Wahl, 2024-06-04 This collection of Grant's work is a great testament to not only what he did when he was here but what he's still doing to impact others. LeBron James: The definitive collection of beloved late journalist Grant Wahl's work, a masterclass in the art of sportswriting. After Grant Wahl died of an aortic aneurysm at the 2022 FIFA World Cup in Qatar, collapsing in his press seat during a quarterfinal match, tributes poured in from around the globe. Wahl was beloved for good reason: he was kind, generous, and unflinching in the face of injustice. He was also one of the best sports journalists of his generation. Spanning four decades of storytelling, *World Class* collects for the first time the finest writing of Grant Wahl, from op-eds for his college newspaper to twenty-five years of reporting at *Sports Illustrated* to his deeply personal work for *Football* with Grant Wahl on Substack. Wahl was the multi-tool, modern sportswriter: clear and direct, able to write long, short, or in between. Cosmopolitan, socially aware, *World Class* demonstrates how Wahl's career aligned with the evolution of sportswriting. Included are explorations of soccer subcultures from Buenos Aires and FC Barcelona to the dusty sandlots of Nacogdoches, Texas, as well as accounts of trophy lifts that have a first draft of history definitiveness. Some pieces capture prodigies early in their careers, like LeBron James and Landon Donovan; others lift the voices of the women athletes to whom Wahl paid early attention, stars like Abby Wambach and Megan Rapinoe. The book showcases the daring and important positions Wahl took in Qatar in the weeks before he died, supporting migrant workers and LGBTQ people. More than a collection of Grant Wahl's best work, *World Class* is a portrait of a journalist at the height of his powers, always evolving with the times, revealed by the stories he found and the unflinching way he told them. **The Barcelona Complex** Simon

Kuper, 2022-08-16 With rare and unrivaled access, bestselling coauthor of *Soccernomics* and longtime *Financial Times* journalist Simon Kuper tells the story of how FC Barcelona became the most successful club in the world and how that era is now ending. FC Barcelona is not just the world's highest-grossing sports club; it is simply one of the most influential organizations on the planet. At last count, it had approximately 214 million social media followers, more than any other sports club except Real Madrid CF, and by one earlier measure, more than all thirty-two NFL teams combined. It has more in common with multinational megacompanies like Netflix or small nation-states than it does with most soccer teams. No wonder its motto is "More than a club." But it was not always so. In the past three decades, Barcelona went from a regional team to a global powerhouse, becoming a model of sustained excellence and beautiful soccer and a consistent winner of championships. Simon Kuper unravels exactly how this transformation took place, paying special attention to the club's two biggest stars, Johan Cruyff and Lionel Messi, who is arguably the greatest soccer player of all time. Messi joined Barça at age thirteen and more than anyone has been the engine and standard bearer of Barcelona's glory. But his era is coming to an end, and with it, a once-in-a-lifetime golden run. This book charts Barça's rise and fall. Like many world-beating organizations, FC Barcelona closely

guards its secrets granting few outsiders access to the Camp Nou its legendary home stadium But after decades of writing about the sport and the club Kuper was given access to the inner sanctum and the people behind the scenes who strive daily to keep Barcelona at the top Erudite personal and capturing all the latest upheavals his portrait of this incredible institution goes beyond soccer to understand FC Barcelona as a unique social cultural and political phenomenon **Fodor's**
