Suffering in Silence Shakita Mitchell, 2020-06-23 Many people live their lives suffering in silence they walk around with their mouths smothered never speaking about their past or current pain because fear has paralyzed them from speaking They walk through life with hurt and brokenness in their heart carrying the burden of their pain and all along they are suffering in silence The reason people suffer in silence is because they don't speak on their pain they may feel the guilt of shame and embarrassment of their past so they cover up their pain by finding a coping mechanism such as drugs alcohol sex and more They also mask their pain with pretend trying to distinguish between what's reality and what is fictional and yet suffering in silence What does it mean to suffer in silence It means to be unhappy without saying anything however what causes a person to suffer in silence could be depression grief abuse and much more It's a pain that is unspoken of that can eat you up if it's not dealt with your outward appearance look good but your inner self is Suffering In Silence Don't allow the enemy to use fear to paralyze you from speaking You have a voice break your silence and speak be healed and be free

ways presented through Ms Nicki own personal and powerful testimonies The grip of unforgiveness fear failure and more can be loosed by the power of God There is purpose for all that we endure You will definitely experience change using the resources offered throughout this book There is hope for you realizing the promises made to you and all that awaits you just take a step of faith You can shut the enemy up and all the lies he has whispered to you from the beginning Ms Nicki received the transformation of healing deliverance and restoration from all that the enemy stole while she was still suffering It was a changed mind in the valley that helped her rise to higher ground Praise be to God The Unmoored God Crowley, SJ, Paul G.,2017 **Suffering in Silence While Dealing with the Pain Within** Leandra Green,2017-11-06 A common problem that we see many people struggle with is internalizing their pain and never really getting to the root cause of the problem I personally almost drowned in my pain by suffering in silence and this by far was one of the hardest seasons that I have ever faced in life This book was written to encourage those that are currently in this position It will encourage you to deal with the hard facts and reality that the pain in your life will never leave until you address it Prepare yourself to be mentally spiritually and emotionally challenged to walk down the journey called healing Author Leandra Green will inspire you to expose the skeletons in your closet that you have buried deep in an attempt to escape your pain As you read this book it will ultimately cause you to see your pain from a place of victory instead of a place of defeat The season of suffering in silence has come to an end and this is your day of release You will begin to grasp the concept that your scars were purposeful Remember 2 Corinthians 5 17 says Therefore if anyone is in Christ he is a new creation old things have passed away behold all things have become new Your time of healing has come get ready to embrace the new Author Leandra Green **Job the Silent** Bruce Zuckerman,1998 This study of the Book of Job argues that it was intended as a parody of the stereotypical righteous sufferer portrayed as patient and silent This example is used to demonstrate how texts become separated from the intentions of their authors and can evolve quite different meanings for readers The mystery to signs, wonders and miracles in the kingdom of god Davidson Samuel Mc Maxwell Pherson,2021-06-30 In 15 years of Ministry I have witnessed numerous miraculous signs and wonders when the kingdom of God which is the Holy Spirit is emphasized In different parts of this book I have shared a few of my experiences with the Holy Spirit The book outlines what the Kingdom of God is Powers of the Kingdom Fundamental Principles of the Kingdom how to enter the kingdom of God an analysis of miracles in major denominations and the results of refusing the Kingdom of God It is my contribution to the Body of Christ as a final appeal to receive the Holy Spirit before it is too late Without the Holy Spirit it is impossible to live through these end times of trials and tribulations Furthermore the presence and obedience to the Holy Spirit is the only medium to go in the Rapture Samuel Mc Pherson is a teacher with 27 years of experience in divulging science at CSEC level Pastor minister with 15 years of soul winning and discipleship experience He studied at the University of Guyana where he obtained a bachelor of Science Biology From 2007 to 2017 he studied Theology At Northwestern Christian University he obtained a Doctorate Th D in Theology Has served in
