pointing to the lengthy and complex history of the metaphor of African contagion Browning argues that in its politicized life affirming embodiment the figure might actually teach us to respond to epidemia humanely **Mindful Wealth** Mustafa Mun,2021-01-11 Mindful Wealth aims for a shift in our thinking It talks about the subject of how we should perceive money how we need to talk about it to attract more of it in our lives and how to live with gratitude so we are blessed with more than what we already have Kierkegaard: Concluding Unscientific Postscript ,2009-05-28 Kierkegaard s Concluding Unscientific Postscript is a classic of existential literature It concludes the first and richest phase of Kierkegaard s pseudonymous authorship and is the text that philosophers look to first when attempting to define Kierkegaard s own philosophy Familiar Kierkegaardian themes are introduced in the work including truth as subjectivity indirect communication the leap and the impossibility of forming a philosophical system for human existence The Postscript sums up the aims of the preceding pseudonymous works and opens the way to the next part of Kierkegaard s increasingly tempestuous life it can thus be seen as a cornerstone of his philosophical thought This volume offers the work in a new and accessible translation by Alastair Hannay together with an introduction that sets the work in its philosophical and historical contexts *JOURNEY TO THE CREST (OF THE CRESCENT CITY)* BARRY DAVIS,2019-05-21 The captivating story of a young black male growing up in New Orleans LA in the 80s and 90s The author provides a vivid description of how he navigated the obstacles of being raised in a poor single parent household In addition he narrates how his mom found refuge within the Jehovah s Witness religion and how he had a sexual relationship with one of the Elders in his congregation when he was a minor More light is shed on how this religion and many organized religions decided to discipline this leader He paints a very vivid story of how low his life was during and after this period because of his struggle with accepting the fact that he is gay and the fact that his mother and no one close to him will accept this truth After relocating from his hometown he is faced with the horrible news of his mother s terminal illness and is challenged with caring for her with virtually no help from his family members This story will have you take a deeper look at what faith and family means It s a heartbreaking story that will leave you speechless at points crying at others and laughing in between It s also a beautiful story of how a young man with all of the odds stacked against him learned how to reconcile his faith spirituality with who he is and how he learned to appreciate how blessed he is **I ll Never Go Back** Mikhail Koriakov,2018-02-27 In the spring of 1944 Red Army Air Force military correspondent Mikhail Koriakov experienced a profound religious awakening which led to a sudden marked revulsion in his entire opinion of the Soviet system and philosophy On voicing his new views he was regarded to be ideologically unsound was relieved of his post and assigned to innocuous duties I ll Never Go Back first published in 1948 details the author s adventures following his conversion The book provides a starkly realistic account of the brutality of the Red Army detailing various incidents of barbarisms to which he was witness and also describes his assignment to the Embassy and the operations of the Soviet secret police NKVD in Paris during this period compelling Kirkus Review **Miss Marjoribanks** Margaret Oliphant,2014-09-01

Trouble I've Seen Drew G.I. Hart, 2016-01-19 What if racial reconciliation doesn t look like what you expected The high profile killings of young black men and women by white police officers and the protests and violence that ensued have convinced many white Christians to reexamine their intuitions when it comes to race and justice In this provocative book theologian and blogger Drew G I Hart places police brutality mass incarceration anti black stereotypes poverty and everyday acts of racism within the larger framework of white supremacy He argues that white Christians have repeatedly gotten it wrong about race because dominant culture and white privilege have so thoroughly shaped their assumptions He also challenges black Christians about neglecting the most vulnerable in their own communities Leading readers toward Jesus Hart offers concrete practices for churches that seek solidarity with the oppressed and are committed to racial justice What if all Christians listened to the stories of those on the racialized margins How might the church be changed by the trouble they ve seen This book is a gift from the heart of one of the sharpest young theologians in the United States Hold it carefully and allow it to transform you and our blood stained streets Shane Claiborne author of The Irresistible Revolution Free downloadable study guide available [here](#)
