International Motion Picture Almanac Terry Ramsaye, 1958 International Television Almanac , 1957 **Fair Winds and Following Seas** Ronald Vail, 2013 This book relates the military experiences compiled from a twenty five year naval career of a small town boy whose elementary and high school endeavors were somewhat less than satisfactory but who was given the opportunity provided by that inconceivably destructive event known as World War II to redeem his poor educational activity and serve in the Navy reasonably successfully The book follows his career as he rose from a very young and inexperienced Ensign to the rank of Commander Early on he acquired a specialty designation as cryptologist dealing with codes and ciphers in the Naval Communications system This book depicts the good times the hard times and the difficult times of the voyage to the top of the military organization in which he spent the biggest part of his Navy career He spent many years in the field spreading the communication security gospel directly to the communication officers of various ships and stations Finally after 20 years of total service he was assigned to the Naval Security Group Headquarters in Washington D C as deputy to the head of the Communication Security Organization with oversight and management responsibilities over the field activities Later when his boss was assigned to duty at a field activity he was elevated to the head of the organization After about a year as head of the Communication Security Organization he was given a very promising assignment as Commanding Officer of a newly established Naval Security Group command in California As expressed in the book this was a Camelot assignment Shortly after World War II ended and very early in his career he met and married his lifetime companion This relationship produced six children five daughters and a son who survived a change of venue every two to three years and all became college graduates including one daughter who was born with a physical disability denying her the ability to get around without assistance All achieved exceptional success in their chosen occupational pursuits He and his bride s commandment that all the children must expect to stay in school at least sixteen years was really very rewarding for them in their later lives The book concludes with a comparison of his Navy life with the famous and well used Navy description of a hypothetically perfect sea voyage Fair Winds and Following Seas **The Navy Year Book and Diary** Navy League, London,
