10-15 For parents in recovery PIRs the process of recovery is so much more than just stopping drug and alcohol abuse Parents facing these challenges will feel understood and supported Booklist I am just like other parents except Parents in Recovery is not a book about how to parent It is also not

a book about how to get sober Instead it is meant to be a guide for parents in recovery PIRs from substance use disorders that provides insights and strategies for coping with the many unique and not so unique challenges they may face It is also intended to give the loved ones and families of PIRs an inside look at this world and explain why certain changes and behaviors are necessary to maintain long term recovery Each chapter is an integration of research the voices of parents in recovery input from addiction treatment experts parent recovery wisdom suggestions and the author s past journal accounts This guidebook can support mothers and fathers in navigating their way through parenting with a sober lifestyle which includes physical emotional social spiritual behavioral environmental and vocational wellness It is written for those who have embraced sobriety before during or after becoming a parent and can serve as a job aid on this journey Key topics include love and marriage family systems work and life balance self care parenting types sober socializing coping with hard times mental health and recovery pride This book also addresses modern day challenges including the use of electronics social media career identity social trends non traditional parental roles and living in a post COVID 19 pandemic world While many parents feel shame associated with aspects of their addiction this book emphasizes the gifts and accomplishments of being in recovery and how they positively impact the entire family system
