English translations of articles in the Spanish American press El sueño americano y sus pesadillas Marcelo G. Burello, Alejandro Goldzycher, 2022-08-03 Desde hace alrededor de un siglo circula por el mundo y con toda naturalidad el concepto de sueño americano cual epitome de la cultura estadounidense y por ende a la vez cual clave ideológica del sistema capitalista Pero cómo y cuándo surgió esta vaga y poderosa idea Y sobre todo qué papel tuvo en su origen y vigencia la literatura norteamericana siempre tan rica en variantes y a menudo tan simplificada desde una perspectiva externa y sesgada En este volumen un nutrido grupo de estudiosos latinoamericanos enfoca obras y autores literarios a la luz de este antiguo mito cultural en un arco que va desde la época colonial hasta nuestros días Los puritanos y los beatos el western y la ciencia ficción escritores consagrados oficialmente y escritores de culto una vasta galería de nombres de mujeres y hombres que con sus poemas ensayos y narraciones permiten explorar y analizar críticamente un sueño demasiado propenso a volverse pesadilla Escriben Gabriel Matelo Mariana Larín Marcelo G Burello Nicolás Ferreiro Thomas Schonfeld Luciana Colombo Mariana Verónica Colombo Cecilia E Lasa Daniel del Percio Thiago Pimentel Sofía Parrella Nicolás Coria Nogueira Melissa Cammilleri Nancy Viejo Eugenio López Arriazu Alejandro Goldzycher Griselda Beacon *La Otra Cara Del Sueño Americano* Marta Del Orbe, 2019-11-19 Nacido en la profundidad del silencio de los gritos ahogados que producen sollozos de lamentos por el alto precio pagado con aquella moneda tallada en el rostro del dolor en la desolación de aquellos que desafían caminos turbulentos en los clamores no escuchados y los arrepentimientos no perdonados hicieron brotar las palabras Estados Unidos país que presume de la fortuna de este sueño diciendo que todos pueden comenzar desde abajo y llegar a la cima sin embargo hay otra realidad muchos comienzan desde abajo y se quedan rezagados o caen más bajo El sueño Americano con frecuencia es grajeado y narrado sobre las pesadillas de aquellos que obligado o no renuncian a su propio bienestar para allanar caminos a los que siguen detrás pagando con lágrimas al recibir aquellos golpes que esculpen con dolor el corazón La responsabilidad llega a su límite cuando invade los predios de la generosidad El sueño Americano no solo traspasa los límites de las expectativas sino que pone en riesgo la vida y el bienestar de muchos **Hotel, Motel and Club Voice** ,1968

Latin America's Contested Pasts in Telenovelas and TV Series Mónica Contreras Saiz, Stefan Rinke, 2024-12-30 In Latin America the production of telenovelas and TV series about the region's recent and traumatic past has grown considerably in the last 20 years affecting societal perceptions of the past historical consciousness and political culture While these TV products are usually perceived as trivial they do provide a historical framework to a wide audience which finds it easier to relate to the national past through fiction than through history books journalistic articles or documentaries Latin America's Contested Pasts in Telenovelas and TV Series analyzes the historical culture of Latin American society embodied in telenovelas and TV series from the 1960s to this day It compiles regional case studies on the televised representation of 20th century dictatorships in Chile Argentina and Brazil as well as the war against drug trafficking and the armed conflict in Colombia Highlighting the political and social relevance of fictional television the contributions offer interdisciplinary

insights into its discourses and narratives from the heroization of criminals to the search for reconciliation and the construction of a historical memory

Sueño y tragedia en el teatro norteamericano Isaac Chocrón, 1984 En este ensayo que cubre un largo tramo de la creación teatral norteamericana Isaac Chocrón traza un penetrante cuadro de las relaciones que han conectado la realidad social con la dramaturgia del gran país En la historia de todas las culturas la actividad teatral se ha caracterizado siempre por sus virtudes representativas y por una tendencia a constituir un verdadero indicador de los valores que sostiene la sociedad que la engendra En el caso de los Estados Unidos Chocrón detecta la significativa transformación que como un vuelco total conduce su teatro a partir de 1920 hacia contenidos críticos y desgarrados En ese momento se registra el viraje que termina con las luces del sueño americano para iniciar las sombras de la tragedia americana El texto sigue los pasos de ese proceso y con preciso aparato metodológico lo ubica en el doble plano de la realidad social y en su correspondencia escénica El camino se cumple ejemplificado con piezas fundamentales de O'Neill, C. O'Casey, T. Wilder, L. Hellman, A. Miller, T. Williams, E. Albee y sin descuidar el teatro musical que tan importante desarrollo tiene en Estados Unidos Back cover

El Sueño, the Dream Erica Navejar, 2012-12-28 Planned by her parents a young girl is born in the United States of America in early 1974 to help her parents gain permanent residency in the United States through a law that allows Mexican natives to apply for permanent residency if a child is born in America Although it takes a few years to gain permanent residency her parents do not give up on their dream for a better life for their children Facing hardship in Mexico and a father who leaves the family to work in the US illegally to make ends meet some discouragement lingers but the family receives news from the American Council of their acceptance for permanent residency Parents move into the States with their dream They soon discover that it is hard to make it in America Not only to survive but to keep their culture alive When the young girl begins school she is challenged by a language that is unknown and difficult to learn The young girl begs mother not to send her to school and is granted that request for a short time However her mother's dream for her young daughter to become something in the land of opportunity is pressed and the young girl has to conform to the American way even though she is a minority and customs and traditions are threatened by a new culture
