Social Causes Of Violence Crafting A Science Agenda:

Social Causes of Violence (iBook) Felice Levine, Katherine Rosich, 2012 Social Causes of Violence Felice J. Levine, Katherine J. Rosich, 1996 **International Handbook of Violence Research** Wilhelm Heitmeyer, John Hagan, 2005-08-12 An international manual is like a world cruise a once in a lifetime experience All the more reason to consider carefully whether it is necessary This can hardly be the case if previous research in the selected field has already been the subject of an earlier review or even several competing surveys On the other hand more thorough study is necessary if the intensity and scope of research are increasing without comprehensive assessments That was the situation in Western societies when work began on this project in the summer of 1998 It was then too that the challenges emerged any manual especially an international one is a very special type of text which is anything but routine It calls for a special effort the state of the art has to be documented for selected subject areas and its presentation made as compelling as possible The editors were delighted therefore by the cooperation and commitment shown by the eighty one contributors from ten countries who were recruited to write on the sixty two different topics by the constructive way in which any requests for changes were dealt with and by the patient response to our many queries This volume is the result of a long process It began with the first drafts outlining the structure of the work which were submitted to various distinguished colleagues Friedhelm Neidhardt of Berlin Gertrud Nunner Winkler of Munich and Roland Eckert of Trier to name only a few supplied valuable comments at this stage **Aspects of Violence** W. Schinkel, 2010-02-03 This book provides a novel approach to the social scientific study of violence It argues for an extended definition of violence in order to avoid subscribing to commonsensical or state propagated definitions of violence and pays specific attention to autotelic violence violence for the sake of itself as well as to terrorism **Gender, Equity, and Schooling** Barbara J. Bank, Peter M. Hall, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informal company **Digital Inclusion, Teens, and Your Library** Lesley S. J. Farmer, 2005-03-30 The digital divide is a disturbing reality and teens in our society increasingly fall into distinct categories of technology haves and have nots whether or not computers are available to them in the schools This trend undermines the futures of our youth and jeopardizes the vitality of our society Today's librarians are in a unique position to help bridge the gap This guide helps librarians to identify tech nots technologically disadvantaged teens in a community or school and to reach out and build information literacy in underserved teen populations Farmer goes beyond recommending computers for every teen and demonstrates how to overcome teen misperceptions and disinterest in computers After examining the problem and the populations most affected the author discusses how to build awareness and motivation train staff create space and time build the collection develop partnerships with other agencies and organizations offer services and overcome barriers with specific populations Citing benchmark programs and services from around the country Farmer offers a wealth of exciting new ways for libraries to connect with at

risk teens today Grades 6 12 Guide to Writing Empirical Papers, Theses, and Dissertations G. David Garson,2001-11-21 Describes the quantitative research process framing analytical questions developing a comprehensive outline providing a roadmap for the reader and accessing indispensable computer and program tools Supplies end of chapter checklists extensive examples and bibliographies

Encyclopedia of Violence, Peace, and Conflict ,1999-08-16 The Encyclopedia of Violence Peace and Conflict a three volume set written by more than 200 eminent contributors from around the world takes advantage of increasing worldwide awareness in the public private commercial and academic sectors about manifestations of violence in all segments of society While the contributors do not use these volumes to make specific arguments they do describe and clarify the developments in thought that have led to current theories about and positions on violence and peace Our reviewers consistently note that while many in depth studies of war peace and aggression exist the attendant specialization keeps scholars from learning about related fields No publication competing with the Encyclopedia of Violence Peace and Conflict can satisfy their need for a vast introductory work to such a diverse and socially important field This major work includes more than 190 multidisciplinary articles with over 1 000 cross references and more than 2 000 bibliography entries for further reading which are arranged alphabetically for easy access More than 190 multidisciplinary articles with over 1 000 cross references Article outline and glossary of key terms begin each article Entries arranged alphabetically for easy access Three volume set with subject index of over 750 entries Articles written by more than 200 eminent contributors from around the world

21st Century Sociology: A Reference Handbook Clifton D. Bryant,Dennis L. Peck,2007 Publisher Description *Girls' Violence* Christine Alder,Anne Worrall,2010-03-18 This critical collection brings together some of the best contemporary research on the perceived increase in girls violence With perspectives from the United States Canada Australia and the United Kingdom the work challenges official definitions and media representations of girls and violence Contributors discuss whether violence by girls has actually increased what kind of behavior by girls is classified as violent how attitudes toward girls behavior have changed in what contexts girls behave violently and look at the links between girls violence and the broader issues of the social construction and social control of adolescent femininities With diverse essays representing different geographical and disciplinary perspectives this book offers at times contradictory evidence and conflicting views However common concerns are clear and the reader is rewarded with a rich exploration of the struggles of girls and young women to take control of their lives in material and ideological conditions that continue to restrict their options and opportunities
