Real Talk: Ten Parenting

Strategies to Raise Confident Successful Children Kumari V. Ghafoor-Davis, 2011-11-30 The definition of parenting and childrearing according to the dictionary says the experiences, skills, qualities and responsibilities involved in being a parent and in teaching and caring for a child. This is a very basic description considering all that is entailed in raising children. The fact that children do not come with instructions leaves parents to figure out what is best for their child. Many times parents use the experiences they had as children, good or bad, as a guide to raise their own.
