Substance and Shadow, Or, The Real and Unreal John C. Holmes, 1894 **Substance and Shadow**, 2020-03-14 **The Sacred Shadow** Courtney Cohen, 2019-08-20

How might life look if we lived as though eternity is now Many of us have fallen into a trap thinking that God and His kingdom are up there somewhere as if He and His dwelling place are distant in reach and in time But Jesus came teaching a very different reality To every physical aspect of creation there is a spiritual counterpart When God created the world He called it very good He declared it to be sacred by placing His own image in the world through humanity He charged humanity to fill the earth to take dominion to declare who God is So the here and now this present reality this is sacred The tangible is not evil it is a gift from God And yet it is not the end all be all It is just the beginning a glimpse a shadow of the greater reality Here we live in the sacred shadow but one day when we pass through the veil of perception which blurs our present reality when we step over the thread of time which is a boundary for now but won't be a boundary forever and certainly isn't a boundary for God we will step out of the sacred shadow and into the sacred substance In Courtney Cohen's latest book *The Sacred Shadow* explore what reality truly is encounter the near presence of God challenge your perception of eternity and discover the sacredness that exists now during our brief time spent in this shadow land What Leaders Are Saying About *The Sacred Shadow* *The Sacred Shadow* is the perfect book to read when trying to make sense of the world we live in It invites us to discover and understand that eternity is our real home and we are just passing through earth pilgrims headed to our glorious promised land I urge you to read on And if you're like me and you get excited at the thought of the supernatural heaven the spirit world and holy mysteries being revealed you will likely call *The Sacred Shadow* one of your favorites Christine D Clario International Worship Leader Award Winning Artist Author of *Prodigal Heart* How does an infinite God go about communicating eternal spiritual Truth to the limited hearts and minds of the people He loves How does a wise father teach young children his ways In *The Sacred Shadow* Courtney Cohen has put her finger on the

method of God hiding every secret and each mystery like Easter Eggs in tufts of grass barely hidden in the shadows where they can be found by those who seek them Every shadow is cast by a great light shining upon a solid reality and Cohen insightfully redirects our eyes from each shadow to the solid Truth it represents and to the Great Light that shines behind each of them Prepare yourself to gather treasures because Cohen is leading us on the hunt and there is wisdom to share for those who seek it Pastor Zach Neese Worship Pastor Gateway Church Author of How to Worship a King , **The Poetry of Han-shan** Hanshan,Robert G. Henricks,1990-01-01 This is an annotated English translation of the poetry of Han shan Cold Mountain a 7th or 8th century Chinese Buddhist recluse who wrote many poems about his life alone in the hills Many of his poems describe the mountains where he lived in dramatic yet appealing terms while at the same time symbolizing in Zen fashion the Buddhist quest for enlightenment Han shan became a cult figure in the Ch an Zen tradition and legends portray him and his companion Shih te as eccentrics who said and did nonsensical things Han shan does often write on unusual topics with some of his poems being clever insights that just happen to be metric and rhymed His language is simple and direct his images and symbols fresh and bold While the literary value of his work has for the most part been overlooked this book provides line by line literary analysis of some of the more artistically interesting poems Henricks work represents therefore a major contribution to the study of Chinese literature and Chinese religion *Chinese Poems* Arthur Waley,2000-01-01 Scores of poems in incomparable translations by brilliant British sinologist 16 Songs of Courtship Hymn to the Fallen Ballad of Mulan more including many works by the poet Po Chu I The Substance and the Shadow R.
