## **Sufis And Anti Sufis The Defence Rethinking And Rejection Of Sufism In The Modern World:**

**Sufis and Anti-Sufis** Elizabeth Sirriyeh, 2014-01-09 Despite its continuing appeal in the Muslim world Sufism has faced fierce challenges in the last 250 years This volume assesses the evolution of anti Sufism since the middle of the eighteenth century and Sufi strategies for survival It also considers the efforts of a few significant Muslim intellectuals to contemplate a future for a mystical approach to Islam without traditional Sufism Many studies of Islam in the modern period have focused on the attempts of Muslim modernists or fundamentalists to come to terms with western modernity and Sufis have often been marginalised in the process Elizabeth Sirriyeh redresses this neglect by assigning to Sufism a central place in the broader history of Islam in the modern world and by examining how changing understandings of Sufism's role in modern conditions have affected Muslims of all shades of opinion

**Sufis and Anti-Sufis** Elizabeth Sirriyeh, 1999 Sirriyeh seeks to redress the neglect of Sufism by assigning it a central place in the broader history of Islam in the world and by examining how changing understandings of Sufism's role have affected Muslims of all shades of opinion

**Sufis and Anti-Sufis: The Defence**, Elizabeth Sirriyeh, 2024-11-01 Despite its continuing appeal in the Muslim world Sufism has faced fierce challenges in the last 250 years This volume assesses the evolution of anti Sufism since the middle of the eighteenth century and Sufi strategies for survival

*Sufis, Salafis and Islamists* Sadek Hamid, 2016-03-23 British Muslim activism has evolved constantly in recent decades What have been its main groups and how do their leaders compete to attract followers Which social and religious ideas from abroad are most influential In this groundbreaking study Sadek Hamid traces the evolution of Sufi Salafi and Islamist activist groups in Britain including The Young Muslims UK Hizb ut Tahrir the Salafi JIMAS organisation and Traditional Islam Network With reference to second generation British Muslims especially he explains how these groups gain and lose support embrace and reject foreign ideologies and succeed and fail to provide youth with compelling models of British Muslim identity Analysing historical and firsthand community research Hamid gives a compelling account of the complexity that underlies reductionist media narratives of Islamic activism in Britain

**Sufis in Western Society** Markus Dressler, Ron Geaves, Gritt Klinkhammer, 2009-06-02 This book examines the development of Sufi movements that have migrated from their place of origin to become global religious networks

*Sufis and Salafis in the Contemporary Age* Lloyd Ridgeon, 2015-04-23 Sufis and Salafis in the Contemporary Age explores the dynamics at play between what are usually understood as two very different forms of Islam namely Sufism and Salafism Sufism is commonly understood as the peaceful and mystical dimension of Islam whereas Salafism is perceived as strictly pietistic and moralist and for some it conjures up images of violent manifestations of Islam Of course these generalisations require more nuanced investigation and this book provides a number of case studies from around the Islamic world to unpack the intricate relationship between the two The diversity of the case studies that focus on Islamic groups in India Iraq Egypt Morocco Turkey and South East Europe reflect the multiplicity of relationships that exist between the Salafis and Sufis The specific

case studies are framed by an introduction that provides essential historical background and definitions of the terms and also by general studies of the Sufi Salafi relationship which enable the reader to focus on the large picture This will be the first book to investigate the relationship between Sufism and Salafism in such a wide fashion and includes chapters on traditional Sufis as well as from those who consider that Sufism and Salafism are not necessarily contradictory Muhammad 'Abduh Oliver Scharbrodt,2022-07-28 How to approach the complex intellectual legacy of a modern Muslim thinker like Muhammad Abduh 1849 1905 This book offers an answer to this question by providing a new complete intellectual biography of him It delineates Abduh s formation as a reformer and activist and embeds his varied intellectual contributions in a culture of ambiguity which has marked the intellectual life of Muslim societies throughout their history By using new sources in particular his early mystical philosophical and political writings and including recent academic contributions on him the book explores Abduh s complex intellectual formation the various religious philosophical and cultural influences that shaped him and his changing attitudes towards Western modernity and its colonial manifestation in the 19th century Oliver Scharbrodt challenges the perception in academic scholarship and among Muslim reformers of the 20th century that searched for intellectual coherence and biographical consistency in Abduh s life Instead this book offers a new more comprehensive reading of his intellectual legacy and highlights the variety of approaches and ideas manifest in his contributions

Contemporary Sufism Meena Sharify-Funk,William Dickson,Merin Shobhana Xavier,2017-12-22 What is Sufism Contemporary views vary tremendously even among Sufis themselves Contemporary Sufism Piety Politics and Popular Culture brings to light the religious frameworks that shape the views of Sufism s friends adversaries admirers and detractors and in the process helps readers better understand the diversity of contemporary Sufism the pressures and cultural openings to which it responds and the many divergent opinions about contemporary Sufism s relationship to Islam The three main themes piety politics and popular culture are explored in relation to the Islamic and Western contexts that shape them as well as to the historical conditions that frame contemporary debates This book is split into three parts Sufism and anti Sufism in contemporary contexts Contemporary Sufism in the West Poetic influences and popular manifestations Gendering Sufism Tradition and transformation This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam gender and the West It offers an ideal starting point from which undergraduate and postgraduate students teachers and lecturers can explore Sufism today **Handbook of Islamic Sects and Movements** ,2021-07-15 The Handbook of Islamic Sects and Movements offers a multinational study of Islam its variants influences and neighbouring movements from a multidisciplinary range of scholars These chapters highlight the diversity of Islam especially in its contemporary manifestations as a religion of many communities theologies and ideologies Over five sections on Sunni Shia Sufi fundamentalist and fringe Islamic movements the authors provide historical overviews analyses and in depth studies of large and small Islamic and related groups from all around the world The contents of this volume will be of interest to both

newcomers to the study of Islam and established scholars of religion who wish to engage with the dynamic label of Islam and the many impactful movements of the Islamic world      Varieties of American Sufism Elliott Bazzano, Marcia Hermansen, 2020-08-01 From Rumi poetry and Sufi dancing or whirling to expressions of Africanicity and the forging of transnational bonds to remote locations in Senegal Sri Lanka and Turkey Varieties of American Sufism immerses the reader in diverse expressions of contemporary Sufi religiosity in the United States It spans more than a century of political cultural and embodied relationships with Islam and Muslims American encounters with mystical Islam were initiated by a romantic quest for Oriental wisdom flourished in the embrace of Eastern teachings during the countercultural era of New Age religion were concretized due to late twentieth century possibilities of travel and immigration to and from Muslim societies and are now diffused through an explosion of cyber religion in an age of globalization This collection of in depth participant observation based studies challenges expectations of uniformity and continuity while provoking stimulating reflection on a range of issues relevant to contemporary Islamic Studies American religions multireligious belonging and new religious movements      **African Spirituality, Politics, and Knowledge Systems** Toyin Falola, 2022-03-10 Focusing on the three leading religious traditions in Africa African Traditional Religion Islam and Christianity this book shows how belief in the supremacy of sacred words compels actions and influences practices in contemporary Africa Sacred words are taken to mean holy texts as in divination the Quran and the Bible Toyin Falola evaluates how religious leaders engage with sacred words both orals and texts engendering practices that reveal the expression of religious beliefs the impact of those beliefs and the knowledge contained in them Attention is given to the key ideas in the words chosen by religious leaders and how they form a continuous knowledge system impacting the politics of managing society and people      Islam and Good Governance M. A. Muqtadar Khan, 2019-04-08 This book advances an Islamic political philosophy based on the concept of Ihsan which means to do beautiful things The author moves beyond the dominant model of Islamic governance advanced by modern day Islamists The political philosophy of Ihsan privileges process over structure deeds over identity love over law and mercy and forgiveness over retribution The work invites Muslims to move away from thinking about the form of Islamic government and to strive to create a self critical society that defends national virtue and generates institutions and practices that provide good governance      **Practicing Sufism** Abdelmajid Hannoum, 2016-07-15 Islam in Africa is deeply connected with Sufism and the history of Islam is in a significant way a history of Sufism Yet even within this continent the practice and role of Sufism varies across the regions This interdisciplinary volume brings together histories and experiences of Sufism in various parts of Africa offering case studies on several countries that include Morocco Algeria Senegal Egypt Sudan Mali and Nigeria It uses a variety of methodologies ranging from the hermeneutical through historiographic to ethnographic in a comprehensive examination of the politics and performance of Sufism in Africa While the politics of Sufism pertains largely to historical and textual analysis to highlight paradigms of sanctity in different geographical areas in Africa the aspect of

performance adopts a decidedly ethnographic approach combining history of art and discourse analysis Together analysis of these two aspects reveals the many faces of Sufism that have remained hitherto hidden Furthering understanding of the African Islamic religious scene as well as contributing to the study of Sufism worldwide this volume is of key interest to students and scholars of Middle Eastern African and Islamic studies **Women in Sufism** Marta Dominguez

Diaz,2014-10-24 Exploring the diverse myriad of female religious identities that exist within the various branches of the Moroccan Sufi Order Q diriyya B dsh shiyya today this book evidences a wide array of religious identities from those more typical of Berber culture to those characterised by a sober approach to Sufism as well as those that denote New Age eclecticism The book researches the ways in which religious discourses are corporeally endorsed After providing an overview of the Order historically and today enunciating the processes by which this local tarqa from North eastern Morocco has become the international organization that it is now the book explores the religious body in movement in performance and in relation to the social order It analyses pilgrimage by assessing the annual visit that followers of Hamza B dsh sh make to the central lodge of the Order in Mad gh it explores bodily religious enactments in ritual performance by discussing the central practices of Sufi ritual as manifested in the B dsh shiyya and delves attention into diverse understandings of faith healing and health issues Women and Sufism provides a detailed insight into religious healing sufi rituals and sufi pilgrimage and is essential reading for those seeking to understand Islam in Morocco or those with an interest in Anthropology and Middle East studies more generally **Global Sufism** Francesco Piraino,Mark J. Sedgwick,2019 An indispensable reader on the many manifestations of Sufi thought practice and belief

*Routledge Handbook on Sufism* Lloyd Ridgeon,2020-08-09 This is a chronological history of the Sufi tradition divided in to three sections early middle and modern periods The book comprises 35 independent chapters with easily identifiable themes and or geographical threads all written by recognised experts in the field The volume outlines the origins and early developments of Sufism by assessing the formative thinkers and practitioners and investigating specific pietistic themes The middle period contains an examination of the emergence of the Sufi Orders and illustrates the diversity of the tradition This middle period also analyses the fate of Sufism during the time of the Gunpowder Empires Finally the end period includes representative surveys of Sufism in several countries both in the West and in traditional Islamic regions This comprehensive and up to date collection of studies provides a guide to the Sufi tradition The Handbook is a valuable resource for students and researchers with an interest in religion Islamic Studies and Middle Eastern Studies **Middle Eastern Societies and the West** Meir Litvak,2006 For many Middle Eastern Muslims the West came to personify the ultimate other occupying a space that was simultaneously appealing intimidating and often abhorrent The multilayered ambivalent interaction between Middle Eastern societies and the West has been a major theme in the history of this region for the past two centuries The al Qa eda terrorist attack against the United States on September 11 2001 the 2003 U S invasion of Iraq and Israel s war against Hizbullah in the summer of 2006 have made the in depth study of

this interaction more critically important than ever Taking the concepts of the Middle East and the West into account as useful analytical categories the various articles in this volume examine and analyze a broad spectrum of Middle Eastern encounters and attitudes toward the West This collection provides a fuller understanding of the complexities involved in both the historical and contemporary relationship between Middle Eastern societies and the West

*Sufism in the West* Jamal Malik, John Hinnells, 2006-04-18 With the increasing Muslim diaspora in post modern Western societies Sufism intellectually as well as sociologically may eventually become Islam itself due to its versatile potential Although Sufism has always provoked considerable interest in the West no volume has so far been written which discusses this aspect of Islam in terms of how it is practised in Western societies Bringing together leading international authorities to survey the history of Islamic mysticism in North America and Europe this book elaborates the ideas and institutions which organize Sufism and folk religious practices The chapters cover the orders and movements their social base organization and institutionalization recruitment patterns in new environments channels of disseminating ideas such as ritual charisma and organization reasons for their popularity among certain social groups the nature of their affiliation with the countries of their origin Providing a fascinating insight into how Sufism operates within different spheres of society Sufism in the West is essential reading for students and academics with research interests in Islam Islamic history and social anthropology

**Prayer in the City** Patrick A. Desplat, Dorothea E. Schulz, 2014-03-15 This volume envisions social practices surrounding mosques shrines and public spaces in urban contexts as a window on the diverse ways in which Muslims in different regional and historical settings imagine experience and inhabit places and spaces as sacred Unlike most studies on Muslim communities this volume focuses on cultural material and sensuous practices and urban everyday experience Drawing on a range of analytical perspectives the contributions examine spatial practices in Muslim societies from an interdisciplinary perspective an approach which has been widely neglected both in Islamic studies and social sciences

**The Cambridge Companion to Sufism** Lloyd Ridgeon, 2015 This book traces the evolution of Sufism from the formative period to the present
