White,2015-07-01 Excerpt from *Successful Houses and How to Build Them* An inherent desire seems to be born in every one to have a home of one s own to posses a little place however small to be one s own lord and master This desire is natural It betokens a healthy mind a worthy ambition a lofty ideal There are many reasons why it is not to one s best interests to rent Recall the most responsible men and women of any town and you will find they are the property owners The man who does not own his home is looked upon by others as an underling or weakling He is regarded in the eyes of his neighbors as lacking in initiative in the eyes of his family he is considered unfortunate in his own mind he realizes that he has never quite achieved success Look about and see the men on small salaries who own their homes They have toiled no harder than others but rigid economy has made it possible to squeeze out a few dollars a month to apply to their house contract and in after years they have something to show for the money expended Why should we help to support our landlord If a small amount of capital invested each month by those who have not the ready cash to pay for a house and lot will in the end provide a home why not use these sums in that way instead of handing them to the landlord enriching him at our own expense About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Successful Houses and How to Build Them* Charles White,2014-04-17 EXACT reproduction of the original book SUCCESSFUL HOUSES AND HOW TO BUILD THEM by Charles E White Jr originally published in 1912 This book may have occasional imperfections
