Karasu,Toksoz Byram Karasu,2005 Given the fact that 50% of marriages end in divorce you would think marriage wouldn t be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails The Art of Marriage Maintenance is about marital life after the wedding It is about psychological and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance **The Language of Humor** Alleen Pace Nilsen,Don L. Insane for the Light Ronald Rolheiser,2025-10-28 A spiritual journey through life s final years and its mellowing of souls the long awaited conclusion of Father Rolheiser s trilogy of modern spiritual classics following *The Holy Longing* and *Sacred Fire* As the shadows lengthen and we find ourselves no longer in the morning or noon of life but rather face its approaching dusk we uncover a new spiritual task to give away the final years of our lives and ultimately our deaths So argues beloved author Ronald Rolheiser During life s first years we embark on a search for meaning and discover in ourselves a profound unquenchable thirst for the Divine And when we reach adulthood we realize that we are called to give our lives away to our spouses children careers friends and neighbors in need But in the end we must learn to let it all go In this highly anticipated conclusion to Father Rolheiser s spiritual classics *The Holy Longing* and *Sacred Fire* and with characteristic attentiveness and care Rolheiser accompanies readers on a spiritual journey through life s final years and the mellowing of our souls In these years bitterness can give way to forgiveness mere imagination to profound and subtle faith wishful optimism to virtuous hope and control to surrender Readers will learn to see in Jesus a model for a spirituality of holy passivity rather than activity and find in him the courage to overcome the darkest nights of faith Drawing on the work of John of the Cross and Henri Nouwen Rolheiser outlines a spirituality capable of giving away one s death and by that a spirituality of truly living
