Soccer The International Lineups Statistics Series:

International Sport: A Bibliography, 1995-1999 Richard William Cox, 2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new **The British National Bibliography** Arthur James Wells, 2004 **Proud to be a Swan - The History of Swansea City FC** Geraint H Jenkins, 2013-08-15 Swansea City Football Club celebrates its centenary in 2012 This book traces the history of the club and gives details of momentous events on and off the pitch since 1912 **The Encyclopedia of American Soccer History** Roger Allaway, Colin Jose, David Litterer, 2001 Examines American soccer from the 1860s to the 1999 Women s World Cup and the 1999 Major League Soccer season Entries are present for the many professional and semi professional leagues that have existed since the 1890s including their teams coaches and greatest players Principal cup competitions national teams and major international events also are noted Statistics and records and accounts of some memorable games are included in the appendices **Red Dragons - The Story of Welsh Football** Phil Stead, 2013-08-15 The Red Dragons covers the story of Welsh football since its earliest days in the nineteenth century and looks at the characters controversies and developments of the country s clubs players and most importantly the national team **A Football Compendium** Peter J. Seddon, Cynthia McKinley, British Library, 1999 This bibliography is an entertaining and knowledgeable tribute to the beautiful game The second edition features over 2000 new entries including greatly increased coverage of football films and music making over 7000 references to books and other items in total **Soccer**, 1994 ***Soccer and Society*** Martin Johnes, 2002 In 1927 Welsh football reached a peak when Cardiff City beat Arsenal in the FA Cup Final The game s popularity had grown at a notable rate in early 20th century south Wales and by 1939 football was an integral part of the region s popular culture ***The 1920 Olympic Games*** Bill Mallon, Anthony Th. Bijkerk, 2015-07-11 Until this volume was compiled the results of the 1920 Olympics held in Antwerp Belgium have been far from complete The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games For some events only the medalists are listed with little if any additional information Very few copies were ever produced and those few copies were in French The seventh in a series on the early Olympics this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events except for shooting which has only partial information available In virtually all cases a 1920 source has been used in preference to a

more modern source of information and all details have been fully researched in contemporary newspapers journals and magazines and checked for accuracy by experts on various sports from all over the world Global Sports: Cultures, Markets And Organizations Frank P Jozsa, Jr,2009-06-22 This interesting book discusses the emergence and development of five extremely popular team sports baseball basketball football soccer ice hockey and cricket since the 1800s in 15 different countries It addresses some of the most provocative recent and unique economic and business issues associated with team sports in the various nations For example to what extent has each of these spectator sports prospered as industries and will they expand into other regions of the world during the early to mid 2000s This book answers these questions and compares the performances of each country s amateur semiprofessional and or professional sports leagues and their respective teams by providing detailed statistics and other relevant historical information Plunkett's Sports Industry Almanac: Sports Industry Market Research, Statistics, Trends & Leading Companies Jack W.
