## **Sudtirol Stunde Null:**

Südtirol, Stunde Null? Hans Heiss,2000    The South Tyrol Way Hans Karl Peterlini,2023-10-11 In lively language Hans Karl Peterlini guides us through the recent history of South Tyrol He illuminates the developments and key events including the fighting in the First World War the option and Italianisation of the country under the fascists the political efforts for autonomy and the bomb attacks Furthermore Peterlini tells the stories of the people of South Tyrol their economies cultural creations and lifestyles their misunderstandings and achievements in reconciliation right up to the present day    **Return**

**and Circular Migration in Contemporary European History** Sarah Oberbichler, Eva Pfanzelter, Valerio Larcher,2024-06-05    **Nazis on the Run** Gerald Steinacher,2012-08-23 This is the story of how Nazi war criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports and the role played by the Red Cross the Vatican and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals providing them not only with secret escape routes but hiding places for their loot Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals including Adolf Eichmann showing how they mingled and blended with thousands of technically stateless or displaced persons all flooding across the Alps to Italy and from there to destinations abroad The story of their escape shows clearly just how difficult the apprehending of war criminals can be As Steinacher shows all the major countries in the post war world had mixed motives for their actions ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East West confrontation after 1947 which led to many former Nazis being recruited as agents turned in the Cold War

**Ethnicity, Nationalism and the European Cold War** Robert Knight,2012-04-26 This book questions the prevalent assumption that ethnicity and nationalist politics had nothing to do with the Cold War and that far from being frozen until the fall of communism they remained central to the conflict in Europe Leading scholars bring their understanding of particular regions to bear on the wider issue of why ethnic explanations were written out of the discourse and whether this was a failure on the part of Western observers This in turn has led to an overly simple understanding of power flowing downwards from superpower to nation state and from state to society Engaging with key thinkers such as Gaddis Moynihan and Adam Roberts this collection ultimately allows such speculation to be replaced by historical research and bridges the gap between high politics and ethnic concerns

**Tolerance Through Law** Jens Woelk,Francesco Palermo,Joseph Marko,2008 The autonomous province of South Tyrol in Northern Italy is generally considered to be one of the most successful examples for the solution of ethnic conflicts This book gives an analysis of the evolution of the legal instruments and institutions of self government and minority protection through power sharing as well as of the experience gathered during decades of the implementation of a working economy It thus provides insights regarding the state and the

evolution of this specific case as well as for the general tendencies in the development of territorial autonomy and minority protection     [Südtiroler in der Waffen-SS](#) Thomas Casagrande,2016-02-19 Otto Casagrande starb 1990 auf einem Veteranentreffen der Waffen SS F r seinen Sohn Thomas war dies der Ausl ser sich intensiv mit der Vergangenheit des ehemaligen SS Untersturmf hrers zu besch ftigen Nach zwanzig Jahren Recherche legt der Autor nun eine erste Studie ber Anzahl Rekrutierung und Verwendung der vielen S dtiroler SS Freiwilligen vor Die S dtiroler Rekrutierungsquote der SS liegt im Vergleich zum Deutschen Reich sowie anderen volksdeutschen Gebieten berproportional hoch Eingesetzt wurden die ersten Freiwilligen in den damaligen Elitedivisionen der Waffen SS oder in den Wachmannschaften der Konzentrationslager Sp ter wurden Rekruten eher den Gebirgsj gern zugeteilt oder ab 1943 den Besatzungstruppen in Italien In Kurzbiografien und dem ausf hrlichen Lebenslauf Otto Casagrandes werden Motivation und Einsatz der S dtiroler bei der Waffen SS anschaulich dargestellt Daraus ergibt sich eine SS Geschichte von unten die ber die Grenzen S dtirols hinaus einen beispielhaften Blick auf die junge Kriegsgeneration und auf die unteren Dienstr nge wirft     [Austria in the European Union](#) Anton Pelinka,2017-09-08 Austria joined the European Union in 1995 with the overwhelming support of its citizenry In June 1994 a record 66.6 percent of the Austrian population voted in favor of joining the Union and Austria acceded on January 1 1995 Only three years later in the second half of 1998 Austria assumed its first presidency of the European Union Its competent conduct of the Union s business enhanced its reputation The sense that Austria was a role model collapsed overnight after a new conservative People s Party iVP FPi coalition government was formed in Austria in early February 2000 Austria became Europe s nightmare This volume has two purposes The first is to assess Austria s first five years in the European Union The second is Austria s ongoing struggle with its past Heinrich Neisser evaluates and assesses Austria s commitment to the European Union Thomas Angerer offers a long term perspective of regionalization and globalization trends in Austrian foreign affairs Waldemar Hummer analyzes contradictions between Austrian neutrality and Europe s emerging common security policy Johannes Pollak and Sonja Puntscher Rieckmann look at current debates over weighing future voting rights in the European Commission Michael Huelshoff evaluates Austria s EU presidency in 1998 and compares it to the subsequent 1999 German presidency Gerda Falkner examines the withering away of the previously much admired Austrian welfare state Walter Manoschek scrutinizes the Nazi roots of Jorg Haider s Freedom Party Michael Gehler critiques the EU sanctions and bemoans the absence of mediation through transnational Christian conservative parties In reviewing how Austria deals with World War II Richard Mitten investigates discourses on victimhood in postwar Austria and the place of Jews in this process A Roundtable presents overwhelming evidence of Austrians deep involvement in Nazi war crimes and includes articles by Sabine Loitfellner and Winfried Garscha This addition to the Contemporary Austrian Studies series will be welcomed by political scientists historians and legal scholars particularly those with a strong interest in European affairs

[A Nazi Past](#) David A. Messenger,Katrin Paehler,2015-04-21 Since the end of World War II historians and psychologists

have investigated the factors that motivated Germans to become Nazis before and during the war While most studies have focused on the high level figures who were tried at Nuremberg much less is known about the hundreds of SS members party functionaries and intelligence agents who quietly navigated the transition to postwar life and successfully assimilated into a changed society after the war ended In A Nazi Past German and American scholars examine the lives and careers of men like Hans Globke who not only escaped punishment for his prominent involvement in formulating the Third Reich's anti-Semitic legislation but also forged a successful new political career They also consider the story of Gestapo employee Gertrud Slottke who exhibited high productivity and ambition in sending Dutch Jews to Auschwitz but eluded trial for fifteen years

Additionally the contributors explore how a network of Nazi spies and diplomats who recast their identities in Franco's Spain far from the denazification proceedings in Germany Previous studies have emphasized how former Nazis hid or downplayed their wartime affiliations and actions as they struggled to invent a new life for themselves after 1945 but this fascinating work shows that many of these individuals actively used their pasts to recast themselves in a democratic Cold War setting Based on extensive archival research as well as recently declassified US intelligence A Nazi Past contributes greatly to our understanding of the postwar politics of memory
