Dayton,1992      **Succeed at Work Without Sidetracking Your Faith** Amy Baker,2005-12-22 A compilation of practical lessons and career management advice this resource is a combination of personal and humorous stories practical lessons and biblical wisdom for women      **How the Church Fails Businesspeople (And What Can Be Done About It)** John C. Knapp,2011-12-20 Why do so many Christians struggle to relate their faith to their daily work In this book John C Knapp argues that the church s ambiguous teachings about vocation money and business have long contributed to Christians uncertainty about discipleship in the workplace Drawing on his own expertise in business ethics and numerous interviews with Christians in diverse occupations Knapp offers a new theological framework for Christian life in the world of business      **Faith in the Halls of Power** D. Michael Lindsay,2007-09-24 Evangelicals once at the periphery of American life now wield power in the White House and on Wall Street at Harvard and in Hollywood How have they reached the pinnacles of power in such a short time And what does this mean for evangelicals and for America Drawing on personal interviews with an astonishing array of prominent Americans including two former Presidents dozens of political and government leaders more than 100 top business executives plus Hollywood moguls intellectuals athletes and other powerful figures D Michael Lindsay shows first hand how they are bringing their vision of moral leadership into the public square This riveting volume tells us who the real evangelical power brokers are how they rose to prominence and what they re doing with their clout Lindsay reveals that evangelicals are now at home in the executive suite and on the studio lot and from those lofty perches they have used their influence money and ideas to build up the evangelical movement and introduce it to the wider American society They are leaders of powerful institutions and their goals are ambitious to bring Christian principles to bear on virtually every aspect of American life Along the way the book is packed with fascinating stories and striking insights Lindsay shows how evangelicals became a force in American foreign policy how Fortune 500 companies are becoming faith friendly and how the new generation of the faithful is led by cosmopolitan evangelicals These are well educated men and women who read both The New York Times and Christianity Today and who are wary of the evangelical masses penchant for polarizing rhetoric apocalyptic pot boilers and bad Christian rock Perhaps most startling is the importance of personal relationships between leaders a quiet conversation after Bible study can have more impact than thousands of people marching in the streets Faith in the Halls of Power takes us inside the rarified world of the evangelical elite beyond the hysterical panic and chest thumping pride to give us the real story behind the evangelical ascendancy in America      **The Marketplace Annotated Bibliography** Pete Hammond,R.
