Юридическая техника и техника доказывания по уголовным делам

Классическая правовая наука объектом приложения юридической техники видит юридическую сторону дела, а техники доказывания — фактическую сторону.

Юридическая техника обслуживает потребности в правильном понимании и применении закона. А тем, что касается установления фактических обстоятельств дела, выяснения юридических фактов, заведует теория доказательства. Ученые, которые занимаются теорией доказательства, никогда не включали в число ее проблем вопросы, связанные с толкованием законов, восполнением его пробелов и т. п.

Постмодернистская правовая мысль сводит деятельность юристов к одной из языковых игр¹. Доказывание также рассматривается как игра или как борьба интерпретаций за наиболее правильное (убедительное) прочтение текста. В общем, нет ничего, кроме текста в суде, отсюда — речевая техника лежит в основе и юридической техники, и техники доказывания. Сама речь есть техника изобретения мыслей и слов.

Отсюда и своеобразная трактовка юридической техники. Юридическая техника — это и самые правила этой речевой, персонифицированной игры, и искусство владения этими правилами. Юридическая (речевая) техника имеет универсальное значение и в равной степени распространяется как на толкование закона и разрешение проблем его применения в данном конкретном случае, так и на установление фактических обстоятельств дела, подлежащего разрешению в юрисдикционном органе.

Техника исключения, градуирования, систематизации элементов речевой фактуры, основанные на языке, есть техника доказывания, то есть техника производства знания относительно предполагаемой действительности.

Владение юридической техникой — основа грамотности, мастерства юриста как профессионального пользователя юридическим языком. Изучение юридической техники подразумевает овладение юридическим языком как средством коммуникативного общения в правовой среде. Юрист —
