Successful Group Care Explorations In The Powerful Environment:

Successful Group Care Martin Wolins, 2017-07-12 Edited by one of the leading authorities in international child care this sourcebook provides valuable insights from international experiments in group child care The selections written by distinguished international child care experts explore a broad range of successful group care settings in Austria Great Britain Israel Mexico Poland the Soviet Union the United States and Yugoslavia Much of the material was previously unknown to American professionals at the time of the original publication who for the most part held group care in disrepute Today there is a growing interest in group programs for children of various ages and in settings ranging from day care programs to institutions and schools of various types Successful Group Care is divided into six major parts The first of which is a general review of successful group care drawing upon material that appears later in the book Subsequent sections present historical and philosophical issues in group care including boarding schools in the former Soviet Union and the Israeli Kibbutz Research studies analyzing the negative and positive effects of group care for young children and several teenage group environments are discussed particularly with regard to their peer effect on values and moral character The project also deals with group care of disturbed children The book ends with the most complete bibliography on the subject including some of the most significant works in Polish Russian German and Hebrew This book will be invaluable to all those interested in and involved in group child care social workers particularly in child welfare developmental child psychologists early childhood educators child psychiatrists family sociologists child care workers day care personnel and students in social work courses in childhood and adolescence early childhood education developmental psychology and in training courses for day care personnel and child care work **Group Care Practice with Children and Young People Revisited** Leon C.

Fulcher, Frank Ainsworth, 2012-12-06 Find out how group care for children has changed in the last 20 years Group Care Practice with Children and Young People Revisited focuses on the core issues that shape the quality of care that is provided in institutional and residential care settings as well as day care services that rely on the group process Leading authorities on residential group care practice from around the world examine practice concepts centered on three broad themes working directly with children working indirectly to support children and their families and organizational influences on practice This unique book offers valuable insights for dealing with the daily challenges of working with young people in responsive group care Group Care Practice with Children and Young People Revisited builds on contemporary themes that were explored by the editors more than 20 years ago in Group Care for Children Concept and Issues and Group Care Practice with Children both out of print Contributors to this updated collection put a fresh spin on the original material as well as cross cultural analysis from both sides of the Atlantic Australia and New Zealand Malaysia China and the United Arab Emirates They revisit the key issues identified in the earlier books and provide personal and professional reflections on what has happened to their practice themes since the early 1980s Special attention is paid to how social policy imperatives normalization de

institutionalization mainstreaming least restrictive environment minimal intervention and diversion have reshaped the field group care methods and skills needed for direct and indirect care and group care as an occupational Group Care Practice with Children and Young People Revisited examines and re-examines the relationships between group care practice and education how group care programs can become hostile to families primary care in secondary settings the importance of shared language in a group care center group development how group composition can influence the overall functioning of the group managing occupational stresses in group care practice patterns of career development in child and youth care economic influences that impact group care challenges facing the future of group care services for children and much more Group Care Practice with Children and Young People Revisited is a must read for youth case workers child and youth care educators and anyone working in child welfare including youth justice managers administrators and policymakers

Residential Group Care in Community Context Zvi Eisikovits, Jerome Beker, 1986 Drawing on their extensive experience a dozen respected scholars examine the state of the art of group care in Israel In addition they highlight major implications of the Israeli experience for child and youth care services worldwide suggesting ideas for the development of more effective patterns of community and residential care in the West Successful in alleviating developmental deficits and maximizing the contributions of the country's most talented young people the acclaimed Israeli approach to group care is thoroughly addressed here The authors analyze the complex interaction between culture and residential group care the importance of the role of the parents and the public policy considerations related to residential care This informative and useful volume will contribute to the enhancement of programs and services for young people everywhere **The Occupational Experience of Residential Child and Youth Care Workers** Jerome Beker, Mordecai Arieli, 2013-04-03 From open and straightforward accounts of residential care workers The Occupational Experience of Residential Child and Youth Care Workers shows you how care is handled not how it should be handled This book introduces you to a social reality a sometimes very difficult and challenging social reality as it is viewed by its participants If you want to know more about what is actually going on in residential care and the discontent that workers frequently experience this is the book that lays out the facts the problems and the nature of residential youth centers The Occupational Experience of Residential Child and Youth Care Workers broaches the problem of tension between workers and residents and hopes that bringing the problem out into the open will be a first step toward a solution You learn that the very arrangement of residential care automatically sets up antagonism between the sole group care worker and his/her wards residents tend to resist the inherently coercive efforts of the worker who tries to bring them through processes of change and socialization The Occupational Experience of Residential Child and Youth Care Workers will make you think about residential care and conflicts group interaction career satisfaction and dissatisfaction interpretive sociology of education and its methodology social control Interviews with Israeli residential care workers are presented to help you understand the circumstances under which residential care providers

experience discontent or job dissatisfaction You learn which workers are most likely to feel discontented and how staff members cope with the stress and discontent they experience Youth care workers policymakers child care staff recruiters supervisors and trainers will find this book sheds much light on the problem of discontent and the need to make child and youth care facilities more humane for residents and staff alike It will also help social work educators and researchers in sociology social work and the social psychology of education get in touch with what goes on inside the walls of residential care centers

Enhancing the Well-being of Children and Families through Effective Interventions Wendy Rose, Professor Colette McAuley, Peter Pecora, 2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions

The Child Welfare Challenge James K. Whittaker, 2017-07-12 Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape child welfare practice and its future In addition to describing the major problems facing the field the book highlights service innovations that have been developed in recent years The resulting picture is encouraging especially if certain major program reforms are implemented and agencies are able to concentrate resources in a focused manner The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors address the many fields of practice in which child and family services are provided or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamental introduction for new practitioners as well as summary of recent developments for experienced practitioners

Boys' Stories of Their Time in a Residential School Mark Smith, 2022-09-09 This book provides rich insights into the pre and post care experiences of boys who were pupils in a residential school where the author worked over the course of the 1980s It describes the boys' trajectories through life as well as detailing the rhythms rituals routines and relationships that existed in the school While the focus is on the former boys' experiences these are augmented by interview material from staff members including religious Brothers who worked in the school Together these different perspectives provide unique insights into an area of social work history that is ill served by existing accounts making the book required reading for all scholars and students of social work social and oral history narrative sociology criminology and desistance and social policy

The Child Welfare Challenge, 2017-07-28 This newly revised and updated edition of a widely adopted text continues to address a broad array of issues in supporting children and strengthening families It includes key information about federal legislation as well as policy related outcomes research in child welfare The first edition of *The Child Welfare Challenge* was hailed by Social Work as an excellent source from which to

gain an in depth understanding of the practice and policy dimensions of child maltreatment foster care and adoption and by the Journal of Sociology and Social Welfare as essential reading for anyone interested in knowing more about child welfare practice in social work Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape current child welfare practice and possible future directions In addition to describing the major challenges facing the child welfare field the book highlights some of the service innovations that have been developed as these could be used to help address some of these challenges In child welfare the focus is on families and children whose primary recourse to services has been through publicly funded agencies The contributors consider historical areas of service foster care and adoptions in home family centered services child protective services and residential services in which social work has a legitimate long standing and important mission This is a comprehensive book but one that appreciates the fact that many areas such as daycare and early intervention invite exploration It is unique in that each chapter describes how policy initiatives and research can or should influence program design and implementation **National Library of**

Revitalizing Residential Settings Martin Wolins,Yochanan Wozner,1982 *Child Welfare for the Twenty-first Century* Gerald P. Mallon,Peg McCartt Hess,2005-09-14 This up to date and comprehensive resource by leaders in child welfare is the first book to reflect the impact of the Adoption and Safe Families Act ASFA of 1997 The text serves as a single source reference for a wide array of professionals who work in children youth and family services in the United States policymakers social workers psychologists educators attorneys guardians ad litem and family court judgesand as a text for students of child welfare practice and policy Features include Organized around ASFA s guiding principles of well being safety and permanency Focus on evidence based best practices Case examples integrated throughout First book to include data from the first round of National Child and Family Service Reviews Topics discussed include the latest on prevention of child abuse and neglect and child protective services risk and resilience in child development engaging families connecting families with public and community resources health and mental health care needs of children and adolescents domestic violence substance abuse in the family family preservation services family support services and the integration of family centered practices in child welfare gay and lesbian adolescents and their families children with disabilities and runaway and homeless youth The contributors also explore issues pertaining to foster care and adoption including a focus on permanency planning for children and youth and the need to provide services that are individualized and culturally and spiritually responsive to clients A review of salient systemic issues in the field of children youth and family services completes this collection

Residential Education as an Option for At-Risk Youth Jerome Beker,Doug Magnuson,2014-03-18 Residential Education as an Option for At Risk Youth explores recent residential programs in Israel draws comparisons with their European counterparts and recommends practical approaches for the revitalization of such programs in the United States This volume

refutes the conventional professional wisdom in the United States that residential group care programs for children and youth are intrinsically flawed and counterproductive. Instead, it delivers effective models for the implementation of effective residential services. The editors and authors demonstrate the growing need for residential programs given the overburdened family foster care resources swelling numbers of zero parent families and homeless youth. Though the United States helped launch and develop residential services in Europe in the aftermath of World War II and has produced many excellent thinkers in the domain of quality residential group care, American programs have languished in recent decades. This book is designed to accelerate and facilitate progress in revamping and establishing excellent residential group care. The authors examine residential education as a developmentally based alternative to the more clinically and correctionally oriented programs for marginal children and youth dominating this field in the United States. The authors present their material in the context of appropriate theoretical principles yet in practical ways that will permit program developers and managers to implement it effectively. Some of the specific areas chapters discuss are exemplary Israeli programs as observed by visiting American professional in social work and allied fields, important program variables and the cultural influences that may affect them, African American experience for such programs, a conceptual model for building successful residential education programs, key organizational and management considerations. *Residential Education as an Option for At Risk Youth* serves as a vital resource for ambitious program developers and managers wishing to reconceptualize and enrich their programs. It will also benefit advanced students, practitioners and decision makers who have had heretofore few resources to rely on when seeking to promote more effective programs for socially marginal children and youth.

IJER Vol 15-N3 International Journal of Educational Reform, 2007-02-01. The mission of the International Journal of Educational Reform (IJER) is to keep readers up to date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities. As the only peer reviewed scholarly publication that combines authors' voices without regard for the political affiliations, perspectives or research methodologies, IJER provides readers with a balanced view of all sides of the political and educational mainstream. To this end, IJER includes but is not limited to inquiry based and opinion pieces on developments in such areas as policy administration, curriculum, instruction, law and research. IJER should thus be of interest to professional educators with decision making roles and policymakers at all levels, since it provides a broad based conversation between and among policymakers, practitioners and academicians about reform goals, objectives and methods for success throughout the world. Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked. IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes. Finally, it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U.S. and the world.

Child Welfare: Child placement and children away from home Nick Frost, 2005. This

collection focuses on child welfare in its specific sense welfare and social interventions with children and young people undertaken by State bodies or NGO s The term child welfare is deployed differently in diverse international settings In the United Kingdom child welfare tends to refer to individualised programmes for children who have experienced problems in their lives In India to take a contrasting example it can also refer to major housing and nutrition programmes This collection takes an inclusive approach to international perspectives The collection is completed by a new general introduction by the editor individual volume introductions and a full index Titles also available in this series include Medical Sociology November 2004 4 Volumes 495 and the forthcoming collection Health Care Systems 2005 3 Volumes c 395 *Children Today*, 1974

Child Welfare League of America Standards of Excellence for Residential Group Care Services Child Welfare League of America, 1991 Since the inception of its program of Standards development CWLA has formulated a series of Standards based on current knowledge the developmental needs of children and tested ways of meeting these needs effectively The preparation of Standards involves an examination of current practices and the assumptions on which they are based a survey of professional literature and standards developed by other groups and a study of the most recent scientific findings of social work and related fields such as child development education mental health psychology medicine psychiatry and sociology as they bear on child welfare practice The final formulation of each Standards volume follows extended discussion of principles and issues by committees of experts in each service the drafting of a preliminary statement and a critical review by CWLA member agencies and representatives of related professions and other national organizations The format of each volume is similar each Standard is numbered with subsumed elaboration and is also cross referenced and indexed Standards volumes are three hole punched with their own cover divider and identifying tab and are packaged individually Binders are available for purchase separately

The Anthropology of Child and Youth Care Work Jerome Beker, 2013-10-08 The Anthropology of Child and Youth Care Work presents and illustrates an anthropological model of child and youth care work and explores the associated benefits of such an approach Author Rivka A Eisikovits model enhances workers on the job effectiveness with clients and co workers and improves intra and inter organizational communication with other human service providers This book prepares child and youth care providers educators researchers administrators consultants supervisors and organizers to become change sensitive process oriented observers analysts and co designers of the systems within which they function and those with which they interact such as families communities and referral agencies The model presented in The Anthropology of Child and Youth Care Work offers readers an organic continuum between everyday work experience and conceptual practice organizing such haphazard events into a systemized body of knowledge Although providing specific skills it is more than a technology it is a humanistic worldview from which a humanistic practice philosophy can be derived Specific points of this philosophy that child and youth care professionals learn about include the cultural learning theory ethnographic inquiry and description staff client relations the sick role trap microcultural events in

residential settings the relationship between treatment and education subsystems a heuristic approach to service delivery family cultural ethnography for cultural sensitization Eisikovits anthropologic perspective broadens the horizons of child and youth care work and equips practitioners to transcend narrowly drawn organizational boundaries By presenting caregivers as cultural translators between their clients and various decision making forums The Anthropology of Child and Youth Care Work prepares them to face the challenges of a dynamic emergent profession and helps them perform successfully in a rapidly changing social context that requires constant assessment of needs and evaluation of performance **Child Welfare Strategy in the Coming Years** United States. Children's Bureau, 1978 **Concepts and Methods of Social Work** Walter A. Friedlander, 1976 Perspectives in Professional Child and Youth Care James P Anglin, Jerome Beker, 2015-12-22 Here are the information ideas and inspiration that will help child care workers in their daily struggle to provide better care for children youth and families Perspectives in Professional Child and Youth Care is a much needed sourcebook of readings on the current state of the art of professional child and youth care in North America Some of the leading practitioners academicians researchers and administrators provide a child care perspective writing about what they on the front lines perceive as the most pressing issues and significant topics in the field today including the nature of child and youth care current issues in education and training therapeutic program issues key support functions in child and youth programs the changing work environment and new roles and developing professionalism in the field of child and youth care This enormously insightful book will be valuable for use in academic courses and training workshops as well as for individual child and youth care professionals and practitioners from related disciplines

Successful Group Care Explorations In The Powerful Environment Introduction

In the digital age, access to information has become easier than ever before. The ability to download Successful Group Care Explorations In The Powerful Environment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Successful Group Care Explorations In The Powerful Environment has opened up a world of possibilities. Downloading Successful Group Care Explorations In The Powerful Environment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Successful Group Care Explorations In The Powerful Environment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Successful Group Care Explorations In The Powerful Environment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Successful Group Care Explorations In The Powerful Environment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Successful Group Care Explorations In The Powerful Environment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Successful Group Care Explorations In The Powerful Environment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Successful Group Care Explorations In The Powerful Environment Books

1. Where can I buy Successful Group Care Explorations In The Powerful Environment books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Successful Group Care Explorations In The Powerful Environment book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
