Evans,2014-08-06 People want to be successful Regardless of the venue or medium success brings meaning and definition to one s life The same holds true for the Christian walk and experience The desire of the Christian should be to live the best life possible through Christ An attainable goal it is but it takes work It does not come without obstacles and oppositions Therefore the Christian needs to learn the Fine Arts of Christian Living send Service There is an art to the Christian life and service which is attainable through the principles set forth in the Bible In the pages of this study we will discuss twelve areas that are important to successful Christian living In mastering these Arts the Christian is able to live in the abundant life In this publication There is an art to the Christian life and service which is attainable through the principles set forth in the Bible In the pages of this study we will discuss twelve areas that are important to successful Christian living In mastering these areas the Christian is able to live in the abundant life This material is derived from two distinct works from the Abundant Truth Christian Living Series 1 The Fine Arts of Christian Living Biblical Insights to a Successful Christian Life 2 The Fine Arts of Christian Service Biblical Insights for Fruitful Christian Service      *Don't Stop!, Go Ahead* Dick Bernal,1996      **Six Steps to Successful Christian Living** Bobby Jackson,1962      **Your New Life** Elewechi Ngozi Modupe Okike,Ngozi Okike,2008 It is often said that the journey of a thousand miles begins with the very first step Sometimes people who set out on a journey fail to get to their destination either because of an accident or other unforeseen circumstances Just as it is in the physical realm so also it is in the spiritual Inviting Jesus into their lives is the first step in the Christian journey for new believers The purpose of this book YOUR NEW LIFE is to ensure that they arrive at their destination safely God is not only interested in seeing souls saved He wants them established in the faith This is the very essence of YOUR NEW LIFE Inspired by the Holy Spirit the book has been written out of a strong desire to see new believers established in God It is to help them get to grips with their faith in Christ and to go on to maturity For more mature Christians the book enables them to explain the basic foundation of the Christian life in the uttermost simplicity In Matthew 28 18-20 Jesus told His disciples that they should go and make disciples of all men and teach them to obey His commands And in John 15 16 Jesus said that we did not choose Him but He has chosen and appointed us that we should go and bear fruit and that our fruit should remain that whatever we ask the Father in His name He will give to us He was giving to His disciples final instructions in relation to how to build people spiritually in the church On the subject

of church life there are countless books that have been published many seminars to attend and church conferences arranged The Body of Christ is not devoid of teaching in relation to what the church needs and much of it is excellent revelation and we need to thank God that we live in a day when such teaching is readily available Having acknowledged that we must never forget the words Jesus said to His disciples in those final moments make disciples and teach them to obey my commands This suggests that people are not born disciples but that they need to enter a process by which they will become disciples Jesus knew the importance and impact of a life touching another life Therefore it is vital that we who have already submitted our own will and are true disciples give ourselves to the process of building people so that they in turn will do the same to others We were not told to gather a crowd and use techniques of the day to accomplish that aim this is not about how many people we gather on a Sunday but how effective we are in making people true followers of Jesus Christ This is what YOUR NEW LIFE is about making people disciples and true followers of Jesus Christ Ngozi Okike is a woman who all her life has understood these principles Before she penned anything in this manual she has lived through it and tested it in her own life Her desire is to see the Body of Christ built up and a lifestyle to begin the moment a person surrenders his her life to Christ so that it will ultimately produce true discipleship in their lives Because of her deep conviction and belief that a person should be taught to lean upon the Lord and know what He is commanding us to do she has given us the Church this tool by which we can achieve this objective in people s lives You will find that YOUR NEW LIFE is a very basic manual written in plain easy to understand language so as not to alienate anyone from the truth Ngozi herself is very educated yet she has been able to communicate life changing principles in a style that all will understand It is her sincere desire that any new believer who gets hold of this book will not be in any doubt as to what the Christian life entails Ngozi prays that every believer who reads this book will go on to maturity and help others find Christ Every church Christian group or organization that is passionate about seeing souls saved and nurtured in the faith should find this book an invaluable tool *Living a Successful Christian Life* Flora O. Erome-utenedi, 2014-12-09 This book is all about the revelation that God gave to me in a dream to the Church The message is how the Church the body of Christ should live a successful Christian life God is telling the Church today that to live a Successful Christian life the body of Christ must run away from evil to embrace holiness and righteousness in a personal walk with Him The Church is encouraged to go back to the basics which are the Word of God and to be Christ followers who practice His Word The Word of God is the foundation of Christianity Where the Church has lost it God is calling His Church for true repentance to receive His forgiveness because He is willing to forgive His Church The Church today need to hear messages from the pulpit about holiness and righteousness to draw near to God The introductory chapter attempts to define success and successful as viewed by the secular world and as explain by the Holy Bible the Word of God The secular world has a view of what success is all about More often than not the world view definition of success leads to a meaningless life Success as explained by the Word of God in the Holy Bible and revealed to the world by our Lord

and Savior Jesus Christ leads to a meaningful successful living The concept of living a successful Christian life as revealed by the Word of God is discussed Here ample scriptural keys to living a successful Christian life are explored The book also deals with examples of people who successfully worked with God in the Holy Bible It is clear that Christians have no excuse not to follow the precepts ordered by God and further expounded on by Jesus Christ It is possible to work with God and be successful by His grace Combining the scriptural keys and the examples of those that successfully worked with God should provide us with the needed impetus to live a successful Christian Life Critical success factors in addition to the above are further discussed in this book These are fearing the Lord God Almighty knowing the Lord Jesus Christ and honoring your father and mother The fear of the Lord is the beginning of wisdom a good understanding have all they that do his commandments his praise endureth forever Psalms 111 10 KJV Divine understanding and wisdom comes from the power that is in the Word of God To know Jesus Christ is the key to success and through Him the Church is made righteous To live a long and satisfying life we must honor our fathers and mothers My prayers are for you to read and meditate on this book but keep in mind that the Holy Bible must always remain the primary guide of the Church And by using this guide I have no doubt that not only will you experience visible changes in your walk with Christ it will also ultimately lead you to become a successful Christian by His grace Let us hear the conclusion of the whole matter Fear God and keep his commandments for this is the whole duty of man For God shall bring every work into judgment with every secret thing whether it be good or whether it be evil Ecclesiastes 12 13 14 KJV To live a successful Christian life is challenging but is possible by His grace When a Christian takes the right decision to live for God he or she realizes that there is no better life outside following Jesus Christ Let us not be fooled by the glamour and the illusions of wealth fame and self righteousness or be religious without the power of God Now is the time to decide to follow God the alternative will lead to nowhere a life in cycles And now dear brothers and sisters one final thing Fix your thoughts on what is true and honorable and right and pure and lovely and admirable Think about things that are excellent and worthy of praise Philippians 4 8 NLT I sincerely pray for you and all reading this book that God in His infinite mercies will grant you the grace to live a successful Christian life by the power of Holy Spirit Amen **Six**

Rogers, 2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today's difficulties according to and surrounding God's Word the Bible and Christianity Did God simply hit the start button on creation and walk away like it sometimes feels He is almost always active with us daily hourly minute by minute Life is beautiful if we allow it to be and we are blessed beyond measure Your success depends on what you truly believe what drives your existence If you work hard enough at what your heart's desire is about it will happen especially if you are working at something in God's name and in His timing Remember God's plans for you existed before you were born So what do you spend your time on Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time However sometimes

fires do occur and must be put out The distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don't even remember why you are there If something pops up that requires your attention write it down on your to do list Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one's normal Christian values This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career It is in that mode that it was developed
