Suddenly Derailed A Pittsburgh Story:

Suddenly Derailed Craig Potter, 2005-11 Eight days into the New Year there is an explosion Misty a former acquaintance of Craig's girlfriend is put off by Craig's rejection to her sexual advances Misty leads the Feds to believe that Craig is the next domestic terrorist since Timothy McVeigh After being chased harassed and viciously interrogated by the ATF and FBI Craig must fight for his freedom amongst the backwoods mentality that is typical of Westmoreland County Pennsylvania Craig was thrown in jail placed on house arrest and suffered a magnitude of harassment The home he shared with his girlfriend Tammy was broken into and bugged by Federal Agents as Craig was forced into unreasonable compliance to breeches of privacy Having nothing else to go on the Feds decided to hit Craig with an unregistered firearm charge Now the nightmare has only just begun for what should have been a slap on the wrist Hell hath no fury like a woman scorned No matter it was all lies Lost Ghost Stories of Cleveland William G. Krejci, 2023 Rediscover Cleveland's Forgotten Hauntings Hiding in obscure corners and in plain sight chilling tales from Cleveland's paranormal past await reawakening A tale from 1840 places the city's first haunted house on the windswept commons south of town Hanged murderers were said to roam the corridors of the Old County Jail and the 1885 disinterment of the old Cleveland Medical College graveyard led to reports of nocturnal phantoms throughout the excavation With the construction of Bulkley Boulevard in 1912 many West Side homes were demolished Also destroyed was the entrance to what neighbors menacingly called The Cave of Apparitions Take a step back in time with author and investigative historian William G Krejci on this journey through Cleveland's long lost ghostly past *Railroad Gazette*, 1882 *The First Christmas of the War* Alan Simon, 2010-06-01 SPECIAL PEARL HARBOR 75TH ANNIVERSARY EDITION WITH ALL NEW BONUS MATERIAL From USA Today bestselling author Alan Simon 'Twas the week of Christmas Nineteen forty one The season's joy overshadowed by the war just begun The Great Depression years finally behind them the entire Coleman family of Pittsburgh has been looking forward to this Christmas for almost the entire year For the first time in more than a decade Gerald and Irene Coleman have tucked away enough extra money to make up for all the lean years of disappointingly modest Christmas gifts for their children But December 7 1941 has changed everything and for the past two weeks the entire family has followed with despair the Japanese advances all over the Pacific as well as America finally being dragged into the two year old European war Though a few glimmers of hope can be found amidst the ominous war news both parents fear not only for the country's fate as this new war begins but also more personally for the fate of their sons who will likely soon be joining the fighting in one war theater or another Still despite the sense of dread hanging over almost every aspect of the family's daily affairs Irene Coleman is determined that if indeed this will be the last Christmas that the family spends together at least until after the war or perhaps even forever then she will do everything in her power to make Christmas 1941 the first Christmas of the war a happy one for her children and her entire family Come spend the week leading up to Christmas 1941 with the Coleman family including Jonathan The eldest son at

nineteen Jonathan fatalistically realizes the inevitability of his military days arriving very soon whether he succumbs to the pressure to enlist or if he waits until he is drafted But Jonathan has other problems on his mind as well His long time girlfriend Francine Donner whom only days from now he plans to ask to marry him broke a date with him this past weekend to go out with one of Jonathan s best friends from high school and one of her own former boyfriends because he is headed off to boot camp right after Christmas Jonathan has ominous feelings about this turn of events and he s right Charlene The third child in the family and the oldest daughter Charlene has just become secretly engaged at the age of sixteen to her boyfriend who is soon headed to boot camp She shares the news of her engagement with her cousin Lorraine Walker but Lorraine quickly breaks her promise to keep the news secret When Irene Coleman learns of her daughter s engagement and the circumstances surrounding it she has yet another problem to confront Irene In many ways the backbone of the family the classical 1930s 1940s matriarch who runs her household her way no questions asked Like her husband Irene is mortified by the ominous war news and does her best to occupy the hours of her day with an endless string of tasks and chores trying to keep her mind off her own fears for her sons safety and the others December 20 26 1941 The First Christmas of the War
