coverage of the Edexcel A2 specification      **Popular Radio** Kendall Banning,1927      **Voices From the Air** Tony Hill,2016-09-01 With the outbreak of the Second World War a new breed of reporters joined the ranks of war correspondents and through the reach and power of radio Australians back home heard their voices and their stories shaped from the sounds of battle out of the white noise of the ether Australian forces defended our long shoreline against the threat of invasion and more than 500 000 Australians went into battle overseas They fought on the dusty soil of the Middle East and North Africa in the snow topped hills of Greece on the beaches of the Pacific and in the sweltering jungles of Malaya and New Guinea And the first ABC war correspondents were on the frontlines with them The story of these correspondents is a story of Australians at war and a tale of personal struggle humour tragedy and achievement From Chester Wilmot s gripping accounts of the Siege of Tobruk to Dudley Leggett trekking with the diggers through the mud of the Kokoda Trail Haydon Lennard helping to free Australian nurses from a Japanese prison camp and John Elliott s shocking death in the final campaign in Borneo ABC correspondents shared the highs lows and the dangers of the frontline with the troops And the photographs of the correspondents in the field and the ephemera that has survived the torn pages blotted crossed out and hastily typed scripts that are reproduced in the book bring these experiences to life Tony Hill s own experience as a foreign correspondent led him in search of the first ABC war correspondents and to a compelling and largely untold story He is passionate about telling this story of the war about a remarkable group of men and how they reported from the warfront how they changed the reporting of war and how the war changed their lives      **Program Strategies for Preventing Fetal Alcohol Syndrome and Alcohol-related Birth Defects** National Institute on Alcohol Abuse and Alcoholism (U.S.),1987      Radio Daily-television Daily ,1957      Film & Radio Propaganda in World War II K.R.M. Short,2021-11-21 This book first published in 1983 brings together leading world experts on film and radio propaganda in a study which deals with each of the major powers as well as several under occupation By examining each nations propaganda content and comparing its various strands of output designed for different audiences the historian is provided with an important source of a nation s official self image Total war forced governments to formulate goals consistent with the received national ideology in order to support the war effort To this extent much of the domestic propaganda was directed towards stimulating the population to make sacrifices with promise of a new world if the peace were won      Radio Nation Joy Elizabeth Hayes,2020-04-21 The role of mass communication in nation building has often been underestimated particularly in the case of Mexico Following the Revolution the Mexican government used the new medium of radio to promote national identity and build support for the new regime Joy Hayes now tells how an emerging country became a radio nation This groundbreaking book investigates the intersection of radio broadcasting and nation building Hayes tells how both government controlled and private radio stations produced programs of distinctly Mexican folk and popular music as a means of drawing the country s regions together and countering the influence of U S broadcasts Hayes describes how both during and after the period of cultural revolution Mexican radio

broadcasting was shaped by the clash and collaboration of different social forces including U S interests Mexican media entrepreneurs state institutions and radio audiences She traces the evolution of Mexican radio in case studies that focus on such subjects as early government broadcasting activities the role of Mexico City media elites the paternal voice of presidential addresses and U S propaganda during World War II More than narrative history Hayes s study provides an analytical framework for understanding the role of radio in building Mexican nationalism at a critical time in that nation s history Radio Nation expands our appreciation of an overlooked medium that changed the course of an entire country

*Radio in Small Nations* Richard J Hand, Mary Traynor, 2012-11-15 This is the first title in a new series of volumes examining different dimensions of the media and culture in small nations Whether at a local national or international level radio has played and continues to play a key role in nurturing or denying even destroying people s sense of belonging to a particular community whether it be defined in terms of place ethnicity language or patterns of consumption Typically the radio has been used for purposes of propaganda and as a means of forging national identity both at home and also further afield in the case of colonial exploits Drawing on examples of four models of the chapters in this volume will provide an historical and contemporary overview of radio in a number of small nations The authors propose a stimulating discussion on the role radio has played in a variety of nation contexts worldwide
