Subtle Revolution Women At Work:

The Subtle Revolution Ralph Ely Smith, Urban Institute, 1979 Articles on the changing social role and economic role of women resulting from increased labour force participation of woman workers in the USA reviews trends and projections 1900s to 1990 labour market sex discrimination occupational status wage differential employment opportunities discusses unemployment arrangement of working time division of labour household income standard of living child care marriage and family life stresses need for income tax and social security reform Graphs statistical tables **Hard Choices** Kathleen Gerson, 1986-03-17 How do women choose between work and family commitments And what are the causes limits and consequences of the subtle revolution in women s choices over the 1960s and 1970s To answer these questions Kathleen Gerson analyzes the experiences of a carefully selected group of middle class and working class women who were young adults in the 1970s Their informative life histories reveal the emerging social forces in American society that have led today s women to face several difficult choices *The Subtle Revolution* Urban Institute, 1979 Probes the movement of women into the work force the relationship between women s employment and marriage and economic legal social institutional and demographic responses to women in the job market **America Transformed** Richard M. Abrams, 2006-07-03 America has seen a multitude of transformations since its founding This 2006 book examines the period 1941 2001 during which time the character of American life changed rapidly culminating in the shattering of the Liberal Democratic coalition Revolutions in the areas of affluence foreign policy the military business systems racial relations gender roles sexual behavior and attitudes and disregard for privacy are discussed Rather than cite historical facts as they occurred America Transformed analyzes them and offers a fresh and often controversial perspective Abrams draws on a wealth of published sources to highlight his original arguments on McCarthyism the Cold War Eisenhower Kennedy Nixon and Johnson to name a few topics The synthesis of information and the depth of insight are simply unparalleled in any other book of American social history from 1941 2001 **Research Handbook on the Sociology of Gender** Gayle Kaufman, Michael Stambolis-Ruhstorfer, Steven Roberts, Brittany Ralph, 2024-09-06 This extensive Research Handbook surveys historical and contemporary patterns within research on the sociology of gender It clarifies key definitions and examines influential factors such as race age and occupation **Family Economics Review** , 1982 **The War on Welfare** Marisa Chappell, 2012-02-02 Why did the War on Poverty give way to the war on welfare Many in the United States saw the welfare reforms of 1996 as the inevitable result of twelve years of conservative retrenchment in American social policy but there is evidence that the seeds of this change were sown long before the Reagan Revolution and not necessarily by the Right The War on Welfare Family Poverty and Politics in Modern America traces what Bill Clinton famously called the end of welfare as we know it to the grassroots of the War on Poverty thirty years earlier Marshaling a broad variety of sources historian Marisa Chappell provides a fresh look at the national debate about poverty welfare and economic rights from the 1960s through the mid 1990s In Chappell s telling

we experience the debate over welfare from multiple perspectives including those of conservatives of several types liberal antipoverty experts national liberal organizations labor government officials feminists of various persuasions and poor women themselves During the Johnson and Nixon administrations deindustrialization stagnating wages and widening economic inequality pushed growing numbers of wives and mothers into the workforce Yet labor unions antipoverty activists and moderate liberal groups fought to extend the fading promise of the family wage to poor African Americans families through massive federal investment in full employment and income support for male breadwinners In doing so however these organizations condemned programs like Aid to Families with Dependent Children AFDC for supposedly discouraging marriage and breaking up families Ironically their arguments paved the way for increasingly successful right wing attacks on both welfare and the War on Poverty itself *Women and the Economy: A Reader* Ellen Mutari, Deborah M. Figart, 2015-03-26 This reader is designed for use as a primary or supplementary text for courses on women's role in the economy Both interdisciplinary and heterodox in its approach it showcases feminist economic analyses that utilize insights from institutionalism as well as neoclassical economics Including both classic and newer selections from a broad range of areas each section includes an introduction with background material as well as discussion questions exercises and lists of key terms and further readings *Urbanism and Urbanization* Noel Iverson, 2022-10-24 **Alternative Service Delivery: Child care** United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Intergovernmental Relations, 1982 *Alternative Service Delivery* United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Intergovernmental Relations, 1982 **Teachers and Texts** Michael W. Apple, 2021-12-16 First published in 1987 this research provides insight on the political economy of schooling and includes an analysis of power as they operate both within and outside of schools in the construction of class and gender relations This is part of a series of volumes that have begun to enquire into the relationship between the curriculum and teaching that is found in our formal institutions of education and unequal power in society *Compliance and Compromise* Cher Weixia Chen, 2011-09-20 As domestic industrial relations and labor conditions have been seriously challenged by globalization various international labor standards have been proposed to safeguard and promote labor rights However an important question remains are these rules and standards enforceable and well enforced Compliance and Compromise The Jurisprudence of Gender Pay Equity examines the status of one of the core international labor standards gender pay equity that has been largely overlooked and explores how domestic legislative and judicial systems respond to the core International Labor Organization Convention No 100 on Equal Remuneration It unravels under what circumstance legislative and judicial compliance occurs with the novel application of the relatively new theory transnational legal process to explicate the phenomenon of compliance *Sex Segregation in the Workplace* National Research Council, Commission on Behavioral and Social Sciences and Education, Committee on Women's Employment and Related Social Issues, 1984-01-01 How pervasive is sex segregation in the

workplace Does the concentration of women into a few professions reflect their personal preferences the tastes of employers or sex role socialization Will greater enforcement of federal antidiscrimination laws reduce segregation What are the prospects for the decade ahead These are among the important policy and research questions raised in this comprehensive volume of interest to policymakers researchers personnel directors union leaders anyone concerned about the economic parity of women

Consumerism and the Movement of Housewives into Wage Work David R. Wells, 2018-12-17 First published in 1998 this volume explores the connections between the rises in consumerism and the number of married women in paid work in light of the centrality of shopping and consumerism to the modern world David R Wells argues for women s incomplete gains from consumerism through an analysis of married women s employment the structure of capitalism and the contradictory requirements of consumerism the homemaker ideal and gender identity Through this Wells demonstrates how the gendered expectations of consumerism became motivating factors for women to join the workforce resulting in higher standards of living and greater marital power

Monthly Labor Review , 2000-08 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

Monthly Labor Review Index, January 1976-December 1990 , 1991 Bulletin of the United States Bureau of Labor Statistics , 1991 Gender Justice David Kirp, Mark Yudof, Marlene Franks Strong, 1986-12 Tracing the way various public policies have evolved David L Kirp Mark G Yudof and Marlene Strong Franks find that the profusion of legislation and court decisions masks an uncertain and problematic sense of what gender based justice means They show that even policies not ostensibly concerned with gender from tax codes to health benefits have a significant effect on sexual equality They argue that whether or not it intends to do so our government is setting gender policies Pointing out that individual autonomy is the essential component of a just society they endorse a policy that encourages choice rather than one that promotes particular outcomes
